INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Ouachita Multi-Purpose Community Action Program, Inc.
Monroe, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Ouachita Multi-Purpose Community Action Program, Inc. (a nonprofit organization), and related statement of activities, schedule of functional expenses, and cash flows for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Ouachita Multi-Purpose Community Action Program, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Ouachita Multi-Purpose Community Action Program, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ouachita Multi-Purpose Community Action Program, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ouachita Multi-Purpose Community Action Program, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ouachita Multi-Purpose Community Action Program, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the schedule of compensation, benefits and other payments to agency head or chief executive officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 23, 2023 on our consideration of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over financial reporting and compliance.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Louisiana Legislative Auditor, we have issued a report, dated June 23, 2023, on the results of our statewide agreed-upon procedures performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards*. The purpose of that report is solely to describe the scope of testing performed on those control and compliance areas identified in the Louisiana Legislative Auditor's statewide agreed-upon procedures, and the results of that testing, and not to provide an opinion on control or compliance.

OMCAP is governed by a Board of Directors composed of members from Ouachita Parish. OMCAP operates as a community action agency administering various federal and state funded programs designed to provide assistance to the poor and disadvantaged in Ouachita Parish in Louisiana. The following programs, with their approximate percentage of total revenues indicated, are administered by OMCAP:

Community Services Block Grant (CSBG) (30.00%) - Administers programs designed to provide services and activities that will have a measurable impact on causes of poverty in the community. Funding is provided by federal funds passed through the Louisiana Department of Labor. This grant is accounted for as a contribution and is considered conditional based on the terms of the grant agreement.

Home Energy Assistance Program (69.51%) - Assists low income households to offset the burden of high energy costs. Funding is provided by federal funds passed through the Louisiana Housing Corporation. The Home Energy Assistance Program is a major program for the year ended December 31, 2022. This grant is accounted for as a contribution and is considered conditional based on the terms of the grant agreement.

Ouachita Council of Governments (OCOG) (0.00%) - Accounts for quarterly reimbursements received from the Ouachita Council of Governments for general organization operations. This grant is accounted for as an unconditional contribution based on the terms of the grant.

A. Nature of Activities (Continued)

General Services (0.49%) - Provides payment of necessary organization expenses not specifically attributable to a grant/contract operated by the organization. Funding is provided by various donations.

B. Method of Accounting

The financial statements of OMCAP have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

C. Basis of Presentation

The financial statements have been prepared in accordance with U.S generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization and the board of directors.

Net Assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires,

net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities

D. Income Taxes

OMCAP is a nonprofit corporation and is exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to OMCAP's tax-exempt purpose is subject to taxation as unrelated business income. OMCAP had no such income for this audit period.

E. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

F. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, OMCAP considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

G. Property and Equipment

Acquisitions of buildings, equipment, and improvements and all expenditures for repairs, maintenance, and betterments in excess of \$5,000 that materially prolong the useful lives of assets are capitalized. Capitalized assets are stated at cost or, if donated, at the approximate fair value at the date of donation.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

G. Property and Equipment (Continued)

Depreciation is computed using the straight-line method over the estimated useful life of each asset.

The Federal Government has a reversionary interest in property purchased with federal funds. Its disposition as well as the ownership of any proceeds there from is subject to federal regulations. The use of assets purchased with federal funds is limited to the purposes intended by the funding agency.

H. Revenue and Support

Contributions received are recorded as support without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. Contractual grant revenue is reported as support or revenue without donor restrictions due to the restrictions placed on those funds by the funding sources being met in the same reporting period as the revenue is earned. Revenues are earned when the service is rendered.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

I. Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management has determined that fund-raising expenses are not material.

J. Advertising Costs

Advertising costs are expensed as they are incurred. Advertising expenses for the year ended December 31, 2022 are immaterial.

K. Fair Value of Financial Instruments

The carrying amount of cash and cash equivalents and receivables approximates fair value because of the short maturity of these financial instruments.

NOTE 2 - FUNDING POLICIES AND SOURCES OF FUNDS:

The Organization receives its monies through various methods of funding. Most of the funds are received on a grant basis. Under this method funds are received as needed or on a monthly or quarterly allocation of the total budget (grant) in advance of the actual expenditure. The Organization also receives funds as a reimbursement of actual expenditures, and upon a per unit of service provided method. The Organization also receives funds by contributions from both public and private sources. The loss of any of the large sources could have a negative effect on the Organization.

The accounting and reporting of grants is determined by the underlying substance of the transaction. A grant may be accounted for as contribution, an exchange transaction, or a combination of the two. If it is determined to be a contribution, a grant may be considered a conditional or an unconditional grant.

NOTE 3 - CASH IN BANK:

All funds are in institutions insured by an agency of the federal government. The Organization has pledged securities to cover any uninsured cash balances.

