Independent Auditors' Report

Board of Directors Covenant House New Orleans

We have audited the accompanying consolidated financial statements of Covenant House New Orleans (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Covenant House New Orleans as of June 30, 2017, and the consolidated changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Covenant House New Orleans' June 30, 2016 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 19, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016 is consistent in all material respects, with the audited consolidated financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Director, on page 20 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, on page 21 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2017 on our consideration of Covenant House New Orleans' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Covenant House New Orleans' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Covenant House New Orleans' internal control over financial reporting and compliance.

1. Organization and Nature of Activities

Covenant House New Orleans (the "Organization"), a not-for-profit organization, is an operating affiliate of Covenant House (the "Parent"), a New York-based organization. The Organization provides shelter, residential services, community services, and outreach services to youth in the New Orleans area. Covenant House (Parent), is a not-for-profit organization founded in 1968 and incorporated in 1972. Covenant House (Parent) and affiliates (collectively "Covenant House"), provided shelter, food, clothing, medical attention, crisis intervention, public education and prevention, and other services that reached approximately 80,000 young people during fiscal 2017.

In fiscal 2016, Covenant House provided shelter, food, clothing, medical attention, crisis intervention, and other services to approximately 47,000 runaway and homeless. The increase from 2016 to 2017 is due to the inclusion of our Public Education and Prevention programs.

In February 2004, Covenant Landscaping, LLC was formed to limit liability under the Organization's White Dove Landscaping program. Covenant House New Orleans is the sole member of Covenant Landscaping, LLC, which is considered a disregarded entity for tax purposes. Covenant Landscaping, LLC, otherwise known as White Dove Landscaping, provides the Organization with a landscaping and lawn maintenance business that serves as a job training program for at-risk youth.

The Organization is affiliated with the following not-for-profit organizations through common control.

- Covenant House Alaska
- Covenant House California
- Covenant House Chicago
- Covenant House Connecticut
- Covenant House Florida
- Covenant House Georgia
- Covenant House Illinois
- Covenant House Michigan
- Covenant House Missouri

- Covenant House Western Avenue
- Covenant House Testamentum
- Covenant House Holdings, LLC
- Covenant International Foundation
- Rights of Passage, Inc.
- Under 21 Boston, Inc.
- 268 West 44th Corporation

Covenant House is also the sole member of Covenant International Foundation ("CIF"), a not-for-profit corporation, and Covenant House, together with CIF, represent the controlling interest of the following international not-for-profit affiliates:

- Asociacion La Alianza (Guatemala)
- Casa Alianza de Honduras
- Casa Alianza Internacional
- Casa Alianza Nicaragua
- Covenant House Toronto
- Covenant House Vancouver
- Fundacion Casa Alianza Mexico, I.A.P

1. Organization and Nature of Activities (*continued*)

Covenant House is the founder of Fundación Casa Alianza México, I.A.P.

The Organization has been determined to be a not-for-profit organization exempt from federal and state income taxes under Section 501(c)(3) of the United States Internal Revenue Code.

Components of Program and Supporting Services

Program Services

Shelter and Crisis Care

The Shelter and Crisis Care program provides shelter, food, clothing, counseling, cash management, physical and behavioral health, job readiness and placement to runaway homeless and at-risk youth, 22 and under.

Outreach

The Outreach program is an effort to reach youths who would otherwise not find their way to the Crisis Center. Outreach teams cruise the city streets, searching for these youths and providing them with food, a trained counselor and a safe ride to our shelter.

Mother/Child

The Mother/Child program provides emergency shelter, food and counseling to homeless mothers (22 and under) and their children.

Medical Services

Medical services include basic medical services, referrals, HIV testing, mental health and counseling.

Community Service Center

The Community Service Center provides comprehensive services to former Covenant House youth, and other youths in the community who need support to maintain themselves in stable living situations. Within this program, the Organization also provides counseling and intervention services, and work-related instruction and experience through the White Dove Landscaping program. The Organization's partners in service include Tulane Medical Center's Adolescent drop-in clinic, and Catholic Charities Archdiocese of New Orleans Head Start Program.

