INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Audit Committee and Board of Directors of
Pennington Biomedical Research Foundation,
the Louisiana Legislative Auditor, and the Board of Regents
Baton Rouge, Louisiana

We have performed the procedures enumerated below related to Pennington Biomedical Research Foundation's (the Foundation) compliance with the Louisiana Board of Regents' Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program Policies (the Policies) during the period July 1, 2025 to June 30, 2026. The Foundation's management is responsible for the Foundation's compliance with the Policies.

The Foundation has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting the Louisiana Legislative Auditor in their audit of the Louisiana State University System (the University) for the year ended June 30, 2026. Additionally, the Louisiana Legislative Auditor has agreed to and acknowledged that the procedures performed are appropriate for their purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

1) Summed the totals on the Annual Report on the Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program submitted to the Board of Regents for the year ended June 30, 2026 and agreed the amounts to the accounting records of the Foundation.

   No exceptions were noted as a result of the above procedure.

2) Observed that the actual amount expended from each of the Endowed Chairs and Endowed Professorships per the Endowment Invoice was equal to or less than the actual amount allocated for expenditure per the Approved Spending Allocation for the year ended June 30, 2026, in accordance with the Board of Regents spending guidelines as stated in the Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program's Statement of Investment Policy and Objectives.

   No exceptions were noted as a result of the above procedure. See Exhibit A for listing of Endowed Chairs and Professorships.

3) Selected and inspected a sample of 25 disbursements related to the Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program for the year ended June 30, 2026, and observed that expenditures were in compliance with Board of Regents spending guidelines as stated in the Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program's Statement of Investment Policy and Objectives based on support obtained. Obtained support, including invoices, travel vouchers, receipts, and employee personnel action forms, for each disbursement and payroll transaction selected.

   No exceptions were noted as a result of the above procedure.

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC and its subsidiary entities provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

4) Obtained the portfolio composition and asset allocation of all Endowed Chairs and Endowed Professorships per the Board of Regents' Endowment Report as of June 30, 2026 and compared it to the Board of Regents' Eminent Scholars Endowed Chairs Program and the Endowed Professorship Program's Statement of Investment Policy and Objectives. Obtained the investment statements for each Chair and Professorship to observe that the allocation of equities and fixed income investments are within the stated investment policy guidelines and that only allowable funds per the policy were purchased.

No exceptions were noted as a result of the above procedure.

5) Earnings are allocated based on the percentage of the individual chairs and professorships to the pooled assets as a whole. Recalculated the percentage used by management and the earnings allocated to each individual chair and professorship on the Quarterly Investment Reports for the year ended June 30, 2026.

No exceptions were noted as a result of the above procedure.

6) Agreed the total amount of Eminent Scholars Endowed Chairs Program and Endowed Professorship Program assets per investment statements to the Foundation's schedules as of June 30, 2026.

No exceptions were noted as a result of the above procedure.

We were engaged by the Foundation to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Foundation's compliance with the Policies. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the Pennington Biomedical Research Foundation, Louisiana University System, the Louisiana Legislative Auditor, and the Board of Regents, and is not intended to be and should not be used by anyone other than these specified parties.
