INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bayou Council Behavioral Health Services, Inc.
Thibodaux, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Bayou Council Behavioral Health Services, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bayou Council Behavioral Health Services, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Benefits, and Other Payments to the Executive Director on page 13 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 8, 2018, on our consideration of Bayou Council Behavioral Health Services Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to the Financial Statements
As of and for the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. NATURE OF THE ORGANIZATION

Bayou Council Behavioral Health Services, Inc. (BCBHS), a Louisiana not-for-profit, voluntary health and welfare agency, provides prevention programs and education services to reduce the risk factors associated with alcohol and substance abuse. Services are available to Lafourche Parish and surrounding areas.

B. BASIS OF PRESENTATION

The financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

C. CASH AND CASH EQUIVALENTS

For the purpose of the statement of cash flows, BCBHS considers all unrestricted cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

D. PROMISES TO GIVE

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

E. BAD DEBTS

The financial statements of BCBHS contain no allowance for uncollectible promises to give. Uncollectible accounts are recognized as an expense at the time information becomes available that indicates the amounts are uncollectible. While accounting principles generally accepted in the United States of America require that bad debts be recorded utilizing the allowance method, the difference between the two methods is immaterial to the Organization, as management considers all promises to give to be fully collectible.

Notes to the Financial Statements
As of and for the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

F. PROPERTY AND EQUIPMENT

Property and equipment acquired by the Organization are considered to be owned by the Organization except for certain equipment acquired with grant funds. Title for such property may revert to the State at the completion of the grant period at the discretion of the State. Property and equipment are stated at cost. Depreciation is computed utilizing the straight-line method over the estimated useful lives of five to fifteen years. Depreciation expense for the year ended June 30, 2018 was \$476. Property and equipment acquisitions are capitalized if the purchase price exceeds \$300 and the asset has a useful life of greater than one year.

G. NET ASSETS

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of BCBHS and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

H. FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Notes to the Financial Statements
As of and for the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

I. INCOME TAXES

BCBHS is a not-for-profit, voluntary health and welfare agency exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. It has been classified as an organization that is not a private foundation under Section 509(a)(1) of the Internal Revenue Code and qualifies for the 50% charitable contributions deduction for individual donors.

J. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – FAIR VALUES OF FINANCIAL INSTRUMENTS

The Organization's financial instruments, none of which are held for trading purposes, include cash and cash equivalents, unconditional promises to give, line of credit and accounts payable. Management estimates that the fair value of all financial instruments as of June 30, 2018 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position.

NOTE 3 – CONCENTRATIONS OF CREDIT RISK

The Organization maintains one bank account which is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Organization did not exceed federally insured limits at any time during the year ended June 30, 2018.

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of promises to give due from the State of Louisiana and the United Way for South Louisiana. Because these receivables are passed through support from the federal or state governments or local donors the Organization requires no collateral for these amounts.

Bayou Council Behavioral Health Services, Inc.

Notes to the Financial Statements
As of and for the Year Ended June 30, 2018

SPECIAL REPORT OF CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Bayou Council Behavioral Health Services, Inc.
Thibodaux, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bayou Council Behavioral Health Services, Inc. (a nonprofit organization), which comprise the statement of financial position as June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 8, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bayou Council Behavioral Health Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bayou Council Behavioral Health Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we

consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify a certain deficiency in internal control, described in the accompanying Schedule of Findings and Responses as item 2018-001 that we consider to be a significant deficiency in internal control over financial reporting.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bayou Council Behavioral Health Services, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Auditee's Response to Findings

Bayou Council Behavioral Health Services, Inc.'s response to the finding identified in our audit is described in the accompanying Schedule of Findings and Responses. Such response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. This report is intended solely for the information and use of the Board of Directors, management, others within the Organization, the Louisiana Legislative Auditor, and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24.513, this report is distributed by the Louisiana Legislative Auditor as a public document.

Section II – Financial Statement Findings

2018-001

Statement of Condition: A significant deficiency in the Organization’s internal control.

Criteria: In our consideration of internal control, we noted that the size of BCBHS’s operations and its limited accounting staff preclude an adequate segregation of duties and other features of an adequate system of internal control.

Effects of Condition: The internal control, in our judgment, could adversely affect the entity’s ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Cause of Condition: The size of BCBHS and its limited accounting staff preclude an adequate segregation of duties and other features of an adequate system of internal control.

Schedule of Findings and Responses
As of and For the Year Ended
June 30, 2018

Recommendation: The Board of Directors of BCBHS should closely monitor the activities of the Organization and implement other control procedures until the agency has grown to the point where it is cost-beneficial to employ an adequate system of internal controls.
