#### **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

#### Report on the Financial Statements

We have audited the accompanying financial statements of **Central City Economic Opportunity Corporation (CCEOC)**, which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

#### Auditors' Responsibility, Continued

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of CCEOC's financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to CCEOC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCEOC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements previously referred to present fairly, in all material respects, the financial position of **CCEOC** as of December 31, 2019, and the changes in its net assets, functional expenses and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 30, 2020 on our consideration of CCEOC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering CCEOC's internal control over financial reporting and compliance.

## CENTRAL CITY ECONOMIC OPPORTUNITY CORPORATION NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 1 - <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>:

#### Nature of Activities

Central City Economic Opportunity Corporation (CCEOC) was organized to promote and develop economic opportunity to those in need of increased economic opportunity; to promote the education and welfare of the people of the community; and to form special interest groups as it deems necessary to solve special problems of the community.

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

#### Basis of Accounting

The financial statements of **CCEOC** are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Statement of Cash Flows

For purposes of the statement of cash flows, **CCEOC** considers all highly liquid investments with an original maturity of ninety (90) days or less when purchased to be cash equivalents. At December 31, 2019, **CCEOC** had no cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS, CONTINUED

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED:

#### Presentation of Financial Statements

The Financial Accounting Standards Board (FASB) issued Accounting Standards update No. 2016-14 affecting ASC 958, *Not-for-Profit Entities*, which established standards for external financial reporting by not-for-profit organizations. The primary objective of this update was to make certain improvements to the current reporting practices of not-for-profit entities. **CCEOC** has implemented the requirements of this update in the accompanying financial statements.

cceoc's financial statements are presented in accordance with requirements established by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in FASB ASC 958 and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit Guide for Not-for-Profit Organizations" (the Guide) update No. 2016-14. ASC 958-205 was effective January 1, 2018. Under provisions of the Guide net assets of CCEOC are classified to present the following based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of CCEOC are classified as follows:

- Net assets without donor restrictions are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of CCEOC's. CCEOC's board may designate assets without restrictions for specific operational purposes from time to time. Some donor restrictions are temporary in nature; those restrictions will be met by actions of CCEOC or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.
- Net assets with donor restrictions include grants and contributions for which donor-imposed time and/or purpose restrictions have not been met.

NOTES TO THE FINANCIAL STATEMENTS, CONTINUED

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED:

#### Deferred Revenues

Deferred revenues arise when resources are received by **CCEOC** before it has a legal claim to them. In subsequent periods, when **CCEOC** has legal claim to the resources, current period revenue is recognized and deferred revenue is reduced.

#### Functional Allocation of Expenses

The costs of providing **CCEOC's** various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefitted. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Expenses M	lethod of Allocation
Salaries and related benefits Ti	ime and effort
Occupancy	quare footage
Professional fees Fu	ıll time equivalent
Other Ti	me and effort

#### Revenue Recognition

For financial reporting, **CCEOC** recognizes all contributed support as income in the period received. Contributed support is reported as unrestricted or restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions.

NOTES TO THE FINANCIAL STATEMENTS, CONTINUED

#### NOTE 1 - <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>, CONTINUED:

#### Receivables

CCEOC considers receivables to be fully collectible since the balance consists principally of payments due under governmental contracts. If amounts due become uncollectible, they will be charged to operations when that determination is made.

#### Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to CCEOC's ongoing activities. Non-operating activities are limited to resources that generate return from investments, financing costs, and other activities considered to be a more unusual or nonrecurring nature.

#### Property and Equipment

**CCEOC** records property and equipment at cost. Donated assets are recorded at estimated value at date of donation. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally on the straight-line method.

It is the policy of **CCEOC** to capitalize all property, furniture, and equipment with an acquisition cost in excess of \$5,000.

#### Investment in Real Estate

Real estate held for investment is carried at cost not to exceed estimates of net realizable value determined on an individual project basis.

NOTES TO THE FINANCIAL STATEMENTS, CONTINUED

#### NOTE 1 - <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>, CONTINUED:

#### Fair Values of Financial Investments

Cash and cash equivalent amounts reported in the statement of financial position approximate fair value because of the short maturities of those investments.

#### **Income Taxes**

CCEOC is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. Therefore, no provision for income taxes is made in the accompanying financial statements. Should CCEOC's tax status be challenged in the future, CCEOC's 2016, 2017 and 2018 tax years are open for examination by the Internal Revenue Service.

