### Why We Conducted This Audit

We conducted a financial statement audit of the Louisiana Stadium and Exposition District (the District) as of and for the year ended June 30, 2025, as required by the District's bond requirements and to provide accountability over public funds for the period July 1, 2024, through June 30, 2025.

### What We Found

- The District's financial statements, as adjusted, are fairly stated.
- The District did not perform adequate technical reviews over several financial statement accounts, note disclosures, and required supplementary information, resulting in inconsistencies with applicable accounting standards requiring adjustments, some of which were material, but none of which resulted in an overpayment or underpayment to District vendors.
