INDEPENDENT AUDITORS' REPORT

To the Partners and Management
of JDV Limited Partnership
Lafayette, Louisiana

We have audited the accompanying financial statements of JDV Limited Partnership (a Louisiana Limited Partnership), which comprise the balance sheets as of December 31, 2019 and 2018 and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of JDV Limited Partnership as of December 31, 2019 and 2018, and the results of its operations, changes in partners' equity (deficit), and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2020, on our consideration of JDV Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering JDV Limited Partnership's internal control over financial reporting and compliance.

JDV LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE A – ORGANIZATION

JDV Limited Partnership (The Partnership) was organized in 2011 as a limited partnership to develop, construct, own, maintain, and operate a 73-unit rental apartment complex for persons of low and moderate income. The apartment complex is located in the city of Lafayette, Louisiana, and is currently known as Uptown Lofts. Each building of the apartment complex has qualified and been allocated low-income housing tax credits pursuant to Internal Revenue Code Section 42 (Section 42), which regulates the use of the apartment complex as to occupant eligibility and unit gross rent, among other requirements. The major activities of the Partnership are governed by the Amended and Restated Partnership Agreement and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, the state housing finance agency. Such administrative directives, rules, and regulations are subject to change by federal and state agencies. The Partnership was placed in service on December 17, 2012.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash, restricted deposits, funded reserves and all highly liquid and unrestricted and restricted debt instruments purchased with a maturity of three months or less.

Cash and Other Deposits

The Partnership has various checking and escrow accounts and other deposits at local financial institutions. Noninterest-bearing and interest-bearing accounts, in the aggregate, are insured up to \$250,000 at each financial institution by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2019, there were uninsured deposits in the amount of \$83,362.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of Accounting Pronouncement

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. ASU 2016-18 requires significant changes to the financial reporting model. The change includes presenting restricted cash or restricted cash equivalents (Restricted Deposits and Funded Reserves on the Balance Sheet) with cash and cash equivalents. The new standard is effective for the Partnership's year ended December 31, 2019 and thereafter and must be applied on a retrospective basis. The Partnership adopted the ASU effective January 1, 2019. Adoption of the ASU did not result in any reclassifications or restatements to partners' equity or net income (loss).

Property, Equipment and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of operations. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings	40 years
Furniture, Fixtures and Equipment	10 years
Site Improvements	20 years

Amortization

Organization costs are expensed as incurred. Tax credit costs will be amortized over the ten year tax credit period. As of December 31, 2019 and 2018, accumulated amortization amounted to - \$57,750 and \$49,500, respectively.

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the apartment complex. At December 31, 2019, this account was funded in an amount equal to the security deposit liability.

JDV LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Rental Income and Accounts Receivable

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenant receivable balances.

Tenant receivables are reported net of an allowance for doubtful accounts. Management's estimate of the allowance is based on historical collection experience and a review of the current status of tenant accounts receivable. It is reasonably possible that management's estimate of the allowance will change. As of December 31, 2019 and 2018, allowance for doubtful accounts is reported in the amount of \$0 and \$6,790, respectively.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reportable by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time limit. The Partnership files income tax returns in the U.S. federal jurisdiction, and various state jurisdictions. The Partnership is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2016.

FASB ASC 360, *Property, Plant, and Equipment*

FASB ASC 360, *Property, Plant, and Equipment* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Application of the impairment provisions of FASB ASC 360, *Property, Plant, and Equipment* has not materially affected the Partnership's reported earnings, financial condition or cash flows.

NOTE C – RESERVE REQUIREMENTS

Operating Reserve

The General Partner shall establish and at all times maintain an Operating Deficit Reserve account in an amount (the "Operating Reserve Amount") equal to the greater of \$260,000, or an amount equal to six (6) months of operating expenses, required debt service payments and

required reserve payments (other than the funding of the Operating Reserve Amount), which amount shall be determined in connection with the calculation of rental achievement. The Operating Reserve Amount shall be funded in full from the Investor Limited Partner contribution made pursuant to Section 3.4D of the Partnership Agreement (unless required sooner by the credit agency or first mortgage lender). The Operating Deficit Reserve account shall be held in a dual signature bank account of the Partnership requiring the signature of the General Partner and the Administrative Limited Partner (and shall not require approval of any lender). The General Partner shall be entitled to withdraw funds from such account to fund operating expenses required from time to time, any time after the operating deficit guaranty period has expired or prior thereto if the General Partner has made operating loans in the required amount set forth in Section 4.3 of the Partnership Agreement; provided, however, that the Administrative Limited Partner shall approve any expenditures from such account. Any funds withdrawn from the Operating Deficit Reserve account in accordance herewith shall be replenished out of cash flow in accordance with the priorities set forth in Section 9.2A of the Partnership Agreement. After expiration of the compliance period and to the extent permitted by the mortgage lenders, the balance of the Operating Deficit Reserve account shall be released as cash flow and distributed in accordance with Section 9.2A of the Partnership Agreement. As of December 31, 2019 and 2018, this account had a balance of \$260,000 and \$260,000, respectively.

Replacement Reserve

Commencing in the month following the month in which completion occurs, unless required by any lender, the General Partner shall set aside, in a separate Partnership bank account, a repair and replacement reserve (the “Replacement Reserve account”), to be funded on a monthly basis at an annual rate equal to the greater of (a) \$300 per apartment unit (which annual rate shall be adjusted, on January 1 of 2018 and January 1 of each fifth year thereafter, to equal the product of \$300 (or such previously adjusted amount if greater than \$300) multiplied by the consumer price index adjustment as of the adjustment date), or (b) that required by the first mortgage lender. The General Partner shall be entitled to withdraw funds from such account to fund capital expenditures and effectuate repairs and replacements required from time to time; provided, however, that the Administrative Limited Partner shall approve any expenditures from such account, either in an approved annual budget for the apartment complex or, if not so approved, upon the request of the General Partner. For the year ended December 31, 2019, \$23,826 was required to be funded to the Replacement Reserve account. The actual amount funded during the year ended December 31, 2019 was \$21,900, which resulted in the account being underfunded by \$1,926 for the year ended December 31, 2019. For the year ended December 31, 2018, \$23,826 was required to be funded to the Replacement Reserve account. The actual amount funded during the year ended December 31, 2018 was \$5,475, which resulted in the account being underfunded by \$18,351 for the year ended December 31, 2018. As of December 31, 2019, the account was underfunded by a total amount of \$27,137. As of December 31, 2019 and 2018, this account had a balance of \$37,630 and \$50,118, respectively.

**Independent Auditors' Report on Internal Control
Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance With *Government Auditing Standards***

To the Partners and Management of
JDV Limited Partnership
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of JDV Limited Partnership, which comprise the balance sheet as of December 31, 2019, and the related statements of operations, changes in partners' equity (deficit), and cash flows for the year ended December 31, 2019, and the related notes to the financial statements, and have issued our report thereon dated February 28, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered JDV Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of JDV Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of JDV Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of JDV Limited Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether JDV Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of JDV Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering JDV Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
