Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. Mary Community Action Committee Association, Inc. as of March 31, 2021, and the activities and changes in its net assets, functional expenses, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting

The accrual basis of accounting is generally used by the Association.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Support and Revenues

A significant portion of the Association's support and revenue is in the form of grants and contributions from governmental agencies and other groups. Contributions are generally reported as support with donor restrictions, if they are received with donor stipulations. Significant grants are also accounted for as support with donor restrictions if the value received by the grant provider is only incidental to the public benefit provided by use of the grant funds. When the stipulations of the grantor or donor are met, then these assets are reclassified as unrestricted and reported in the statement of activity and changes in net assets as net assets released from restrictions. The Association receives some grants which would normally be accounted for as support with donor restrictions. However, when the Association meets grantor restrictions in the same year as the grant funds are received, these grants are reported as unrestricted.

Expenses

Assets or expenses and their related liabilities are recorded when the related goods or services are received by the Association.

Utilization of Contributed Goods, Services or Facilities

In general contributed goods and facilities that meet the proper criteria are recorded as items of support or revenue with a like amount recorded as an expense or an asset upon receipt at fair market value.

In accordance with FASB Accounting Standards Codification, contributions of services shall be recognized only if the services received a) create or enhance nonfinancial assets or b) require specialized skills and the person providing the service possesses the specialized skill.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Fixed Assets

Purchased furniture, fixtures, and other equipment are valued at their actual cost or estimated cost. Contributed items are valued at their estimated fair market value at the date of the contribution. Fixed assets are depreciated over their estimated useful lives on the straight-line basis.

Fixed assets purchased with grantor funds may need to be used for a specific purpose or time period and returned to the grantor, sold or retained by the organization in accordance with the respective grant agreements upon program completion. The Association accounts for the acquisition of fixed assets in one of two ways depending upon grantor restriction as shown below:

1. If the grantor does not stipulate the use, timeframe, and disposition of the fixed assets then the Association records fixed assets as unrestricted support when the assets are placed in service.
2. If the grantor specifies a particular use but no timeframe it is the Association's policy to record the fixed assets as restricted support and increase net assets with donor restrictions. The Association then records depreciation over the asset's useful life and net assets are periodically reclassified from with donor restrictions to without donor restrictions as the asset is depreciated.

Funds received that are restricted to the construction of fixed assets are reported as restricted support that increase net assets with donor restrictions, those restrictions expire when the construction is complete and the fixed assets are placed into service, at which time they are accounted for as described in 1 or 2 above.

Compensated Absences

Compensation is paid to employees absent from work due to illness or vacation. An accrual is made for the amount of compensation the employees will receive in the future based upon services performed through March 31, 2021. The amount accrued at March 31, 2021 is approximately \$86,000.

Net assets

In accordance with the FASB Accounting Standards Codification, the Association must report net assets in each of the following two classes:

- a. net assets with donor restrictions - net assets in this category are restricted by grantor or donor imposed stipulations. Some donor restrictions are temporary in nature; these restrictions will either expire by passage of time or can be fulfilled and removed by actions of the organization.
- b. net assets without donor restrictions - net assets in this category are not restricted by grantor or donor imposed restrictions.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

The Association has net assets with donor restrictions and net assets without donor restrictions.

The net assets with donor restrictions result from grants or donations received with restrictions that expire when those grantor or donor imposed stipulations have been met. Once the stipulation related to the restriction has been met these net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and cash equivalents

For purposes of the Statement of Cash Flows, the Association considers all cash in non-interest bearing checking accounts and cash on hand to be cash and cash equivalent accounts.

Income Tax Status

The Association operates as a not-for-profit organization which has obtained a favorable tax determination letter from the IRS dated July 3, 1995 stating the Association is qualified, under Section 501 (c) (3) of the Internal Revenue Code. Once qualified the Association is required to operate in conformity with the code to maintain its qualification. Management believes the Association is currently operated in compliance with the applicable requirements of the code. Therefore no provision for income tax has been included in the Association's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Association and recognize a tax liability (or asset) if the Association has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Association is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Association is no longer subject to income tax examination for years ended March 31, 2017 and prior.

NOTE 2 – REAL ESTATE OPERATIONS

In prior years the Association received grants through the Louisiana Housing Corporation (LHC) from HUD. The grants were used to purchase property and construct four homes.

It was the intent of the Association and its funding grantors to make the sales price of the homes affordable to lower income buyers by recovering only a portion of the costs of the homes and the land.

