INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Van's Kiddie Care Corporation
New Iberia, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Van's Kiddie Care Corporation** (a nonprofit organization), which comprise the statement of financial position as of September 30, 2025, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Van's Kiddie Care Corporation**, as of September 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are

INDEPENDENT AUDITOR'S REPORT
(CONTINUED)

required to be independent of **Van's Kiddie Care Corporation** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Van's Kiddie Care Corporation's** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing

an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and time of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer is presented for purposes of additional analysis and are also not a required part of the basic financial statements.

The schedule of expenditures of federal awards, the schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, the schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 5, 2026, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Van's Kiddie Care Corporation
Notes to the Financial Statements
For the Year Ended September 30, 2025

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. ORGANIZATION

Van's Kiddie Care Corporation is a nonprofit organization operating under the laws of the State of Louisiana and began operation on November 13, 1985. It was organized and operates exclusively for nonprofit.

Van's Kiddie Care Corporation operates a Family Day Care Home Program under the Child Care Food Program, Section 17 of the National School Lunch Act. Under the provisions of this program, individuals who care for a small number of children in their homes are reimbursed for the costs of meals served to the children. **Van's Kiddie Care Corporation** through its personnel monitors the composition of the meals to assure nutritional values, make routine inspections of the homes to assure safety of the children who stay there, and act as intermediary between the state and federal agencies who administer funds and the providers who care for the children. **Van's Kiddie Care Corporation** operations are funded by three sources of revenue as indicated:

Family Day Care Program – Operates a Family Day Care Home Program that provides meals to children in private centers. Funding is provided by federal funds passed through the Louisiana Department of Education.

Charitable Gaming – Participates in providing charitable games of chance in which proceeds are used for charitable purposes of the organization.

General Services – Provides payment of necessary agency expenses not specifically attributable to a grant/contract by the agency. Funding is provided by various fundraisers and donations by management.

B. BASIS OF ACCOUNTING AND FINANCIAL PRESENTATION

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles, which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated

Van's Kiddie Care Corporation
Notes to the Financial Statements
For the Year Ended September 30, 2025

the funds be maintained in perpetuity.

Support and revenue

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements.

C. NET ASSETS RELEASED FROM RESTRICTIONS

Expiration of temporary restrictions of net assets (i.e., donor-stipulated purpose has been fulfilled and/or the stipulated time has elapsed) are reported as reclassifications between the applicable classes of net assets.

D. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

E. REIMBURSEMENTS AND ACCOUNTS RECEIVABLE

Management deems all reimbursements and accounts receivable collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

F. EQUIPMENT

The Organization's policy is to capitalize equipment over \$300. Lesser amounts are expensed. Purchased equipment is capitalized at cost or, if donated at their estimated fair value at the date of donation. The federal government has a reversionary interest in property purchased with federal funds; its disposition as well as ownership of any proceeds there from is subject to federal regulations. The use of assets purchased with restricted funds is limited

Van's Kiddie Care Corporation
Notes to the Financial Statements
For the Year Ended September 30, 2025

to the purposes intended by the funding agency.

Depreciation is provided utilizing the straight-line method over estimated useful lives of the asset. Estimated lives of the assets are as follows:

Office furniture and equipment	5 - 10 years
--------------------------------	--------------

G. FUNCTIONAL EXPENSES

Expenses were allocated in the accompanying financial statements to program, supporting services and fundraising functional expense groups. Accordingly, certain costs have been allocated among programs, supporting services, fundraising services based on actual use or management's best estimate.

H. FUND ACCOUNTING

To ensure observance of limitations and restrictions based on the use of resources available to the Family Day Care Home (FDCHP) Program, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with the nature and purpose of such funds. Separate accounts are maintained for each fund. Accordingly, all financial transactions have been reported by fund group.

The assets, liabilities, and net assets of the Family Day Care Home (FDCHP) are reported in a self-balancing current restricted fund that includes all resources available for support of the Family Day Care Home (FDCHP) program.

I. INCOME TAXES

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and comparable Louisiana law. However, income from certain activities not directly related to the Organization's tax-exempt purpose would be subject to taxation as unrelated business income. The financial statements for the year ended September 30, 2025, included the payment of \$10,800 in income tax expenses on unrelated business income.

J. STATEMENT OF CASH FLOWS

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid debt investments purchased with a maturity of three months or less to be cash equivalents.

K. CERTIFICATE OF DEPOSIT

The Organization owns a \$300,000 certificate of deposit. The certificate, which is presented at market value, has a twelve-month term, and therefore, was not included as a cash equivalent.

Van's Kiddie Care Corporation
Notes to the Financial Statements
For the Year Ended September 30, 2025

L. LIQUIDITY MANAGEMENT

The Organization receives a large amount of its revenue from one major source, the Louisiana Department of Education. Revenue of the program is based on the number of meals served by providers to children at the approved meal rate. Meal rates are determined on July 1 of each year by the Louisiana Department of Education. Meals served and approved meal rates are reported in the Schedule of Meals Served and Program Reimbursements. The revenue from this source represents approximately 97% of **the Organization's** total revenues during the year ended September 30, 2025.

To the Board of Directors
Van's Kiddie Care Corporation
New Iberia, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of **Van's Kiddie Care Corporation** (a nonprofit organization), which comprise the statements of financial position as of September 30, 2025, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon, dated May 5, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered **Van's Kiddie Care Corporation's** internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Van's Kiddie Care Corporation's** internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Van's Kiddie Care Corporation's** financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of **Van's Kiddie Care Corporation's** internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **Van's Kiddie Care Corporation's** internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors
Van's Kiddie Care Corporation

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited **Van's Kiddie Care Corporation's** compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Van's Kiddie Care Corporation's major federal programs for the year ended September 30, 2025. The organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, **Van's Kiddie Care Corporation** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit*

Requirements for Federal Awards (Uniform Guidance). Our responsibility under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of **Van's Kiddie Care Corporation** and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of **Van's Kiddie Care Corporation's** compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, regulations, rules, and provisions of contracts or grant agreements applicable to **Van's Kiddie Care Corporation's** federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on **Van's Kiddie Care Corporation's** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about **Van's Kiddie Care Corporation's** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding **Van's Kiddie Care Corporation's** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of **Van's Kiddie Care Corporation's** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of **Van's Kiddie Care Corporation's** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control* over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control* over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control* over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
