INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of

Options Foundation, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Options Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Options Foundation, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of awards is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 6, 2020, on our consideration of Options Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Options Foundation, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

OPTIONS FOUNDATION, INC.
BATON ROUGE, LOUISIANA

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

1. **Summary of Significant Accounting Policies**

(a) **Organization and Nature of Activities**

Options Foundation, Inc. is a private, non-profit organization whose purpose is to provide services for people with behavioral health requirements primarily in Baton Rouge, Louisiana. Rent is collected from residents.

Options Foundation, Inc. is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code, and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, Options Foundation, Inc. has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There were unrelated business losses for 2019 and 2018.

(b) **Basis of Accounting**

The Organization maintains its books and prepares its financial statements on the accrual basis of accounting according to accounting principles generally accepted in the United States of America. Consequently, revenues are recognized when earned, and expenses are recognized when incurred. All significant receivables, payables and other liabilities are reflected in the financial statements.

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The Organization allocates its expenses on a functional basis among its various programs. Expenses that can be identified with a specific program are allocated directly according to their natural expense classification.

(c) **Net Assets**

Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of contributor imposed restrictions. The Organization's net assets balance is comprised only of net assets for general use with no restrictions.

(d) **Other Accounting Policies**

Cash Equivalents

The Organization considers all highly liquid investments, including certificates of deposit with maturity of three months or less, to be cash equivalents.

Contributions

The Organization is required to report its contributions received as unrestricted, temporarily restricted, or permanently restricted depending on the existence and/or nature of any donor restrictions. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. The Organization did receive a donation of the use of a facility which is reflected as donations received and rent expense. See Note 7.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 and 2018

1. **Summary of Significant Accounting Policies (continued)**

Accounts Receivable

Accounts receivable, where recognized, are actual amounts owed to the Organization and are recognized at net amount owed with no allowance for uncollectible accounts. Management expects all receivables to be collectible for the years ended June 30, 2019 & 2018.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash in Banks

All funds are in institutions insured by an agency of the Federal Government, the Federal Deposit Insurance Corporation.

Subsequent Events

The Organization has evaluated subsequent events through February 6, 2020 the date the financial statements were available to be issued, for recording and disclosure.

Functional Expense Policy

The costs of programs services have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expense by function. Accordingly the management fee has been allocated between all of the program services.

2. **Fixed Assets**

Fixed assets acquired by Options Foundation, Inc. are considered owned by the Organization. However, State funding sources may maintain equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The State has a reversionary interest in those assets purchased with its funds, which have a cost of \$500 or more, and an estimated useful life of at least two years.

Options Foundation, Inc. follows the practice of capitalizing, at cost, all expenditures for fixed assets in excess of \$500. Depreciation is computed on a straight-line basis over the useful lives of the assets generally as follows:

	<u>Estimated Useful Life</u>
Buildings & Improvements	30 years
Furniture & equipment	5 - 12 years
Transportation equipment	5 years

Depreciation expense was \$ 127,306 and \$ 126,770 for the years ended June 30, 2019 and 2018, respectively. The organization did not acquire any additional fixed assets during the year ended June 30, 2019 and acquired \$450 of furniture and fixtures for the year ended June 30, 2018.

BATON ROUGE, LOUISIANA

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 and 2018

3. **Resident Funds Payable/Representative Payee Account**

Options Foundation, Inc., as a non-profit organization, has been designated a representative payee by the Social Security Administration for certain individuals participating in Options' residential programs. As representative payee, Options receives Social Security and/or Supplement Security Income (SSI) payments for individuals who cannot manage, or direct someone else to manage his or her money. The main responsibility of the payee is to use the funds to pay for the current and foreseeable needs of the beneficiary and to save any remaining funds for the beneficiary. A fee is collected by Options for performing this function. Because the funds are maintained and not owned by Options Foundation, Inc., the cash balance has been recorded as an asset on the financial statements with a corresponding liability of an equal amount.

4. **Contracts Receivable**

Receivables at years ended June 30, 2018 and 2017 are summarized below.

	<u>2019</u>	<u>2018</u>
DHH Office of Mental Health	\$ 52,505	\$ 52,656
Office of Community Development	59,430	77,375
Other	<u>45,862</u>	<u>22,209</u>
	<u>\$ 157,797</u>	<u>\$ 152,240</u>

5. **Allowance for doubtful accounts – contracts receivable**

Uncollectible contracts receivable are charged directly to earnings when they are determined to be uncollectible. All accounts receivable are evaluated completely at the end of each fiscal year and no allowance is deemed necessary.

