INDEPENDENT AUDITORS' REPORT

To the Board of Directors Louisiana Health and Rehabilitation Center, Inc. Baton Rouge, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Louisiana Health and Rehabilitation Center, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Health and Rehabilitation Center, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Reimbursements, Benefits, and Other Payments to Agency Head, Political Subdivision Head, or Chief Executive Officer is required by Louisiana Revised Statute 24:513 (A)(3) and is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 29, 2020, on our consideration of Louisiana Health and Rehabilitation Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Louisiana Health and Rehabilitation Center, Inc.'s internal control over financial reporting or on compliance.. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Louisiana Health and Rehabilitation Center, Inc.'s internal control over financial reporting and compliance.

LOUISIANA HEALTH AND REHABILITATION CENTER, INC. NOTES TO FINANCIAL STATEMENTS June 30, 2019 and 2018

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations – Louisiana Health and Rehabilitation Center, Inc. (LHRC) is a non-profit corporation whose purpose is to provide therapeutic psychiatric programs to eliminate inappropriate and maladaptive behaviors. Their services are designed to help persons with developmental disabilities, and severe and persistent behavioral problems reach their maximum functioning level in the community.

All programs are operated in southern Louisiana and are primarily funded by the State of Louisiana agencies through the Department of Health and Hospitals and by the City of Baton Rouge through the Office of Community Development.

Basis of Accounting – The financial statements were prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Financial Statement Presentation — LHRC reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates that resources be maintained in perpetuity. Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of LHRC, the environment in which it operates, the purposes specified in corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reporting in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. LHRC does not have any net assets with donor restrictions for the year ended June 30, 2019 and 2018.

<u>Estimates</u> – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Revenue and Revenue Recognition – Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction.

<u>Cash and Cash Equivalents</u> – For purposes of the statements of cash flows, LHRC considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Restricted Cash – LHRC, as custodial agent, maintains cash for clients in several of its programs. These amounts are segregated from LHRC's cash accounts. This practice stopped during the year so there is no restricted cash as of December 31, 2019.

Receivables – Bad debts are charged to operations in the year in which the account is determined uncollectible. If the reserve method of accounting for uncollectible accounts were used, it would not have a material effect on the financial statements. No amounts for an allowance for bad debts have been established as LHRC expects to collect the balance in full.

LOUISIANA HEALTH AND REHABILITATION CENTER, INC. NOTES TO FINANCIAL STATEMENTS June 30, 2019 and 2018

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue With and Without Donor Restrictions – Contributions received are recorded as increases in net assets without donor restrictions and net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

<u>Property and Equipment</u> – Purchased property and equipment is recorded at cost. Acquisitions of land, buildings, and improvements, furniture and equipment in excess of \$1,000 are capitalized. Depreciation is calculated using the straight-line method over the estimated useful life of the assets. Estimated useful lives range from 5 to 15 years for most furniture, equipment, and major improvements and 39 years for buildings.

Depreciation expense was \$7,409 and \$8,060 for years ended June 30, 2019 and 2018, respectively.

Repair and maintenance costs are expensed as incurred. When property and equipment are retired or otherwise disposed, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the results of operations for the respective year.

Income Taxes – The Organization has been recognized by the Internal Revenue Service as a not-for-profit organization as described in Section 501c(3) of the Internal Revenue Code and is exempt from federal and state income taxes. Accordingly, no provision for income taxes has been made; however, if the Organization should engage in activities unrelated to the purpose for which it was created, taxable income could result. The Organization has no unrelated business income for the years ended June 30, 2019 and 2018.

Advertising – LHRC follows the policy of charging the costs of advertising to expense as incurred. Advertising costs were \$0 and \$200 for the years ended June 30, 2019 and 2018, respectively.

<u>Expense Allocation</u> – Directly identifiable expenses are charges to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

<u>Reclassifications</u> – Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

NOTE 2: INCOME TAXES

The Organization follows FASB Accounting Standards Codification, which provides guidance on accounting for uncertainty in income taxes recognized in an organization's financial statements. The guidance prescribes a recognition and measurement of a tax position taken or expected to be taken in a tax return and also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. As of June 30, 2019 and 2018, the Organization had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Generally, the tax years before June 30, 2016 are no longer subject to examination by federal, state, or local taxing authorities.

NOTE 7: CONTINGENCIES

<u>Grants</u> – LHRC receives federal and state contracts for specific purposes that are subject to audit by the agencies. Such audits could lead to requests for reimbursement to the agency for expenditures disallowed under terms of the contract. It is the opinion of management that LHRC's compliance with the terms of contracts will result in negligible, if any, disallowed costs.

<u>Risk Management</u> – Various lawsuits arise in the normal course of LHRC's business. Management believes that losses resulting from these matters, if any, will not have a material effect on the operations or financial position of LHRC.

NOTE 8: CHANGE IN ACCOUTING PRINCIPLE

In August 2016, the FASB issued Accounting Standards Update (ASU) 2016-14, Not for Profit Entities (Topic 958) — Presentation of Financial Statements of Not-for-Profit Entities. The ASU addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, the lack of consistency in the type of information provided about expenses and investment return. LHRC has implemented ASU 2016-14 and has presented the financial statements accordingly.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Louisiana Health and Rehabilitation Center, Inc. Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Louisiana Health and Rehabilitation Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019 and 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 29, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Louisiana Health and Rehabilitation Center, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Health and Rehabilitation Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Louisiana Health and Rehabilitation Center, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Health and Rehabilitation Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and responses as item 2019-01.

Louisiana Health and Rehabilitation Center, Inc.'s Response to Findings

Louisiana Health and Rehabilitation Center, Inc.'s response to the findings identified in our audit is described in the accompanying schedules of findings and questioned costs. Louisiana Health and Rehabilitation Center, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, Louisiana Health and Rehabilitation Center, Inc.'s Board of Directors, others within the entity, the Louisiana Legislative Auditor, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