#### NOTE 2 - CASH:

At December 31, 2019 the carrying amount of CCEOC's deposits was \$47,027 and the collected bank balance was \$49,907. The cumulative collected bank balance at December 31, 2019 is covered by federal deposit insurance up to \$250,000. Custodial credit risk is the risk that, in the event of a failure by the financial institution, CCEOC's deposits may not be returned to it. At December 31, 2019, CCEOC's deposits were fully insured against credit risk.

#### NOTE 3 - ECONOMIC DEPENDENCY:

During the year ended December 31, 2019, **CCEOC** received approximately 82% of its Federal grants from Total Community Action, Inc. (TCA) through a pass-through federal award. ## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of **Central City Economic Opportunity Corporation (CCEOC)** as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise **CCEOC's** financial statements, and have issued our report thereon dated November 30, 2020.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered **CCEOC's** internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **CCEOC's** internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of **CCEOC's** internal control over financial reporting.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

#### Internal Control Over Financial Reporting, Continued

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

A significant deficiency over financial reporting is a deficiency, or a combination of deficiencies in internal control over financial reporting, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness over financial reporting is a deficiency, or a combination of deficiencies in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of **CCEOC's** financial statements will not be prevented, or detected and corrected in a timely basis.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether **CCEOC**'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of **CCEOC's** internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **CCEOC's** internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

#### Report on Compliance for Major Federal Program

We have audited **Central City Economic Opportunity Corporation's (CCEOC)** compliance with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on **CCEOC's** major federal program for the year ended December 31, 2019. **CCEOC's** major federal program is identified in the Summary of Auditors' Results section of the accompanying Summary Schedule of Findings and Questioned Costs.

#### Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY *THE UNIFORM GUIDANCE* (CONTINUED)

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for CCEOC's major federal program based on our audit of the types of compliance requirements previously described. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America; and the audit requirements of Title II of the United States Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CCEOC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for its major federal program. However, our audit does not provide a legal determination of **CCEOC's** compliance.

#### Opinion on Major Federal Program

In our opinion, CCEOC complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2019.

#### **Other Matters**

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with *the Uniform Guidance* and which is described in the accompanying Summary Schedule of Findings and Questioned Costs as item 2019-001. Our opinion on **CCEOC's** major federal program is not modified with respect to this matter.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY *THE UNIFORM GUIDANCE* (CONTINUED)

#### **CCEOC's Response to Finding**

CCEOC's response to the noncompliance finding identified in our audit is described in the accompanying Summary Schedule of Findings and Questioned Costs under the caption "Management's Response and Planned Corrective Action" and/or "Current Status". CCEOC's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on this response.

#### Report on Internal Control Over Compliance

Management of **CCEOC** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements previously discussed. In planning and performing our audit of compliance, we considered **CCEOC**'s internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **CCEOC's** internal control over compliance.

Our consideration of the internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in **CCEOC**'s internal control over compliance that might be significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

#### Report on Internal Control Over Compliance, Continued

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis.

A *significant deficiency* in internal control over compliance is a deficiency or a combination of control deficiencies in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* in internal control over compliance in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected in a timely basis.

#### Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *the Uniform Guidance*. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

### INDEPENDENT AUDITORS' REPORT ON OTHER MATTERS RELATED TO INTERNAL CONTROL

To the Board of Directors

Central City Economic Opportunity Corporation

New Orleans, Louisiana

Management of Central City Economic Opportunity Corporation (CCEOC) is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements of CCEOC as of and for the year ended December 31, 2019, we considered CCEOC's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the financial statements and not for the purpose of expressing an opinion on the effectiveness of CCEOC's internal control. Accordingly, we do not express an opinion on the effectiveness of CCEOC's internal control.

During our audit, we became aware of other matters that provide an opportunity for **CCEOC** to strengthen its internal control and operating efficiency.

We previously reported on **CCEOC's** internal control in our report dated November 30, 2020. This letter does not affect our report dated November 30, 2020 on the financial statements of **CCEOC**.

We will review the status of these other matters during our next engagement. We have already discussed these other matters with **CCEOC's** personnel, and we will be pleased to discuss these other matters in further detail at your convenience.

## Current Year's Other Matters 2019

Our discussion of current year's other matters follows:

#### Reference Number

OM 2019-001

#### **Criteria**

Management of **CCEOC** is responsible for the design, implementation and operation of internal control to ensure that accounting transactions are properly supported to achieve reliability of financial reporting.