6. **Compensated Absences**

The Organization allows full-time employees to receive compensation for vacation and sick leave as workload allows. Compensated absences for vacation and sick pay have not been accrued since they cannot be reasonably estimated, but are expensed as incurred.

7. **Leased Facilities**

Facilities used by Options Foundation, Inc. for River Oaks were leased for \$42,000 per year for the years ended June 30, 2019 and 2018, respectively, from C&B Investments. The current lease is a month-to-month lease.

Options Foundation, Inc. entered into a one year lease on June 1, 2011 with C & B Investments for the administrative office located at 8540 Quarters Lake Road in Baton Rouge, Louisiana. The monthly rent is \$3,000 per month. There was an automatic renewal clause in the lease. The lease was renewed in fiscal June 30, 2012 for \$3,500 per month. For FYE 6-30-2019 and 6-30-2018 the rent remained \$3,500 per month. On February 18th 2015, Options entered into retail lease with Drusilla Village, LLC for a term of three years. The rental expense for 2019 was \$30796 and for 2018 it was \$40,411. The rent was lowered in 2018.

OPTIONS FOUNDATION, INC.
BATON ROUGE, LOUISIANA

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 and 2018

On March 12, 2012, Options entered into a commercial lease for a Bingo Hall located at 15450 George O'Neal Road, Suites 8 & 9 in Baton Rouge, Louisiana. The lease was for two years with an option for a two year renewal with a monthly rental of \$4,300 per month. Upon acquiring the lease in March of 2012, prepaid rent of \$35,000 was paid of which \$30,100 remained prepaid at June 30, 2012. During the year ended June 30, 2013 \$21,500 of rent was paid and \$30,100 of prepaid rent was expensed for a total of \$51,600. For the year ended June 30, 2016 \$51,600 was paid. At the present time the lease is month-to-month at a monthly rate of \$4,300 per month.

8. **Related Party Transactions**

Options Foundation, Villa Care, Options for Ascension, and CHDO are under common control and have the same board of directors. The total amount owed to Options Foundation, Inc. from the related organizations amounted to \$ 518,550 and \$425,754 for the years ended June 30, 2019 and 2018, respectively. Balances of receivables and payables are a result of working capital advances to and from related organizations. The amounts owed at June 30, 2019 are as follows:

Due from Villa Care	\$ 511,294
Less Villa Care Reserve	(31,650)
Due from Options for Ascension	30,106
Due from CHDO	<u>8,800</u>
Total Amounts due	<u>\$ 518,550</u>

Brent Nettles who is the Executive Director is also an owner of C&B Investments which leases property to Options Foundation. (See Note 7.)

9. **Commitments, Contingencies, Concentrations and Economic Dependency**

Revenue – Options Foundation, Inc. receives a portion of its revenues from federal and state government grants and contracts, many of which are subject to audit by the federal or state government. The ultimate determination of amounts received under these programs generally is based upon allowable costs reported to, and audited by, the government. Until such audits have been completed and final settlement reached, there exists a contingency to refund any amount received in excess of allowable costs. Management is not aware of any pending audits or proposed adjustments, and no provisions for estimated retroactive adjustments have been made. In regards to the HUD Office of Community Development Grant for Options Villa, the grant has been in effect for many years and the term of the grant is for the period beginning February 1st of each grant year and ending on January 31st of each grant year. The grant provided for reimbursements of qualified expenditures made during the period of the grant. The amounts expended in accordance with this grant were reimbursed through January of 2017. The amounts due for the reimbursements of expenditures for the period February through June of 2018 are included in Accounts receivable. There has been a pattern of delays in obtaining the signed grant for the current year until late December of the grant year and as a result payments are delayed until after the end of the grant year. It is expected that the contract will be signed and that the funds due as of June 30, 2018 will be received in 2019.

