Boards, Commissions, and Like Entities Annual Report to the Legislature as of June 30, 2020

August 2020

Audit Control # 80200038

Summary

The purpose of this report is to summarize information provided to the Division of Administration (Division) by boards, commissions, and like entities (Boards). Louisiana Revised Statute (R.S.) 24:513.2(E) requires the Legislative Auditor to submit annually to the Legislature a report containing summary financial information and personnel data on (1) Boards created by law or executive order that are made part of, or are placed in, the executive branch of state government, and (2) local Boards that are specifically created by law. The statute provides for the Legislative Auditor to report findings and recommendations resulting from any analysis of the information. Our findings and recommendations are categorized as follows:

- **Boards & Commissions Website** - The Boards & Commissions website is located at <https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/selectBoard.cfm>. The accuracy of the information available is solely dependent upon the timeliness and accuracy of the Boards' data entry.
- **Trends** - This report identifies 475 Boards as of June 30, 2020, which is an increase of three from the previous year.
- **Boards Providing No Response** - We identified six Boards that did not respond to our request for personnel data and financial information. The Division sent notices of noncompliance to the respective legislative committees as required by R.S. 49:1301. Two of the Boards also failed to respond to our request in the prior year. The Legislature may wish to consider taking action against Boards that fail to comply with the reporting requirements in state law.
- **Inactive Boards** - We identified 12 inactive Boards that were not fulfilling their established functions. Ten of these inactive Boards were also identified as inactive in the prior year. We recommend that the Legislature consider abolishing these Boards or taking other actions (additional legislation, appropriations, or board appointments) to assist them in fulfilling their established function.
- **Board Activity** - We identified 45 Boards that reported their status as active but have not reported any meeting notices or minutes subsequent to December 31, 2017. Also, seven of these Boards have no board members identified on the website. We recommend that the Division continue to work with these Boards to ensure they are appropriately reporting their status and complying with the

reporting requirements in state law to make their meeting notices and minutes available on the website.

- ***Board Per Diems, Salaries, and Travel Expenses*** - For fiscal year 2020, Boards budgeted approximately \$1 million for Board member per diems, \$2.2 million for Board member salaries, and \$2.1 million for Board member travel expenses.

Boards & Commissions Website

R.S. 49:1301 requires the Commissioner of Administration to establish and maintain a website containing information on Boards: <http://www.cfrd.doa.louisiana.gov/boardsandcommissions>.

The accuracy of each Board's self-reported information available on this website is solely dependent upon the timeliness and accuracy of each Board's data entry. As a result, anyone attempting to access information about current budgets or expenses for a specific Board may instead retrieve information that is outdated or inaccurate.

We recommend that the Division continue to work with our office regarding the form and content of the database fields to ensure information entered is properly maintained. We will also meet with the Division periodically to monitor updates and improvements to the website database.

Trends

This report identifies 475 Boards as of June 30, 2020 (see Appendix B), which is a net increase of three from the previous year. This net figure reflects an increase of 11 Boards¹ and a decrease of 8 Boards that were abolished through prior-year legislation. The effects of the laws enacted during the 2020 legislative sessions are not reflected in the database as of June 30, 2020. Any new or abolished Boards resulting from the 2020 Regular Legislative Session will be added or removed prior to the 2021 reporting period.

As noted below, the total number of Boards has fluctuated between 458 and 477 boards over the past five years.

	Number of Boards
2016	458
2017	464

2020	475

¹ These 11 boards included nine new boards created during the 2018 and 2019 legislative sessions, one new board created by Executive Order, and one existing board not previously included in the database.
