For procedure k), the Board's written procedures did not address periodic testing or verification that backups can be restored, the use of antivirus software, or identification of personnel, processes, and tools needed to recover operations after a critical event.

Annual Fiscal Report (AFR)

2. Obtain the financial statements from the AFR submitted to the Division of Administration's (DOA) Office of Statewide Reporting and Accounting Policy for the current and prior periods. Perform analytical procedures comparing current and prior period amounts, by line item. Report any variances of 10% or greater for line items that are 10% or more of the respective total assets/deferred outflows of resources, liabilities/deferred inflows of resources, net position, revenues, or expenses, and management's explanation of the variance.

Results:

We obtained the 2025 and 2026 submitted AFRs and performed the analytical procedures described above. We noted that there were variances of more than 10% for the following line items:

- *Cash decreased by \$17,107, or 25.4%, primarily due to expenses exceeding revenues before the effects of current-year pension and OPEB-related adjustments*
- *Pension deferred outflows increased by \$7,833, or 36.0%, primarily due to changes in actuarial assumptions and related pension calculation.*
- *OPEB deferred outflows decreased by \$1,726, or 11.1%, primarily due to changes in actuarial assumptions and related OPEB calculation.*
- *Net pension liability decreased by \$13,664, or 10.5%, primarily due to changes in actuarial assumptions and related pension calculation.*

Board Meetings/Minutes

3. Obtain and inspect the board minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and:
 - a) Observe that the board met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, or other equivalent document.
 - b) Observe that the minutes referenced or included monthly budget-to-actual comparisons.
 - c) Access the entity's online information included in the DOA's boards and commissions database (<https://wwwcfprd.doa.louisiana.gov/boardsandcommissions/home.cfm>) and observe that the entity submitted board meeting minutes for all meetings during the fiscal period.

Results:

Procedures performed without exception.

Bank Reconciliations

4. Obtain a listing of bank accounts for the fiscal period from management and management's representation that the listing is complete. For each of the bank accounts in the listing provided by management, obtain bank statements and reconciliations for all months in the fiscal period and observe that:
 - a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged).
 - b) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged).
 - c) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 6 months at the statement closing date.
 - d) The reconciled balance for the final month of the fiscal period agrees to the general ledger.

Results:

Procedures (a) and (d) were performed without exception. For procedure (b), there was no evidence that the bank reconciliations were reviewed and approved by an appropriate member of management or the Board who was independent of the reconciliation process. For procedure (c), management did not maintain documentation reflecting its research of reconciling items that had been outstanding for more than six months.

Receipts/Collections

5. Obtain and inspect written policies and procedures relating to employees' job duties (if no written policies or procedures, inquire of employees about their job duties), and observe that job duties for collections are properly segregated such that:
 - a) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts or license applications received) to the deposit.
 - b) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
 - c) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source are not responsible for collecting cash, unless another employee verifies the reconciliation.

Results:

The Board has one full-time employee who performs all of the job duties for receipts / collections. Accordingly, these duties are not properly segregated.

6. Inquire of management that all employees who have access to cash are covered by a bond or insurance policy for theft.

Results:

Procedure performed without exception.

7. Randomly select 5 deposit dates for each of the bank accounts (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). *Alternately, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc.* Obtain supporting documentation for each of the 5 deposits for each bank account and:
 - a) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
 - b) Trace the deposit slip total to the actual deposit per the bank statement.
 - c) Observe that the deposit was made within one business day of collection (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).

d) Trace the actual deposit per the bank statement to the general ledger.

Results:

Procedures performed without exception.

8. Obtain and inspect written policies and procedures (if no written policies and procedures, inquire to management) and observe that there is a process performed to determine completeness of all collections, including electronic transfers, for each revenue source (e.g. periodic confirmation with outside parties, reconciliation of receipt number sequences, reasonableness of cash collections based on licenses issued) by a person who is not responsible for collections.

Results:

There is a process to determine the completeness of all collections; however, this procedure is not performed by a person who is not responsible for collections.

9. For licensing boards, obtain a list of initial and renewal licenses granted during the period from management and management's representation that the listing is complete. Randomly select 10 individual applicants from the listing and obtain the supporting documentation (e.g. application, copy of check) from management and:
 - a) Observe that the fee paid for license was the appropriate fee based on the applicable fee schedule established by the board or statute.
 - b) If a penalty was assessed (e.g. late fee), observe that the penalty was assessed and collected in accordance with the board's policies.

Results:

Procedures performed without exception.

