INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Delta Campus Facilities Corporation
Monroe, Louisiana

Report on the Financial Statements

I have audited the accompanying financial statements of the Delta Campus Facilities Corporation (a nonprofit organization) which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of those risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Delta Campus Facilities Corporation as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter Effect of Adopting New Accounting Standard

As discussed in Note 1, the Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) 2016-14, “*Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*”. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The DCFC adopted ASU 2016-14 for the year ended December 31, 2018. My opinion is not modified with respect to this matter.

Other Matter

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of compensation, benefits and other payments to the Executive Director is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated June 15, 2020, on my consideration of the Delta Campus Facilities Corporation’s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Delta Campus Facilities Corporation’s internal control over financial reporting and compliance.

Prior Period Financial Statements

The financial statements of Delta Campus Facilities Corporation as of December 31, 2018, were audited by other auditors whose report dated July 15, 2019, expressed an unmodified opinion on those statements.

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 1 - Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

Delta Campus Facilities Corporation (DCFC) was formed March 1, 2005, to provide a vehicle for funding and oversee construction of the campus to be occupied upon completion by Louisiana Delta Community College (the College). The construction project is funded by Louisiana Local Government Environmental Facilities and Community Development Authority (the Authority) Revenue Bonds. The proceeds of the bonds have been loaned by the Authority to DCFC pursuant to a Loan and Assignment agreement dated November 1, 2008, and are to be used for (1) financing a portion of the costs of the development, design and construction of a new campus and related facilities for students, faculty, and staff of the College; (2) funding debt service principal and interest on the bonds; and (3) paying costs of issuance of the bonds. In connection with the issuance of Series 2017 Refunding Bonds, a new Loan and Assignment Agreement was executed October 1, 2017. The proceeds from the issuance of the Series 2017 bonds, along with other cash on hand, were deposited into escrow to defease the Series 2008 bonds.

The Board of Supervisors of the Louisiana Community and Technical College System (the LCTCS Board), an agency of the State, is leasing the unimproved land on which the campus was constructed to the Corporation pursuant to a ground lease. DCFC subleases the Facilities back to the LCTCS Board pursuant to an Agreement to Lease with Option to Purchase (the Facilities Lease) dated November 1, 2008. The source of repayment of the bonds will be payments of the base rental will be payments of the base rental received by DCFC from the LCTCS Board pursuant to the Facilities Lease. In connection with the issuance of Series 2017 Refunding Bonds, a new ground lease and facilities lease were executed on October 1, 2017. These payments of base rental will enable DCFC to make its required payments to the Authority under the loan agreement; provided, however, the availability of these base rental payable by the LCTCS Board is subject to annual appropriation of funds to the LCTCS Board sufficient for such purpose by the State of Louisiana Legislature. (See Note 6).

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016. ASC 958-205 was effective January 1, 2018.

Fair Value Measurements

Investments as of December 31, 2019 and 2018, include \$1,853,387 and \$1,711,286, respectively, of money market funds and are carried at fair value. ASC Section 820 *Fair Value Measurements and Disclosures* and ASC Section 825 *Financial Instruments* require all entities to disclose the fair value of financial instruments for which it is practicable to estimate fair value. ASC Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 1 - Nature of Activities and Summary of Significant Accounting Policies – Continued

The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that DCFC has the ability to access; |
| Level 2 | Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The money market funds held by DCFC at December 31, 2019 and 2018 are valued at their published net asset value at those dates, and are considered to be Level 1 in the fair value hierarchy.

For purposes of the statement of cash flows, cash equivalents include all highly liquid investments with a maturity date of three months or less when purchased.

Capital Assets

Capital assets are reported at cost on the date of acquisition or their estimated fair value at the date of donation. For movable property, DCFC's capitalization policy includes all items with a unit cost of \$5,000 or more and an estimated useful life greater than one year. Renovations to buildings, infrastructure and land improvements that significantly increase the value or extend the useful life of the structure are capitalized. Routine repairs and maintenance expense are charged to operating expense in the year in which the expense is incurred. Depreciation is provided using the straight-line method over estimated useful lives of 40 years for buildings, 20 years for land improvements, and 5 to 10 years for furniture, fixtures and equipment. Depreciation expense was \$1,323,961, and \$1,323,962 for 2019 and 2018, respectively.