In the past one of the homes was sold.

The Association has three remaining homes that are under rental agreements with options to purchase.

Last year the Agency received another grant through the Louisiana Housing Corporation (LHC) from HUD under the Home Investment Partnership Program (HOME) to develop and rehabilitate four additional homes. These homes are rental properties which are intended to be rented to low income individuals and families.

At March 31, 2021 all four homes were complete. The amount included in fixed assets for these completed homes is \$375,897. One of the completed homes was occupied in October 2019. The remaining three homes were occupied in January and February of 2021, depreciation for the current year on the homes is \$2,700.

The Association received a total of \$50,991 in rental revenues from these properties in 2021.

NOTE 3- LIQUIDITY AND AVAILABILITY

To help manage unanticipated liquidity needs the Agency has committed lines of credit in the amount of \$175,000. The outstanding balance on the line of credit at March 31, 2021 is zero.

Certain grant requirements restrict the use of certain fixed assets. A substantial portion of buildings and vehicles acquired with grant funds would revert to the grantor if those fixed assets would cease to be used in that program.

NOTE 5- LEASES

At March 31, 2021, the Association had three significant operating leases in effect. The leases cover the buildings in various locations used to serve recipients of the Association's services. Total rent expense related to these operating leases for the year ended March 31, 2021 totaled approximately \$10,800.

The aggregate future minimum lease payments for the three leases is approximately:

| | |
|---------------------------|-----------------|
| Year ended March 31, 2022 | <u>\$10,800</u> |
|---------------------------|-----------------|

NOTE 6 – CONTRIBUTIONS

The following in-kind contributions were received and recognized, for financial reporting purposes, by the Association during the year ended March 31, 2021:

| <u>Program</u> | <u>Contribution</u> | <u>Amount</u> |
|---|-----------------------|-----------------|
| Head Start | Education Training | \$ 200 |
| Head Start | Professional Services | <u>31,843</u> |
| Total recognized contributions received | | <u>\$32,043</u> |

In addition to the contributions recognized for financial statement purposes, the Association receives other donations primarily from parent volunteers in the Head Start Program. These contributed services and certain other items were not recognized for financial reporting purposes because they do not meet the criteria set forth in FASB Accounting Standards Codification, however, these contributions assist in operating the Head Start program. The sum of unrecognized “in-kind” contributions totals approximately \$240,000.

NOTE 7 - EMPLOYEE BENEFIT PLAN

The Association provides a 401(k) savings plan for its eligible employees. All employees with one year of service and an attained age of 20 ½ may participate. Participating employees may elect to contribute up to ten percent of their earnings. The Association may contribute an amount equal to the participants' contribution up to an amount equal to five percent of the participants' earnings. The Association contributed approximately \$77,000 to the plan for the year ended March 31, 2021.

NOTE 8 - CONCENTRATIONS

Ninety-three percent of the Association's funding is obtained from federal grants. The largest federal grant administered by the Association is the Head Start program which accounts for sixty percent of the Association's total funding for the year ended March 31, 2021.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
St. Mary Community Action Committee Association, Inc.
Franklin, Louisiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the St. Mary Community Action Committee Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of March 31, 2021, and the related statements of activity and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 16, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the St. Mary Community Action Committee Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the St. Mary Community Action Committee Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the St. Mary Community Action Committee Association, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during the audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the St. Mary Community Action Committee Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is considered a public record and may be distributed by the Legislative Auditor.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR

REQUIRED BY UNIFORM GUIDANCE

Board of Directors
St. Mary Community Action Committee Association, Inc.
Franklin, Louisiana

Report on Compliance for Each Major Federal Program

We have audited St. Mary Community Action Committee Association, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on the St. Mary Community Action Committee Association, Inc.'s major federal program for the year ended March 31, 2021. The St. Mary Community Action Committee Association, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the St. Mary Community Action Committee Association, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about St. Mary Community Action Committee Association, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of St. Mary Community Action Committee Association, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, St. Mary Community Action Committee Association, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended March 31, 2021.

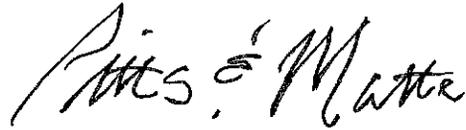

Report on Internal Control Over Compliance

Management of St. Mary Community Action Committee Association, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered St. Mary Community Action Committee Association, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the St. Mary Community Action Committee Association, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to described the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is considered a public record and may be distributed by the Legislative Auditor.