10. For licensing boards, obtain and inspect the board's written policies and procedures for granting licenses (if no written policies and procedures, inquire to management) and observe that there is a process performed to ensure licensees meet the licensure requirements established by the board or statute, as applicable. For the 10 individual applicants selected in the previous step that were granted initial or renewal licenses during the period, request the supporting documentation (e.g. licensee file) from management and:
 - a) Observe that the board followed the established process to issue or renew the license.
 - b) Observe the documentation contains evidence that the licensee meets or continues to meet (if renewal) the licensure requirements established by the board or statute, as applicable.
 - c) Observe that the license was granted or approved by the board or the designated board member(s), as applicable.

Results:

Procedures performed without exception.

11. For levee districts, obtain independent confirmation of the tax amounts received from the appropriate parish Sheriff's offices. Observe that the confirmed amount agrees to the amount deposited by levee district.

Results:

Not applicable.

Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

12. Obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employees' job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
- a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
 - b) At least two employees are involved in processing and approving payments to vendors.
 - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
 - d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.

Results:

The Board has one full-time employee who performs all of the job duties for non-payroll disbursements. Accordingly, these duties are not properly segregated.

13. Obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements which are addressed in separate sections below) and obtain management's representation that the population is complete. Randomly select 5 disbursements, obtain supporting documentation (e.g. purchase requisition, invoices, receipts, receiving slips) for each transaction and:
- a) Observe that the disbursement matched the related original invoice/billing statement.
 - b) Observe that the disbursement documentation included evidence (e.g. initial/date, electronic logging) of segregation of duties tested under #12, as applicable.

Results:

Procedures performed without exception.

Credit Cards/Debit Cards/Fuel Cards/P-Cards

14. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete. Randomly select 2 monthly statements or combined statements for each card (for a debit card, randomly select 2 monthly bank statements), obtain supporting documentation, and:
- a) Observe that there is evidence that the monthly statement or combined statement and supporting documentation (e.g. original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing (or electronically approved), by someone other than the authorized card holder.
 - b) Observe that finance charges and late fees were not assessed on the selected statements.

Results:

Not applicable. The Board does not maintain any credit or debit cards.

15. Obtain supporting documentation for all transactions included on the monthly statements or combined statements selected in #14 above. For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Results:

Not applicable. The Board does not maintain any credit or debit cards.

Travel and Travel-Related Expense Reimbursements (excluding card transactions).

16. Obtain from management a listing of all travel and travel-related expense reimbursements paid to employees and board members during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:
- a) If reimbursed using a per diem, agree the reimbursement rate to those rates established either by the State of Louisiana in PPM49 (<https://www.doa.la.gov/pages/osp/travel/TravelPolicy.aspx>) or the U.S. General Services Administration (www.gsa.gov).
 - b) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.
 - c) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1h).

- d) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Results:

Procedures performed without exception.

Contracts

- 17. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. *Alternately, the practitioner may use an equivalent selection source, such as an active vendor list.* Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
 - a) Observe that the contract was bid in accordance with the Louisiana Procurement Code or the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
 - b) Observe that the contract was approved by the governing body/board, if required by policy.
 - c) If the contract was amended (e.g., change order), observe that the original contract terms provided for such an amendment.
 - d) Randomly select one payment from the fiscal period for each of the 5 contracts, obtain the supporting invoice, agree the invoice to the contract terms, and observe that the invoice and related payment agreed to the terms and conditions of the contract.

Results:

Procedures performed without exception.

Payroll and Personnel

- 18. Obtain a listing of employees employed during the fiscal period, and management's representation that the listing is complete. Randomly select 5 employees (or select all employees if less than 5), obtain related paid salaries and personnel files, and agree paid salaries to authorized salaries/pay rates in the personnel files.

Results:

Procedure performed without exception.

19. Randomly select 2 pay periods during the fiscal period. For the employees selected under #18 above, obtain attendance records and leave documentation for the pay period, and:
- a) Observe that all selected employees documented their daily attendance and leave (e.g., vacation, sick, compensatory).
 - b) Observe that supervisors approved the attendance and leave of the selected employees.
 - c) Observe that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records.

Results:

Procedures performed without exception.

20. Obtain a listing of those employees that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select 2 employees, obtain related documentation of the hours and pay rates used in management's termination payment calculations, agree the hours to the employees' cumulative leave records, and agree the pay rates to the employees' authorized pay rates in the employees' personnel files.

Results:

Not applicable. There were no termination payments during the fiscal period.

