Member AICPA

To the Board Members of the Gas Utility District No. 1 of East Feliciana Parish PO Box 39 Wilson, LA 70789

Management is responsible for the accompanying statement of revenues, expenses, and changes in net position of the business-type activities of Gas Utility District No. 1 of East Feliciana Parish, a component unit of the East Feliciana Parish Policy Jury, as of and for the two years ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the City's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis and budget comparison schedule that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to my compilation engagement. I have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

I am not independent with respect to Gas Utility District No. 1 of East Feliciana Parish.
