#### 1) <u>Description of the nonprofit Corporation</u>

The purpose of Visit Kenner, Inc. (the Corporation) is to provide for the encouragement, solicitation, promotion, procurement and servicing of sporting events, conventions, conferences, meetings, seminars and other events; to develop tourism through the attraction of visitors and group tours to Kenner and to provide education regarding the importance of the convention and visitor industry to the local economy; affect cooperation between businesses and industries servicing visitors, conventions and other meetings; receive and disburse funds derived from the Hotel Occupancy Tax imposed by local governments in accordance with the contractual or other arrangements with such governments; and receive and disburse private funds for the Corporation.

#### 2) Summary of significant accounting policies

#### (a) Basis of presentation

The financial statements of Visit Kenner, Inc. have been prepared in accordance with United States generally accepted accounting principles (U.S. GAAP), which requires the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Corporation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Visit Kenner, Inc. or by the passage of time. Other donor restrictions may be perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

#### (b) <u>Income taxes</u>

Visit Kenner, Inc. is exempt from income tax under Internal Revenue Code section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Corporation has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to evaluate other matters that may be considered tax positions. The Corporation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. With few exceptions, the Corporation is not subject to U. S. federal and state examinations by tax authorities beyond three years from the filing of those returns.

#### (c) Use of estimates

The preparation of financial statements in conformity with U. S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

For the Years Ended December 31, 2024 and 2023

#### 2) Summary of significant accounting policies (continued)

#### (d) Cash and cash equivalents

For purposes of the statements of cash flows, the Corporation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### (e) Revenue recognition

The Corporation recognizes contributions when cash, other assets, an unconditional promise to give or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

A portion of the Corporation's revenue is derived from hotel sales tax through the Cooperative Endeavor Agreements (CEA) with the City of Kenner as disclosed in Note 4. These funds are conditioned upon the use of certain qualifying expenses. Amounts received are recognized as revenue when the Corporation has incurred expenditures in compliance with the CEA.

The Corporation earns a portion of its revenue from cost-reimbursable state contracts and grants, which are conditioned upon certain performance requirements and incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Corporation has incurred expenses in compliance with specific contract provisions.

#### (f) Promises to give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at their present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicate to the years in which the promises are received. Discount amortization is included in contribution revenue. Conditional promises to give are not included as support until the conditions are met. The Corporation determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. At December 31, 2024 and 2023, the allowance was \$-0-.

#### (g) Functional expenses

The cost of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Expense	Method of Allocation
Insurance	Time and effort
Office supplies	Time and effort
Payroll taxes and benefits	Time and effort
Salaries	Time and effort

For the Years Ended December 31, 2024 and 2023

#### 2) Summary of significant accounting policies (continued)

#### (h) Concentrations of credit risk

Financial instruments that potentially subject Visit Kenner, Inc. to concentrations of credit risk consist principally of cash and cash equivalents. The Corporation maintains it cash and cash equivalents in various bank accounts that, at times, may exceed federally insured limits. The Corporation's cash and cash equivalent accounts have been placed with high credit quality.

The Corporation has not experienced, nor does it anticipate, any losses with respect to such accounts.

#### (i) Contributions

Contributions received are recorded as net assets without donor restrictions or net asset with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restrictions is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

#### (j) Donated services

Many individuals volunteer their time and perform a variety of tasks that assist the Corporation with carrying out its mission. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, Not-For-Profit Entities.

#### (k) Advertising

Advertising costs are expensed as incurred and approximated \$53,000 and \$47,000 during the years ended December 31, 2024 and 2023, respectively.

#### (l) Leases

Visit Kenner Inc. leases a building for their office space. Visit Kenner Inc. determines if an arrangement is a lease at inception. Operating lease assets and liabilities are recognized at the lease commencement date. Operating lease liabilities represent the present value of minimum lease payments not yet paid. Operating lease assets represent the right to use an underlying asset and are based upon the operating lease liabilities. To determine the present value of lease payments, Visit Kenner Inc. uses the risk-free interest rate.

The lease term includes the initial contractual terms as well as any options to extend the lease when it is reasonably certain that Visit Kenner Inc. will exercise that option. Leases with an initial term of 12 months or less are not recorded on the statements of financial position. Operating lease payments are charged on a straight-line basis to rent expense over the lease