Public Education

The Public Education program informs and educates the public on how to identify potential "runaway" and "throwaway" adolescents, the public and private resources available to help such adolescents before they leave home and the public support services available to these families to improve their home environment.

Rights of Passage

The Rights of Passage program provides transitional living services to youths for up to 24 months, including individual counseling and help with their education and finding jobs and ultimately long term housing.

1. Organization and Nature of Activities (*continued*)

Components of Program and Supporting Services (continued)

Supporting Services

Management and General

Management and general services include administration, finance and general support activities. Certain administrative costs that relate to specific programs have been allocated to those programs.

Fundraising

Development services relate to the activities of the development program in raising general and specific contributions.

Direct Benefit-to-Donor Costs

Direct benefit-to-donor are costs incurred in conjunction with items such as meals and entertainment benefiting attendees of special events.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly actual results could differ from those estimates.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Covenant House New Orleans and Covenant Landscaping, LLC. All significant intercompany transactions and balances have been eliminated in consolidation.

Net Asset Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. It is the Organization's policy to record temporarily restricted contributions received and expended in the same accounting period in the unrestricted net asset class activity. Permanently restricted net assets represent those resources that have been designated by the donor to be held and invested in perpetuity. There were no permanently restricted net assets as of June 30, 2017 and 2016.

2. Summary of Significant Accounting Policies (continued)

Revenue Recognition

Revenue is recognized as services are performed or expenditures are incurred under the Organization's contracts with its clients and funders.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Fair Value of Financial Instruments

The Organization follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

Investments are carried at fair value in the consolidated statement of financial position. Interest, dividends, realized and unrealized gains and losses on the sale of investments are included in the consolidated statement of activities. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of change in net assets.

Beneficial Interest in Assets Held by Others

During fiscal year 2005, the Organization transferred \$250,000 of its cash reserves to four foundations to establish endowment funds. The agreement with each foundation designated the Organization as beneficiary and states that the transfer is irrevocable and that transferred assets will not be returned. The Organization values these investments based on quarterly statements received from the respective foundations. In addition, the foundations will make annual distributions of the income earned on the endowment funds, subject to their respective spending policies.

2. Summary of Significant Accounting Policies *(continued)*

Beneficial Interest in Assets Held by Others (continued)

The agreements also grant variance power, that is, permit each foundation to substitute another beneficiary, if the Organization ceases to exist, or the foundation's governing board votes that supporting the Organization is no longer necessary or is inconsistent with the needs of the community. The Organization recognizes the transfer as reciprocal, and therefore not a contribution, but as a beneficial interest in assets held by others and a component of its board designated endowment.

Property and Equipment

The Organization follows the practice of capitalizing all expenditures for property, building and equipment with a cost in excess of \$500. Property and equipment are reported at cost at the date of acquisition or at fair value at the date of donation. Building improvements are capitalized, whereas minor costs of repairs and maintenance are expensed as incurred.

Depreciation is computed on the straight-line basis over the estimated useful lives of the assets, which range from 3 to 33 years. Leasehold improvements are amortized on the straight-line basis over the lesser of the term of the lease or their estimated useful lives.

Contributions and Pledges Receivable

Contributions to the Organization are recorded as revenue upon the receipt of an unconditional pledge or of cash or other assets. Contributions are considered available for unrestricted use, unless the donors restrict their use. Contributions to be received after one year are discounted at an interest rate commensurate with the risk involved. An allowance for uncollectible pledges receivable is provided using management's judgment of potential defaults, which considers factors such as prior collection history, type of contribution and the nature of fundraising activity. Contribution revenue is recognized based on the present value of the estimated future payments to be made to the Organization.

The Organization has been named the beneficiary and owner of a \$75,000 life insurance policy which has a cash surrender value. The policy is recognized at fair value and is included in contributions receivable in the accompanying consolidated statement of financial position. The cash surrender value of approximately \$22,200 and \$16,600 at June 30, 2017 and 2016 is included in other assets.

