## **INDEPENDENT ACCOUNTANT'S COMPILATION REPORT**

To the Board of Commissioners  
Houma-Terrebonne Public Trust Financing Authority  
Houma, Louisiana

Management is responsible for the accompanying statement of fiduciary net position of Houma-Terrebonne Public Trust Financing Authority (the Authority), a component unit of Terrebonne Parish, Louisiana, as of and for the year ended March 31, 2025, and the related statement of changes in fiduciary net position for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

### **Supplementary Information**

The accompanying schedule of compensation, benefits, and other payments to agency head is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

### **Required Supplementary Information**

Management has omitted the management's discussion and analysis information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. The management's discussion and analysis, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

**Other Matters**

Management has elected to omit substantially all the disclosures as required in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Authority's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.