NOTE 4 - CONCENTRATIONS OF CREDIT RISK:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Ouachita Multi-Purpose Community Action Program, Inc.
Monroe, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ouachita Multi-Purpose Community Action Program, Inc. (a nonprofit organization) as of and for the year ended December 31, 2022, and the related notes to the financial statements, and have issued our report thereon dated June 23, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such

that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given those limitations, during our audit we did not identify any deficiencies in internal control that we consider to be a material weakness. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ouachita Multi-Purpose Community Action Program, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Ouachita Multi-Purpose Community Action Program, Inc.
Monroe, Louisiana

Opinion on Each Major Federal Program

We have audited Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Ouachita Multi-Purpose Community Action Program, Inc.'s major federal programs for the year ended December 31, 2022. Ouachita Multi-Purpose Community Action Program, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Ouachita Multi-Purpose Community Action Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Ouachita Multi-Purpose Community Action Program, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Ouachita Multi-Purpose Community Action Program, Inc., federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Ouachita Multi-Purpose Community Action Program, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Ouachita Multi-Purpose Community Action Program, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Ouachita Multi-Purpose Community Action Program, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not

identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses in internal control over compliance may exist that have not been identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

To the Board of Directors of Ouachita Multi-Purpose Community Action Program, Inc. and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below on the control and compliance (C/C) areas identified in the Louisiana Legislative Auditor's (LLA's) Statewide Agreed-Upon Procedures (SAUPS) for the year ended December 31, 2022. Ouachita Multi-Purpose Community Action Program, Inc.'s management is responsible for those (C/C) areas identified in the SAUPS.

Ouachita Multi-Purpose Community Action Program, Inc. has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPS for the year ended December 31, 2022. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

1. Written Policies and Procedures

A. Obtain and inspect the Organization's written policies and procedures and observe that they address each of the following categories and subcategories (if applicable to public funds and the entity's operations):

I) **Budgeting**, including preparing, adopting, monitoring, and amending the budget.

- II) **Purchasing**, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the public bid law; and (5) documentation required to be maintained for all bids and price quotes.
- III) **Disbursements**, including processing, reviewing, and approving.
- IV) **Receipts/Collections**, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or agency fund additions (e.g. periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation).
- V) **Payroll/Personnel**, including (1) payroll processing, (2) reviewing and approving time and attendance records, including leave and overtime worked, and (3) approval process for employee(s) rate of pay or approval and maintenance of pay rate schedules.
- VI) **Contracting**, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.
- VII) **Credit Cards (and debit cards, fuel cards, P-Cards, if applicable)**, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage.

- X) **Debt Service**, including (1) debt issuance approval, (2) EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.
- XI) **Information Technology Disaster Recovery/Business Continuity**, including (1) identification of critical data and frequency of

data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing/verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches/updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.

XII) **Sexual Harassment**, including R.S. 42:342-344 requirements for (1) agency responsibilities and prohibitions, (2) annual employee training, and (3) annual reporting.

Findings: The written policies do not include information technology disaster recovery/business continuity.

Except as otherwise stated, no other exceptions were identified in the performance of the procedures listed above.

2. Board or Finance Committee

A. Obtain and inspect the board/finance committee minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and:

I) Observe that the board/finance committee met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, bylaws, or other equivalent document.

II) For those entities reporting on the non-profit accounting model, observe that the minutes referenced or included financial activity related to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal year.

III) Observe whether the board/finance committee received written updates of the progress of resolving audit finding(s), according to management's corrective action plan at each meeting until the findings are considered fully resolved.

Findings: The minutes did not document the board's follow-up on prior year audit findings.

No other exceptions noted.

3. Bank Reconciliations

A. Obtain a listing of the Organization's bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the

entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for selected each account, and observe that:

- I) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged);
- II) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged); and
- III) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 12 months at the end of the statement closing date.

Findings: Two of five bank accounts tested have outstanding transactions greater than twelve months that have not been researched or investigated.

No other exceptions noted.

4. Collections

- A. Obtain a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).

Findings: We obtained the listing and management's representation.

- B. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:

- I) Employees that are responsible for cash collections do not share cash drawers/registers.

II) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.

III) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit:

IV) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.

Findings: No exceptions noted.

C. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was enforced during the fiscal period.

Findings: No exceptions noted.

D. Randomly select two deposit dates for each of the 5 bank accounts selected for procedure #3 under "Bank Reconciliations" above (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). Obtain supporting documentation for each of the 10 deposits and:

I) Observe that receipts are sequentially pre-numbered.

II) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.

III) Trace the deposit slip total to the actual deposit per the bank statement.

IV) Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).

V) Trace the actual deposit per the bank statement to the general ledger.

Findings: No exceptions noted.

5. Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

A. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).

Findings: We obtained the listing of locations that process payments and management's representation.

B. For each location selected under #5A above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:

- I) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
- II) At least two employees are involved in processing and approving payments to vendors.
- III) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
- IV) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.
- V) Only employees/officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.

Findings: No exceptions noted.

C. For each location selected under #5A above, obtain the Organization's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction and:

- I) Observe that the disbursement matched the related original itemized invoice and that supporting documentation indicates that deliverables included on the invoice were received by the entity.

- II) Observe that the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #5B, as applicable.

Findings: No exceptions noted.

- D. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.

Findings: No exceptions noted.

6. Credit Cards/Debit Cards/Fuel Cards/P-Cards

- A. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.

Findings: We obtained the listing and management's representation.

- B. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement), obtain supporting documentation, and:

- I) Observe that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing, by someone other than the authorized card holder. [Note: Requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.]]

- II) Observe that finance charges and late fees were not assessed on the selected statements.

Findings: No exceptions noted.

C. Using the monthly statements or combined statements selected under #6B above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Findings: No exceptions noted.

7. Travel and Travel-Related Expense Reimbursements (excluding card transactions)

A. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:

I) If reimbursed using a per diem, agree the reimbursement rate to those rates established either by the State of Louisiana or the U.S. General Services Administration (www.gsa.gov).

II) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.

III) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1AVII).

IV) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Findings: We obtained the general ledger and the Organization's travel and related expense reimbursements. We obtained management's representation.

No exceptions noted.

8. Contracts

A. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. Alternately, the practitioner may use an equivalent selection source, such as an active vendor list. Obtain management's representation that the listing is complete.
