ACCOUNTANT'S COMPILATION REPORT

Kevin J. Centanni, Judge
Jefferson Parish Justice of the Peace, 6th Justice Court
Kenner, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, of the Jefferson Parish Justice of the Peace, 6th Justice Court (the Court), as of and for the years ended December 31, 2025, and 2024, which collectively comprise the Court's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Court's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The accompanying schedule of compensation, benefits, and other payments to the agency head on page 4 is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.