Allowance for Doubtful Accounts

The Organization maintains an allowance for doubtful accounts for estimated losses that may result from the inability of its customer or donor to make required payments. Such allowances are based upon several factors including, but not limited to, historical experience and the financial condition of the customer or donor. Uncollectible accounts are written off based upon the amount of time they have been outstanding and management's expected collectability.

2. Summary of Significant Accounting Policies (*continued*)

Donated Goods and Services

Donated goods consist of items received by the Organization and awarded as prizes during the auctions held in relation to special events. These amounts are recorded as both revenue and expense at their estimated fair values at the date of receipt. The Organization recognizes the fair value of donated services which create or enhance nonfinancial assets, or require specialized skills provided by individuals possessing those skills and would typically be purchased if not provided by donation. Contributed services which do not meet these criteria are not recognized as revenue and are not reported in the accompanying consolidated financial statements.

Impairment of Long-Lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. There were no such impairment for the years ended June 30, 2017 and 2016.

Advertising Costs

Advertising costs are expensed as incurred.

Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Organization had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Organization is no longer subject to examinations by the applicable taxing jurisdictions for years prior to June 30, 2014.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and recognition in the consolidated financial statements through the date that the consolidated financial statements were available to be issued, which date is November 30, 2017.

3. Receivables

Grants Receivable

All grants receivable as of June 30, 2017 are expected to be collected within one year.

Contributions Receivable

Contributions receivable primarily consists of promises to give related to the Organization's Rights of Passage Program and a life insurance policy. Those receivables that are due in more than one year have been discounted to their present value using a discount rate of 4.25% - 6.75%. Contributions receivable as of June 30, are due as follows:

	<u>2017</u>	<u>2016</u>
Within one year	\$ 233,316	\$ 24,968
More than five years	<u>75,000</u>	<u>75,000</u>

Thereafter		<u>16,324</u>
	\$	<u>94,608</u>

Government Grants

In accordance with the terms of certain government grants, the records of the Organization are subject to audit for varying periods after the date of final payment of the grants. The Organization is liable for any disallowed costs; however, management believes all costs to be allowable. Government grants totaled \$1,203,508 and \$1,039,207 for the years ended June 30, 2017 and 2016.

7. Related Party Transactions

The Parent provides financial support as well as management and organizational support for its affiliated organizations. The Parent conducts fundraising activities for its own programs and the programs of the affiliates. Contributions and promises to give totaled approximately \$66 million and \$64.3 million for the Parent in the years ended June 30, 2017 and 2016. Contributions received from the Parent are generally not specifically restricted by donors to specific affiliates.

The Parent combines contributions received from individuals, corporations and foundations plus a Parent subsidy and appropriates funds classified as "Branding Dollars" or "Contributions Received from Parent" to each Covenant House affiliate. Total funds allocated to affiliates, based on the Parent's policy, approximated \$36 million and \$33.6 million for the years ended June 30, 2017 and 2016. For the years ended June 30, 2017 and 2016, the Organization received \$1,627,000 and \$1,817,000 and in contributions from the Parent.

During May of 2016 the Organization provided the Parent with \$800,000 for short term financing at an annual interest rate of 1.61%. The outstanding balance was repaid on June 29, 2016. Interest income was \$1,136 for the year ended June 30, 2016.

9. Temporarily Restricted Net Assets

Temporarily restricted net assets consist of purpose restricted contributions as follows:

	2017	2016
Program core support	\$ 425,150	\$ 192,100
Other programs	20,411	19,082
	\$ 445,561	\$ 211,182

Net assets released from restrictions by incurring expenses satisfying the restricted purposes during the years ended June 30, are as follows:

	2017	2016
Program core support	\$ 189,793	\$ 226,752

Covenant House New Orleans

10. Board Designated Endowment Funds

As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization's endowment funds have not been donor-restricted for specific programs and are expendable for unrestricted purposes following board appropriation subject to a standard of prudence.

During fiscal year 2014, the Organization agreed to pool a significant portion of its board designated reserves with that of Covenant House International and its investment advisor to garner greater returns through economies of scale.