OPTIONS FOUNDATION, INC.
BATON ROUGE, LOUISIANA

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 and 2018

Options Foundation, Inc. received support from a number of sources. Significant among those are the following, reflecting their percent of total revenues provided in 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Housing & Urban Development (HUD)	9%	9%
State of Louisiana Department of Health & Hospitals	17%	15%
Bingo/Gaming	54%	58%

10. **Payroll taxes and related payables**

Prior to fiscal years ending in 2010 and 2011, payroll was maintained by Option's personnel and there was a problem; in that years later it was determined by the Internal Revenue Service that the employee yearly earnings reports, forms W-2s, were not filed. As a result, significant penalties were assessed against Options Foundation, Inc. These penalties are recorded on these financial statements for the year ended June 30, 2011. Attempts were made to have the penalties waived. During fiscal year June 30, 2012, the Internal Revenue Service did waive penalties which totaled \$ 67,642 and are recorded as revenue for the year ending June 30, 2012. The total amount owed to the Internal Revenue Service for the penalties amounted to zero for the years ended June 30, 2018 and 2017, respectively.

In prior years the unemployment taxes for the Louisiana Workforce Commission were determined using a reimbursable account which is not the norm for most employers. As a result there is a large balance due for old taxes. As of January 1, 2011, Options has been allowed to pay taxes like most other employers in the state of Louisiana which has resulted in a much lower tax obligation. Efforts are also being made to reduce or waive the old balance. The total amount owed to the Louisiana Workforce Commission for the unemployment taxes amounted to \$138,887 for the years ended June 30, 2018 and 2017, respectively.

11. **Notes Payable**

12. **Charitable Gaming**

During 2008 Options Foundation, Inc. began conducting charitable gaming in the form of traditional and video bingo games. Louisiana law allows non-profit organization to partner with for profit organizations to conduct these activities with the proceeds going to the non-profit organization. Expenses for these activities include session rent, supplies and labor. There are separate cash accounts used for these purposes and a separate account used to fund the Progressive Bingo liability.

OPTIONS FOUNDATION, INC.
BATON ROUGE, LOUISIANA

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019 and 2018

13. **Uncertainties**

As disclosed in note 8 **Related Party Transactions**, there are significant amounts owed to Options Foundation, Inc. from related affiliate non-profit organizations. These affiliated organizations are funded by government grants and contracts which only provide for certain support. As a result of the needs of residents in Villa Care the expenses are much greater than the amount which has been provided in the funding with the government agency. In order to maintain the facilities for the residents, Options Foundation has continued to provide additional funds. During the years ended June 30, 2015 and 2014, management managed to recover additional funds from the agency to cover the shortages created over the years. An allowance has been made for the amount receivable from Villa Care. In November of 2013 a new contract was executed with the City of Baton Rouge for a HUD program grant in the amount of \$500,000 for a period of twelve months from February 1, 2013 through January 31, 2014 and another contract was entered in to for the period from February of 2014 through January of 2015. The grant includes Options Foundation and all of the related affiliate non-profit organizations. This has greatly improved the chances for the ultimate collectability of the related party receivables. At this time, the ultimate collectability of all these accounts remains uncertain.

14. **Net Assets Without Donor Restrictions**

Grants and funds received by Options Foundation, Inc. are temporarily restricted in that the funds are generally program specific and to be spent in accordance with grant guidelines. All temporarily restricted funds were disbursed during the year. As a result, at the end of each year none of Option's net assets were subject to any donor-imposed restrictions. Accordingly, all net assets are accounted for as undesignated or invested in Property & Equipment, net of related debt.

15. **Board of Directors' Compensation**

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member for director's fees.

16. **Retirement Plan**

All employees are covered under the social security program. No other retirement plan is maintained.

17. **Advertising**

The Organization expenses advertising expenses as incurred. The advertising expenses for 2019 were \$225 and the advertising expenses for 2018 were zero.

18. **Functional Allocation of Expenses**

The costs of providing various programs and activities have been summarized in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The Organization has determined that fund-raising costs other than charitable gaming are not material.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 and 2017

19. **Uncertain Tax Positions**

The organization is subject to examination by various taxing authorities. Management has reviewed the Organization's activities and believes that no additional amounts or disclosures are needed, as the effect of any uncertain positions is not material to the financial statements. **The tax returns for the years 2019, 2018, 2017, and 2016 are open for examination by various taxing authorities.**

20. **Executive Director's Compensation**

Brent Nettles is the only officer who received any compensation. Mr. Nettles received \$117,000 for the fiscal year ended June 30, 2019 and \$132,000 for the fiscal year ended June 30, 2018