#### Condition

Our testing of internal control processes over cash disbursement transactions revealed the following conditions:

- Twelve (12) of a sample of thirty-four (34) transactions revealed the absence of documented evidence to support approval for payment. It is our understanding through discussion with management that invoices processed for vendors on contract are not reviewed for approval prior to payment.
- In fourteen (14) of thirty-four (34) cash disbursement transactions reviewed, we noted no documented evidence of the mathematical verification of the paid invoice amount.

#### Context

Total operating and nonoperating revenues and expenses for the year ended December 31, 2019 were \$1,795,533 and \$1,787,952, respectively.

## Current Year's Other Matters, Continued 2019

Reference Number, Continued OM 2019-001

#### **Effect or Potential Effect**

The potential risk of misappropriation of assets.

#### <u>Cause</u>

Size of personnel coupled with the level of operations.

#### Recommendation

Management should continue to assess its current practices to ensure compliance with established internal control processes and related documentation requirements.

#### Management's Response and Planned Corrective Action

Management will continue to provide the necessary level of oversight. Further, assessment of the current internal control will be performed to implement offsetting controls where feasible.

## Current Year's Other Matters, Continued 2019

#### Criteria

Management is required to establish and maintain internal controls designed to reasonably ensure completeness in recorded financial transactions. Further, such a system should ensure the safeguarding of assets.

#### Condition

Considering the personnel size of CCEOC's operations, the elements of an effective segregation of duties are not practical and/or cost effective.

#### Context

Total operating and nonoperating revenues and expenses for the year ended December 31, 2019 were \$1,795,533 and \$1,787,952, respectively.

### Current Year's Other Matters, Continued 2019

#### Recommendation

Management should re-evaluate and assess areas for segregation of duties in its custodial and recordation functions. Further, management should consider opportunities for the implementation of offsetting controls.

Management will continue to provide the necessary level of oversight. Further, assessment of the current internal control will be performed to implement offsetting controls where feasible.

## Prior Year's Other Matters 2018

The status of prior year's other matters follows:

#### Reference Number

OM 2018-001

#### Criteria

Management of **CCEOC** is responsible for the design, implementation and operation of internal control to ensure that accounting transactions are properly supported to achieve reliability of financial reporting.

#### **Condition**

Our testing of internal control processes over cash receipts and disbursement transactions revealed the following conditions:

- In six (6) of thirteen (13) transactions reviewed, we noted no specific documented evidence of the business purpose. **CCEOC's** current purchase requisition form requires the inscription of the business purpose to include the program and/or department being charged.
- CCEOC's three (3) bank account reconciliations reviewed for the month of December 2018, revealed inscribed dates to evidence review and approval of December 31, 2018 instead of the date of actual review and approval.

## Prior Year's Other Matters, Continued 2018

#### Reference Number

OM 2018-001

#### Condition, Continued

- For eight (8) of twenty-five (25) cash disbursement transactions reviewed, we noted
  no documented evidence of the mathematical verification of the paid amount. It is our
  understanding through discussions with management that the verification was
  performed but not documented in writing.
- For three (3) of four (4) deposit transactions reviewed, we noted no documented evidence of the date of receipt to verify the timeliness in deposit of said funds.
- In all four (4) cash collection transactions reviewed, we noted no evidence of pernumbered receipts issued and accounted for in the cash reconciliation process. Management was unable to locate copies of the receipts or a system generated report to support receipts issued.

#### **Context**

Total operating revenues and expenses for the year ended December 31, 2018 were \$2,004,407 and \$2,074,954, respectively.

## Prior Year's Other Matters, Continued 2018

Reference Number, Continued OM 2018-001

#### **Effect or Potential Effect**

#### **Cause**

Size of personnel coupled with the level of operations.

#### Recommendation

Management should continue to assess its current practices to ensure compliance with established internal control processes and related documentation requirements.

#### **Current Status**

Unresolved. See current year's other matter referenced numbers OM 2019-001, OM 2019-003, and OM 2019-004.

## Prior Year's Other Matters, Continued 2018

#### Reference Number

OM 2018-002

#### Criteria

Management is required to establish and maintain internal controls designed to reasonably ensure completeness in recorded financial transactions. Further, such a system should ensure the safeguarding of assets.

#### **Condition**

Considering the personnel size of CCEOC's operations, the elements of an effective segregation of duties are not practical and/or cost effective.