Re: FY 2026 Agreed-Upon Procedures Schedule of Findings

Dear Mr. Furman,

In response to the above referenced Schedule of Findings, the Louisiana Board of Examiners of Certified Shorthand Reporters acknowledges the finding and agrees to take the following corrective actions.

2026-1 Written Policies and Procedures

Obtain and inspect the entity's written policies and procedures and observe that they address each of the following categories and subcategories, as applicable:

- a) *Budgeting*, including preparing, adopting, monitoring, and amending the budget.
- b) *Purchasing*, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the public bid law or state purchasing rules and regulations, as applicable to the entity; and (5) documentation required to be maintained for all bids and price quotes.
- c) *Disbursements*, including processing, reviewing, and approving.
- d) *Receipts/Collections*, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue (e.g. periodic confirmation with outside parties, reconciliation of receipt number sequences, reasonableness of cash collections based on licenses issued).
- e) *Payroll/Personnel*, including (1) payroll processing, and (2) reviewing and approving time and attendance records, including leave and overtime worked.
- f) *Contracting*, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.
- g) *Credit Cards (and debit cards, fuel cards, P-Cards, if applicable)*, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers

of statements, and (5) monitoring card usage (e.g. determining the reasonableness of fuel card purchases).

- h) *Travel and expense reimbursement*, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, (4) timeframe in which requests must be submitted and (5) required approvers.
- i) *Ethics*, including (1) the prohibitions as defined in Louisiana Revised Statute (R.S.) 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) requirement that all employees annually attest through signature verification that they have read the entity's ethics policy.
- j) *Debt Service*, including (1) debt issuance approval, (2) continuing disclosure/EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.
- k) *Disaster Recovery/Business Continuity*, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing/verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches/updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.

Results:

The Board did not have purchasing, disbursements, receipts/collections, contracting, travel and expense reimbursement, or ethics policies. For procedure k), the Board's written procedures did not address periodic testing or verification that backups can be restored, the use of antivirus software, or identification of personnel, processes, and tools needed to recover operations after a critical event.

Management Corrective Action: *I agree with the findings and the board will take action in developing written policies and procedures.*

2026-2 Bank Reconciliations

Obtain a listing of bank accounts for the fiscal period from management and management's representation that the listing is complete. For each of the bank accounts in the listing provided by management, obtain bank statements and reconciliations for all months in the fiscal period and observe that:

- a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged).
- b) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged).
- c) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 6 months at the statement closing date.
- d) The reconciled balance for the final month of the fiscal period agrees to the general ledger.

Results:

Procedures (a) and (d) were performed without exception. For procedure (b), there was no evidence that the bank reconciliations were reviewed and approved by an appropriate member of management or the Board who was independent of the reconciliation process. For procedure (c), management did

not maintain documentation reflecting its research of reconciling items that had been outstanding for more than six months.

Management Corrective Action: *I agree with the findings and the board will take action in correcting these findings and done timely.*

2026-3 Receipts/Collections

Obtain and inspect written policies and procedures relating to employees' job duties (if no written policies or procedures, inquire of employees about their job duties), and observe that job duties for collections are properly segregated such that:

- a) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts or license applications received) to the deposit.
- b) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
- c) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source are not responsible for collecting cash, unless another employee verifies the reconciliation.

Results:

The Board has one full-time employee who performs all of the job duties for receipts / collections. Accordingly, these duties are not properly segregated.

Management Corrective Action: *I agree with the findings. The board only has (1) full-time employee and performs all duties.*

2026-4 Receipts/Collections

Obtain and inspect written policies and procedures (if no written policies and procedures, inquire to management) and observe that there is a process performed to determine completeness of all collections, including electronic transfers, for each revenue source (e.g. periodic confirmation with outside parties, reconciliation of receipt number sequences, reasonableness of cash collections based on licenses issued) by a person who is not responsible for collections.

Results:

There is a process to determine the completeness of all collections; however, this procedure is not performed by a person who is not responsible for collections.

Management Corrective Action: *I agree with the findings. The board only has (1) full-time employee and performs all duties.*

2026-5 Non-Payroll Disbursements

Obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employees' job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:

- a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
- b) At least two employees are involved in processing and approving payments to vendors.
- c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
- d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.

Results:

The Board has one full-time employee who performs all of the job duties for non-payroll disbursements. Accordingly, these duties are not properly segregated.

Management Corrective Action: *I agree with the findings. The board only has (1) full-time employee and performs all duties.*

Sincerely,

Victoria Nhung Nguyen