21. **Liquidity and Availability**

Options Foundation has \$226,248 of financial assets available within 1 year as of the 2019 balance sheet date and \$226,248 within 1 year of the 2018 balance sheet date to meet cash needs for general expenditures consisting of cash of \$62,534 and accounts receivable of \$163,714 for 2019 and cash of \$62,534 and receivables of \$163,714 for 2018. None of these assets are subject to any donor restrictions that would make them unavailable for general expenditures within one year from each respective balance sheet date. The resident fund cash can only be used for residents' expenditures. (See Note 5)

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL /STATE AWARDS
FOR THE YEAR ENDED JUNE 30, 2019

1. **Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Options Foundation, Inc. under programs of the federal government for the year ended June 30, 2019. Because the Schedule presents only a selected portion of the operations of Options Foundation, Inc. it is not intended to and does not present the financial position, changes in net assets, or cash flows of Options Foundation, Inc.

2. **Summary of Significant Accounting Policies**

- (a) Expenditures reported on the Schedule are reported on the accrual basis of accounting.
- (b) Pass-through entity identifying numbers are presented where available.

3. **Insurance**

Options Foundation, Inc. is in compliance with insurance requirements which specify that they will provide Worker's Compensation and Employers' Liability insurance covering all employees engaged in services in compliance with the laws of the State of Louisiana. Options Foundation is also in compliance with the requirement to have a minimum coverage of \$1,000,000 for general liability and automobile liability.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Options Foundation, Inc.
Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Options Foundation, Inc., which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated February 6, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Options Foundation, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Options Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Options Foundation, Inc.'s internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described as 2019-001 and 2019-002 in the accompanying schedule of findings and responses that we consider to be significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described as 2019-001 and 2019-002 in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Options Foundation, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described as item 2019-001 and 2019-002 in the accompanying schedule of findings and responses.

Options Foundation, Inc.'s Response to Findings

Options Foundation, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and reponses. Options Foundation, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Compliance Finding – Agreed Upon-Procedure

Finding 2019-001

Observation

The Louisiana Legislative Auditor has prescribed statewide agreed-upon procedures which are intended to represent a minimum level of additional work to be performed at those local entities (local governments and quasi-public organizations, including nonprofits) that meet the legal requirement to have an audit under the Audit Law. Only those areas applicable to public funds administered by a non-profit are required to be included within the scope of the AUP engagement.

Criteria

The statewide agreed-upon procedures are to be performed by the same auditor that performs the audit and attached to the audit which is submitted to the Legislative Auditor.

Effect

Although management has determined that there would be no areas which would be applicable to have these procedures performed, the Legislative Auditor may not have the same opinion.

Cause

The management feels that this is an additional expense for the organization to incur and feels that it does not apply to their organization.

Recommendations:

It is recommended that management contact the Legislative Auditor and explain why they feel that none of these procedures would apply to their organization and obtain a ruling from the Legislative Auditor as whether there is a requirement for these to be performed.

Finding 2019-002 – Legislative Auditor Filing Requirement

Observation

The Louisiana Legislative Auditor has prescribed a six month deadline after the end of the organization's fiscal year to complete and submit their annual audit. Options Foundation should submit their annual audit for their year ending on June 30, 2019 by December 31, 2019.

Criteria

In order to have a timely audit performed, an auditor should be also engaged in a timely manner. In accordance with professional standards in order for an independent auditor to be independent, the auditor must be paid for the prior year's audit before the completion of the current year audit.

Effect

By not having a required audit done in accordance with the grant agreements, Options could lose the government funding.

Cause

Options Foundation was not able to pay the auditor for the previous audit because the State of Louisiana was not making reimbursement payments to them in a timely manner.

Recommendation

Options should obtain an extension for submission of the annual audit and attempt to remedy the delay in receiving the reimbursements.

OPTIONS FOUNDATION, INC.
SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS
FOR THE YEAR ENDED JUNE 30, 2018

Summary of Prior Audit Findings

Finding 2018-1

Observation

The Louisiana Legislative Auditor has prescribed statewide agreed-upon procedures which are intended to represent a minimum level of additional work to be performed at those local entities (local governments and quasi-public organizations, including nonprofits) that meet the legal requirement to have an audit under the Audit Law. Only those areas applicable to public funds administered by a non-profit are required to be included within the scope of the AUP engagement.

Status

The audit for June 30, 2018 was accepted by the Legislative Auditor on February 8, 2019. Options has received no formal information concerning the lack of performing any state-wide AUPs. Without the HUD loan guarantees there would be no requirement for any AUPs.
