INDEPENDENT AUDITORS' REPORT

To the Partners and Management
of St. Antoine Gardens, Limited Partnership
Lafayette, Louisiana

We have audited the accompanying financial statements of St. Antoine Gardens Limited Partnership (a Louisiana Limited Partnership), which comprise the balance sheets as of December 31, 2018 and 2017 and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. Antoine Gardens Limited Partnership as of December 31, 2018 and 2017, and the results of its operations, changes in partners' equity (deficit) and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 14, 2019, on our consideration of St. Antoine Gardens Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Antoine Gardens Limited Partnership's internal control over financial reporting and compliance.

ST. ANTOINE GARDENS LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE A – ORGANIZATION

St Antoine Gardens Limited Partnership (the Partnership) was organized in 2005 as a limited partnership to acquire, construct, own, finance, lease, and operate a qualified low income 30-unit single family housing rental development (the development). The development is known as St. Antoine Gardens and is located in Lafayette, Louisiana. All units of the development are rented under the requirements of Section 42 of the Internal Revenue Code (low-income housing tax credit), whereby rental rates and tenant income will be limited to certain amounts. The major activities of the Partnership are governed by the Amended and Restated Articles of Partnership in Commendam (the “Partnership Agreement”) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, the state housing finance agency. Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with U. S. generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash and all highly liquid and unrestricted debt instruments purchased with a maturity of three months or less.

Cash and Other Deposits

At December 31, 2018, the Partnership maintains deposit accounts at various financial institutions. Noninterest-bearing and interest-bearing accounts, in the aggregate, are insured up to \$250,000 at each financial institution by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2018, there were no uninsured deposits.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Collateralization Policy for Financial Instruments

The Partnership does not require collateral to support financial instruments subject to credit risk.

Property, Equipment, and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings	40 years
Furniture, Fixtures and Equipment	10 years
Site Improvements	20 years

Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of operations.

Amortization

Organization costs are expensed as incurred. Tax credit costs are amortized over the ten-year tax credit period using the straight-line method beginning in the first year in which tax credits are taken. For the years ended December 31, 2018 and 2017, accumulated amortization totaled \$22,469 and \$22,469.

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the development. At December 31, 2018, this account was funded in an amount equal to the security deposit liability.

Rental Income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tenants Accounts Receivable and Bad Debts

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Tenants' accounts receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenants' accounts receivable balances. As of December 31, 2018 and 2017, tenant receivables are reported net of an allowance for doubtful accounts in the amount of \$1,690 and \$849, respectively. Management's estimate of the allowance is based on historical collection experience and a review of the current status of tenant accounts receivable. It is reasonably possible that management's estimate of the allowance will change.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reported by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time limit. The Partnership files income tax returns in the U.S. federal jurisdiction, and various state jurisdictions. The Partnership is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2015.

FASB ASC 360, Property, Plant, and Equipment

FASB ASC 360, *Property, Plant, and Equipment* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Application of the impairment provisions of FASB ASC 360, *Property, Plant, and Equipment* has not materially affected the Partnership's reported earnings, financial condition or cash flows.

Operating Reserve

In accordance with the Partnership Agreement, the Partnership shall establish an operating reserve account (the Operating Reserve) to fund any operating and debt service deficits as approved by the Limited Partner. As of December 31, 2018 and 2017, the Operating Reserve Account was funded in the amount of \$97,670 and \$97,626, respectively.

Reserve for Replacements

The Partnership Agreement requires that on a cumulative basis, in the annual amount of \$300 per unit (to be increased annually by 3%) be deposited annually into a replacement reserve during the term of the first mortgage. Such reserve shall be used for capital improvements and repairs to the

As of December 31, 2018 and 2017, the Replacement Reserve Account was funded in the amount of \$42,132 and \$70,005, respectively.

Special Purpose Reserve

The Partnership Agreement requires that a Special Purpose Reserve be established out of equity proceeds at the time of payment of the fourth Installment for payment of Project real estate taxes in the event that (a) the Project real estate tax abatement is no longer made available or (b) the Project real estate taxes exceed the amount indicated in projections. The Special Purpose Fund shall be increased by cash flow to the target amount of \$24,000, which amount shall be maintained during the compliance period. As of December 31, 2018 and 2017, the balance in this account was \$24,708 and \$26,285, respectively.

**Independent Auditors' Report on Internal Control
Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Partners and Management of
St. Antoine Gardens Limited Partnership,
A Louisiana Partnership in Commendam
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Antoine Gardens Limited Partnership, A Louisiana Partnership in Commendam (ALPIC), which comprise the balance sheet as of December 31, 2018, and the related statements of operations, partners' equity (deficit) and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 14, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered St. Antoine Gardens Limited Partnership, ALPIC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Antoine Gardens Limited Partnership, ALPIC's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Antoine Gardens Limited Partnership, ALPIC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of St. Antoine Gardens Limited Partnership, ALPIC's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether St. Antoine Gardens Limited Partnership, ALPIC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of St. Antoine Gardens Limited Partnership, ALPIC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Antoine Gardens Limited Partnership, ALPIC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