During 2010 the State of Louisiana adopted its version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), which governs endowment spending of charitable institutions. The Organization classifies donor-restricted endowment funds as permanently restricted net assets, unless otherwise stipulated by the donor. Board designated or permanently restricted net assets represent (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts donated to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the funds. According to UPMIFA, the ordinary income of an endowed fund may be distributed annually. While UPMIFA does not place limitations on what can be distributed when market conditions are favorable, it does limit what can be distributed if the current value is near or below the Historical Dollar Value – defined as the aggregate of original, subsequent and accumulation contributions. In utilizing the appreciation in value of the endowments for distributions, the Organization follows the provisions of the Louisiana Uniform Prudent Management of Institutional Funds Act ("LUPMIFA") of 2010.

In accordance with LUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor restricted or board designated endowment funds – the purpose, duration, and preservation of the endowment fund; expected total return on investments; general economic conditions; the possible effects of inflation and deflation; other resources, and the investment policy of the Organization.

The Organization has adopted investment management and spending policies for endowment assets that support the objective of providing a sustainable and increasing level of endowment income distribution to its activities while seeking to maintain the purchasing power of the endowment assets. The Organization's primary investment objectives are to maximize total return within reasonable and prudent levels of risk while maintaining sufficient liquidity to meet disbursement needs and ensure preservation of capital.

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy that achieves a return through a combination of current income and capital appreciation, without regard to an emphasis on either, recognizing that changes in market conditions and interest rates will result in varying strategies in an attempt to optimize results. The Organization believes that the decision to pool its investments with the Parent affiliate meets its long-term investment objectives.

Covenant House New Orleans

Notes to Consolidated Financial Statements June 30, 2017

10. Board Designated Endowment Funds *(continued)*

Changes in net assets for the Organization's board designated endowment funds for the years ended June 30, are as follows:

	<u>2017</u>	<u>2016</u>
Balance, beginning of year	\$ 2,017,154	\$ 1,793,143
Contributions	274,629	300,000

Appropriation for expenditures	(9,502)	(9,441)
Fees	<u>(3,084)</u>	<u>(2,609)</u>
Balance, end of year	<u>\$ 2,494,967</u>	<u>\$ 2,017,154</u>

11. Pension Plan

Effective January 1, 2007, the Parent adopted a defined contribution 403(b) savings and retirement plan. Employees are immediately eligible to participate in the plan. Employees who work at least 1,000 hours per year are eligible to receive an employer contribution. The Organization makes annual contributions into the plan on behalf of employees ranging from 1% to 9% of employee compensation and are determined using a formula based on points, which equal the sum of age and years of service. Employer contributions to the plan are 100% vested after employees have completed three years of service. Total expense related to the 403(b) plan was \$102,603 and \$91,655 for the years ended June 30, 2017 and 2016.

The Defined Benefit Plan (the Plan) sponsored by Covenant House International has a minimum required contribution for the 2015 Plan year, which is payable in 2017 and 2016. The Plan included employees of the Parent and participating Covenant House affiliates who met the Plan eligibility criteria prior to the closure of the Plan to new participants on December 31, 2006. The liability is related to retirement benefits earned by participants in the Plan prior to the Plan freeze on July 31, 2009. The Organization paid its allocated contribution based on its proportionate value of benefits payable for both 2017 and 2016 amounting to \$72,000 and \$64,000 during fiscal year 2017.

12. Concentration of Credit Risks

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash, cash equivalents and receivables from contracts. The Organization maintains its cash in bank deposit accounts which generally exceed federally insured limits. The Organization has not experienced any losses in such accounts.

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2017

1. Basis of Presentation

The Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Covenant House New Orleans (the "Organization") under programs of the federal government for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not represent the financial position, changes in net assets or cash flows of the Organization.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented when available.

3. Indirect Cost Rate

The Organization has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

4. Nonmonetary Assistance

For the year ended June 30, 2017, the Organization received no nonmonetary assistance.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed
in Accordance With *Government Auditing Standards***

Independent Auditors' Report

**Board of Directors
Covenant House New Orleans**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Covenant House New Orleans (the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 30, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited Covenant House New Orleans' (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2017. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
