ST. PAUL ADULT LEARNING CENTER, INC.
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED JUNE 30, 2015

1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The St. Paul Adult Learning Center, Inc. (Organization) is a Louisiana non-profit voluntary health agency, incorporated in 1987. The purpose of the Organization is to operate exclusively for charitable and educational purposes, including: extended educational opportunities to the adult population be they free or imprisoned; offering social services with a specified area to those in financial distress.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Public Support and Revenue

Contributions and grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions and grants received with donor-imposed restrictions that are met in the same year in which the contributions or grants are received are classified as unrestricted contributions and grants.

The Organization uses the allowance method to determine uncollectible receivables. The allowance is based on prior years' experience and management's analysis of specific promises made.

See independent accountants' compilation report.

FOR YEAR ENDED JUNE 30, 2015

1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$500. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method.

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently net assets.

Income Tax

The Organization is exempt from Federal Income Taxes under Section 501 (c) (3) of the Internal Revenue Code, and has been designated as an organization other than a private foundation. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to tax return examinations for the years prior to 2008.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures.

Functional Allocation of Expenses

The cost of providing the various program and activities has been summarized on a functional basis in the statement of activities. Accordingly, certain cost have been allocated amount the programs and supporting services benefited.

See independent accountants' compilation report.

4. RISK MANAGEMENT

The Organization is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Organization has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No claims were made during the year.

5. RELATED PARTY TRANSACTIONS

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. Periodically, Mrs. Forrester advances the Organization funds without a term for repayment.

6. CONTINGENCIES

The ultimate determination of amounts received under these programs generally is based upon allowable costs reported to and are subject to audit by the government. Until such audits, if any, there exists a contingency to refund any amount received in excess of allowable cost. Management is of the opinion that no material liability will result from such audits.