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 1 - Nature of Activities and Summary of Significant Accounting Policies – Continued

Accounting Pronouncement Adopted

During 2018, DCFC adopted Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 598): Presentation of Financial Statements of Not-for-Profit Entities*, which finalizes Proposed ASU No. 2015-230, by the same name and topic, and simplifies and improves the manner in which a not-for-profit (NFP) classifies its net assets, as well as the information that it presents in financial statements and notes concerning liquidity, financial performance, and cash flows. In particular, ASU No. 2016-14 amends the requirements for financial statements and notes in Topic 598, Not-for-Profit Entities, and requires and NFP to, among other things, (1) present on the face of the statement of financial position amounts for two classes of net assets at the end of the period, rather than for the currently required three classes; (2) present on the face of the statement of activities the amount of the change in each of the two classes of net assets referenced above, rather than that of the currently required three classes; (3) continue to present on the face of the statement of cash flows the net amount for operating cash flows, using either the direct or the indirect method of reporting, but no longer require the presentation or disclosure of the indirect method (reconciliation) if using the direct method. Net assets previously reported as temporarily restricted and permanently restricted are now reported as net assets with donor restrictions. Likewise, net assets previously reported as unrestricted are now reported as net assets without donor restrictions.

Net Assets

Net assets, revenues, expenses, gains and losses are classified based upon the existence or absence of donor-imposed restrictions. Accordingly, the net assets of DCFC and changes therein are classified as follows:

Net Assets Without Donor Restriction: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of DCFC. DCFC's board may designate assets without restrictions for specific operational purposes from time to time.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors and/or grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of DCFC or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the net assets be maintained in perpetuity. The remaining assets not discussed above are considered restricted to the purposes outlined in the bond indentures.

Tax Status

DCFC is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. DCFC is required to review various tax positions it has taken with respect to its exempt status and determine whether in fact it continues to qualify as a tax-exempt entity and assess whether it has any tax positions associated with unrelated business income subject to tax. DCFC does not expect any of these tax positions to change materially over the near term. Any penalties related to the late filing or other requirements would be recognized as penalties in DCFC's accounting records.

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 1 - Nature of Activities and Summary of Significant Accounting Policies – Continued

Measure of Operations

The Statement of Activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to DCFC's ongoing activities. Non-operating activities are limited to resources that generate return from activities considered to be more unusual or non-recurring in nature.

Estimates

In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the statement of financial position and statement of activities for the period. Actual results could differ from those estimates.

Note 2 - Cash and Cash Equivalents

Cash and cash equivalents at fair value consist of the following at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Cash in Banks	\$ 404,997	\$ 400,144
Money Market Funds	<u>1,853,387</u>	<u>1,711,286</u>
Total	<u>\$ 2,258,384</u>	<u>\$ 2,111,430</u>

The terms of the bond indenture require DCFC to hold investments in accounts designated for specific purposes. As of December 31, 2019, and 2018, DCFC held \$1,850,198 and \$1,707,915, respectively, in a separate fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment of the facilities constructed with the proceeds from the Series 2008 bonds. At December 31, 2019, DCFC held cash in excess of Federal Deposit Insurance Corporation coverage of approximately \$155,000.

Note 3 - Capital Assets

A summary of changes in capital assets for the year ended December 31, 2019 is as follows:

	Balance December 31, <u>2018</u>	<u>Additions</u>	<u>Retirements</u>	Balance December 31, <u>2019</u>
Capital assets, being depreciated:				
Buildings	\$ 27,983,736	\$ -	\$ -	\$ 27,983,736

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 3 - Capital Assets – Continued

A summary of changes in capital assets for the year ended December 31, 2018 is as follows:

	Balance December 31, <u>2017</u>	<u>Additions</u>	<u>Retirements</u>	Balance December 31, <u>2018</u>
Capital assets, being depreciated:				
Buildings	\$ 27,983,736	\$ -	\$ -	\$ 27,983,736
Land Improvements	7,357,813	-	-	7,357,813
Furniture and Equipment	<u>4,979,377</u>	-	-	<u>4,979,377</u>
Total capital assets being depreciated	40,320,926	-	-	40,320,926
Less accumulated depreciation for:				
Buildings	(5,231,044)	(699,594)	-	(5,930,638)
Land Improvements	(2,774,967)	(365,249)	-	(3,140,216)
Furniture and Equipment	<u>(4,331,588)</u>	<u>(259,119)</u>	-	<u>(4,590,707)</u>
Total accumulated depreciation	<u>(12,337,599)</u>	<u>(1,323,962)</u>	-	<u>(13,661,561)</u>
Total capital assets, being depreciated, net	<u>27,983,327</u>	<u>(1,323,961)</u>	-	<u>26,659,365</u>

The campus is sited on 16.5 acres of land and consists of two buildings of approximately 135,000 square feet, a maintenance building, and related parking, drives, hardscape and landscape. The main building accommodates administrative and instructional facilities on three levels; the second building houses the Advanced Technology Center and which includes classrooms and labs, high-bay flexible labs and a conference center on two levels.