#### **Context**

Total operating revenues and expenses for the year ended December 31, 2018 were \$2,004,407 and \$2,074,954, respectively.

## Prior Year's Other Matters, Continued 2018

#### **Condition**

Currently, CCEOC does not have a formally adopted cost allocation policy.

#### **Context**

Total expenses for the year ended December 31, 2017 were \$2,281,264.

#### **Effect or Potential Effect**

The potential for mis-allocation of program cost.

## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING STATEWIDE AGREED-UPON PROCEDURES

To the Board of Directors **Central City Economic Opportunity Corporation** New Orleans, Louisiana

We have performed the procedures enumerated below, which were agreed to by Central City Economic Opportunity Corporation (CCEOC) and the Louisiana Legislative Auditor (LLA) on the control and compliance areas identified in the Louisiana Legislative Auditor's Statewide Agreed-Upon Procedures (SAUP) for the year ended December 31, 2019. CCEOC's management is responsible for those control and compliance identified in the SAUP.

This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the following procedures described either for the purpose for which this report has been requested or for any other purpose.

The procedures and related findings to the SAUP are as follows:

#### Collections

#### 1. Procedure

We obtained a listing of deposit sites for the year ended December 31, 2019 where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. We selected **CCEOC's** only deposit site.

#### Finding

No exceptions noted.

#### 2. Procedure

For the deposit site selected, we obtained a listing of CCEOC's collection location and management's representation that the listing is complete. We selected the only collection location for the deposit site, obtained and inspected written policies and procedures relating to employee job duties at the collection location, and observed that job duties are properly segregated at the collection location such that:

a) Employees that are responsible for cash collections do not share cash drawers/registers.

#### Finding

#### No exceptions noted.

b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.

#### Collections, Continued

#### 2. Procedure, Continued

#### **Finding**

#### No exceptions noted.

c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.

#### **Finding**

#### No exceptions noted.

d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.

#### Finding

No exceptions noted.

#### 3. Procedure

We inquired of management that all employees who have access to cash are covered by a bond or insurance policy for theft.

#### **Finding**

#### Collections, Continued

#### 4. Procedure

We randomly selected two (2) deposit dates for each of the three (3) listed bank accounts. We obtained supporting documentation for each of the six (6) deposits and:

a) We observed that receipts are sequentially pre-numbered.

#### **Finding**

For the sample of six (6) transactions selected, we noted that receipts were not consistently pre-numbered sequentially in a cumulative manner.

#### Management's Response

Management is exploring its ability to integrate a pre-numbered reporting of collections within its existing system.

b) Traced sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.

#### **Finding**

CCEOC was unable to provide consistently pre-numbered sequential receipts. However, we were able to trace collection documentation to the deposit slips.

#### Management's Response

Management is exploring its ability to integrate a pre-numbered reporting of collections within its existing system.

c) Traced the deposit slip total to the actual deposit per the bank statement.

#### **Finding**

#### Collections, Continued

#### 4. Procedure, Continued

d) We observed that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).

#### **Finding**

CCEOC's collection deposits tested, were made within its established policy of two (2) days upon receipt.

e) Traced actual deposit per the bank statement to the general ledger.

#### **Finding**

No exceptions noted.

#### Credit Cards/Debit Cards/Fuel Cards

#### 5. Procedure

We obtained from management a listing of all active credit cards, and fuel cards for the year ended December 31, 2019, including the card numbers and the names of the persons who maintained possessing of the cards. We obtained management's representation that the listing is complete.

#### **Finding**

#### Credit Cards/Debit Cards/Fuel Cards, Continued

#### 6. Procedure

Using the listing prepared by management, we randomly selected all cards that were used during the year ended December 31, 2019. We randomly selected one (1) monthly statement or combined statement for each card, and obtained supporting documentation, and:

a) We observed that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchased, exception reports for excessive fuel card usage) was reviewed and approved, in writing, by someone other than the authorized card holder.

#### **Finding**

#### No exceptions noted.

b) We observed that finance charges and late fees were not assessed on the selected statements.

#### Finding

No exceptions noted.

#### 7. Procedure

Using the monthly statements or combined statements under item #6, excluding fuel cards, we randomly selected ten (10) transactions from each statement, and obtained supporting documentation for the transactions. For each transaction, we observed that it was supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only).

#### **Finding**

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions, respectively, on those compliance and control areas identified in the SAUP. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on those compliance and control areas identified in the SAUP, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
