Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ashley Place Development II Limited Partnership as of December 31, 2020 and 2019, and the results of its operations, changes in partners' equity (deficit), and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A - ORGANIZATION

Ashley Place Development II, Limited Partnership (the "Partnership") was organized in 2007 to develop, construct, own, maintain, and operate a 36-unit rental housing apartment complex for persons of low and moderate income. The apartment complex is located in Denham Springs, Louisiana. All units of the apartment complex are to be rented under the requirements of Section 42 of the Internal Revenue Code (low-income housing tax credit) which will regulate the use of the apartment complex as to occupant eligibility and unit gross rent, among other requirements. The major activities and operations of the Partnership are governed by the Amended and Restated Limited Partnership Agreement (the Partnership Agreement) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, the state housing finance agency. Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Collateralization Policy for Financial Instruments

The Partnership does not require collateral to support financial instruments subject to credit risk.

Capitalization and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings 40 years Furniture, Fixtures and Equipment 10 years Site Improvements 20 years

Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of operations.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the project. At December 31, 2020 this account was funded in an amount equal to the tenants' security deposit liability.

Rental Income and Deferred Rents

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with damages and cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenant receivable balances.

The Partnership uses the direct write-off method to provide for uncollectible accounts. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.

Amortization

Organization costs are expensed as incurred. Tax credit costs have been capitalized and are being amortized over the 10 year tax credit period using the straight-line method. Accumulated amortization totaled \$14,476 and \$14,476 as of December 31, 2020 and 2019, respectively.

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

Operating Reserve

In accordance with the Partnership Agreement, the General Partner established the Operating Reserve Account. The General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount of \$124,955 out of Cash Flow or the proceeds of sales or refinancing in accordance with Section 5.1 & 5.2. During 2020, this account was funded in accordance with the Partnership Agreement. As of December 31, 2020 and 2019, the balance in this account was \$2,173 and \$2,163, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

As of December 31, 2020, the Real Estate Tax Reserve had not been funded.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reportable by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time

Distributable cash flow is defined in The Partnership Agreement as the excess of operating revenues over the sum of operating expenses and debt service.

Distributable cash flow is payable annually as follows:

- (1) to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive to satisfy any Credit Reduction Payment required pursuant to Section 6.9;
- (2) to the Operating Reserve Account until such time as such account is equal to the Operating Reserve Target Amount;
- (3) to the payment of any accrued and payable Asset Management Fees to the Asset Manager;
- (4) to the Sponsor to pay any unpaid balance on the Deferred Development Fee;
- (5) to the Real Estate Tax Reserve Account until such time as such account is equal to the Real Estate Tax Reserve Target Amount;

NOTE G – PARTNERSHIP PROFITS AND LOSSES AND DISTRIBUTIONS (CONTINUED)

- (6) to pay any accrued and unpaid interest and unpaid principal on loans made by the Limited Partner;
- (7) to repay any accrued and unpaid interest and unpaid principal on loan made by the General Partner;
- (8) to the General Partner to pay any accrued and payable Partnership Management Fee, on a cumulative basis; and
- (9) to the Services Manager to pay any accrued and payable Services Fee, on a cumulative basis.

NOTE H - CONTINGENCY

The apartment complex's low-income housing tax credits are contingent on the ability of the Partnership to maintain compliance with Section 42 of the Internal Revenue Code. Failure to maintain compliance with occupant eligibility, and/or unit gross rent, or to correct noncompliance within a specified time period could result in recapture of previously taken credits plus interest.

NOTE I – TAXABLE INCOME (LOSS)

A reconciliation of financial statement net income (loss) to taxable income (loss) of the Partnership for the years ended December 31, 2020 and 2019 is as follows:

	2020		2019
Financial Statement Net Income (Loss)	\$ (67,445)	\$(100,369)
Adjustments:			
Excess Depreciation for Income Tax Purposes Over			
Financial Reporting Purposes	37,456		21,725
Other Book/Tax Difference	 *****		
Taxable Income (Loss) Shown on Tax Return	\$ (29,989)	\$	(78,644)

NOTE J - ADVERTISING

For the years ended December 31, 2020 and 2019, the Partnership incurred advertising costs of \$309 and \$334, respectively. These costs are expensed as incurred.

NOTE K - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Partnership's sole asset is Ashley Place Development II. The Partnership's operations are concentrated in the low-income real estate market. In addition, the Partnership operates in a heavily regulated environment. The operations of the Partnership are subject to the administrative directives, rules and regulations of federal and state regulatory agencies, including but not limited to, the state housing financing agency. Such administrative directives, rules and regulations are subject to change by federal and state agencies. Such changes may occur with little notice or inadequate funding to pay for related cost, including the additional administrative burden, to comply with a change.

NOTE L - RISKS AND UNCERTAINTIES

In March 2020, the worldwide Coronavirus (Covid 19) outbreak was declared a pandemic by the World Health Organization. On March 22, 2020, the Governor of Louisiana issued a stay-at-home order; whereby, only essential businesses were allowed to remain open. The stay-at-home order may impact the Partnership's collection of revenues due to tenants' potential inability to work and pay monthly rents. If the Partnership should experience a disruption in collection of rents, this could adversely affect the Partnership's ability to meet its obligations in the future. As of the report date, the State of Louisiana was in phase II which did allow non-essential businesses to re-open at 50% capacity. In addition, the Coronavirus Aid, Relief and Economic Security (CARES) Act provides for a federal moratorium on evictions of tenants who cannot afford to pay their rent during the pandemic and live in government subsidized housing or landlords with rental properties with federally-backed mortgages. The CARES act expired on July 25, 2020. The Consolidated Appropriations Act, 2021 extended the federal moratorium until January 31, 2021, which has been further extended until March 31, 2021. Although the Partnership has not experienced a material negative impact to its results of operations, cash flows and financial position as of the report date, any future material negative impact is unknown at this time due to the highly unpredictable nature of this virus and its effects and disruption to businesses in the future.

NOTE M – SUBSEQUENT EVENTS

The Partnership has evaluated subsequent events through March 24, 2021, the date which the financial statements were available for issue.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Partners and Management of Ashley Place Development II Limited Partnership Denham Springs, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ashley Place Development II Limited Partnership, which comprise the balance sheet as of December 31, 2020, and the related statements of operations, partners equity (deficit) and cash flows for the year ended December 31, 2020, and the related notes to the financial statements, and have issued our report thereon dated March 24, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Ashley Place Development II Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ashley Place Development II Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Ashley Place Development II Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Ashley Place Development II Limited Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ashley Place Development II Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Ashley Place Development II Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ashley Place Development II Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