Note 4 - Bonds Payable

In November 2008, Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds were issued for the purpose of providing funds to pay for the construction of the campus to be occupied by Louisiana Delta Community College. In September 2017, \$22,750,000 of Louisiana Local Government Environmental Facilities and Community Development Authority Refunding Bonds were issued for the purpose of an in-substance defeasement of the Series 2008 bonds. The balance of the outstanding bonds as of December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Louisiana Local Government Environmental Facilities and Community Development Authority Refunding Bonds, Series 2017 Serial Bonds, interest rates ranging from 3.64% to 5.00%, principal payments began October 1, 2018, final maturity October 1, 2026	<u>\$19,015,000</u>	<u>\$20,930,000</u>
Original Issue Premium	2,561,835	2,892,278
Less: Net Debt Issuance Costs	(340,024)	(383,882)
Less: Current Maturities	<u>(2,010,000)</u>	<u>(1,915,000)</u>
Total Bonds Payable	<u>\$19,226,811</u>	<u>\$21,523,396</u>

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 4 - Bonds Payable - Continued

The 2017 bonds were issued at a premium of \$3,284,129. This premium is being accreted over the life of the bonds on a straight-line basis. Amortization in 2019 and 2018 was \$330,443.

Debt issuance costs at December 31, 2019 and 2018 consist of the following:

	<u>2019</u>	<u>2018</u>
Bond Issuance Costs	\$ 435,892	\$ 435,892
Less: Accumulated Amortization	<u>(95,868)</u>	<u>(52,009)</u>
	<u>\$ 340,024</u>	<u>\$ 383,883</u>

The bond issuance costs are being amortized over the life of the Series 2017 bonds on the straight-line basis. Amortization expense is included in interest expense on the accompanying financial statements.

The annual debt service requirements to maturity for bonds payable at December 31, 2019, are as follows:

	<u>Principal</u>	<u>Interest</u>
Year ending December 31:		
2020	\$2,010,000	\$899,200
2021	2,115,000	798,700
2022	2,215,000	692,950
2023	2,300,000	602,500
2024	2,405,000	518,750
2025-2027	\$7,970,000	\$810,250

Note 5 - Liquidity and Availability of Resources

DCFC strives to maintain liquid financial assets sufficient to meet its general operating expenditures. As of December 31, 2019, all net assets with donor restrictions are available for payment of qualifying expenses associated with DCFC's mission to support the campus facilities and service the related debt. Likewise, as of December 31, 2019, all net assets without donor restrictions are available to meet cash needs for general expenditures of DCFC within one year.

Note 6 - Risks, Uncertainties, and Concentrations

As discussed in Note 1, DCFC is dependent upon the State Legislature appropriating funds to the LCTCS Board sufficient to make payments of base rental to DCFC. The State of Louisiana, the LCTCS Board and DCFC entered into an Agreement dated October 1, 2017, pursuant to which the Commissioner of Administration agreed to include in the Executive Budget and request that the State Legislature provide funding for the payment of Base Rental pursuant to the Facilities Lease without any further obligations. Absent an appropriation by the Legislature sufficient to allow the LCTCS Board to make payments of base rent under the Facilities Lease, DCFC will have no obligation to make payments under the Loan Agreement. The LCTCS Board is under no obligation to use any other of its funds to make payments of base rental.

DELTA CAMPUS FACILITIES CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

Note 7 - Bond Insurance

COMPLIANCE REPORTING

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Board of Directors
Delta Campus Facilities Corporation

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Delta Campus Facilities Corporation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated June 15, 2020.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the DCFC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, I do not express an opinion on the effectiveness of the DCFC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the DCFC's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

DELTA CAMPUS FACILITIES CORPORATION
MONROE, LOUISIANA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED DECEMBER 31, 2019

To The Board of Directors
Delta Campus Facilities Corporation
Monroe, Louisiana

I have audited the financial statements of Delta Campus Facilities Corporation as of and for the year ended December 31, 2019, and have issued my report thereon dated June 15, 2020. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My audit of the financial statements as of December 31, 2019, resulted in an unqualified opinion.

Section I- Summary of Auditor's Results

A. Report on Internal Control and Compliance Material to the Financial Statements
