## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Lake Charles Charter Academy Foundation, Inc.  
Lake Charles, Louisiana

We have audited the accompanying financial statements of Lake Charles Charter Academy Foundation, Inc. (the "Foundation"), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lake Charles Charter Academy Foundation, Inc as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Board of Directors and Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer on pages 15 and 16 are presented for purposes of additional analysis and are not a required part of the combined financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Performance and Statistical Data, included as Schedules 1 and 2 and the Louisiana Legislative Auditor Statewide Agreed-Upon Procedures on pages 28 through 30, are not a required part of the financial statements, but are supplementary information required by Louisiana State Law. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. We have applied certain limited procedures, which are described in the Independent Accountant's Reports on Applying Agreed-Upon Procedures. However, we did not audit this information and, accordingly, express no opinion on it.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2018, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

## Note 1 - Organization and Operations

**Organization:** Lake Charles Charter Academy Foundation, Inc. (the "Foundation"), a Louisiana not-for-profit corporation, was formed on April 5, 2011 exclusively for educational purposes and is comprised of respected leaders in the Lake Charles community that are committed to providing high quality educational options for the citizens of the Calcasieu Parish. Lake Charles Charter Academy (the "School"), a Department of the Foundation, was established as a charter school in May 2011 for students from kindergarten to eighth grade in the Louisiana Parish of Calcasieu.

**Nature of activities:** Lake Charles Charter Academy Foundation, Inc. was granted a charter by the Louisiana Board of Elementary and Secondary Education ("BESE") in 2011 to operate a Type 2 public charter school. The current charter is in effect until June 2022. The charter may be renewed at the discretion of BESE.

The Foundation seeks to provide educational services according to the educational standards established by law, the charter contract and the charter application/proposal; measure pupil progress toward stated goal; and participate in pupil assessment required by law, regulation and BESE policy.

The mission of the Foundation is to become a powerful platform of change through the creation of a network of high-performing charter schools that will target traditionally underserved students and ensure that every student realizes their academic and personal potential.

The mission of the School is to provide students with the necessary tools and skills needed to develop superior levels of achievement. The School strives for academic, social and physical excellence by providing a quality and challenging curriculum. The School promotes positive moral and social values, fosters an atmosphere of self-discipline in a safe learning environment, and maximizes individual productivity to meet the needs of a changing global society. The School's students will be able to maximize their potential for successfully actualizing their goals with confidence and intrinsic motivation, thereby enabling each student to become a lifelong learner and strong functional contributor to their local community as well as their global community.

## Note 2 - Summary of Significant Accounting Policies

**Basis of presentation:** The financial statements presentation follows the recommendation of the Financial Accounting Standards Board in its Accounting Standards Codification (FASB ASC) No. 958, Financial Statements of Not-for-Profit Organizations. Under FASB ASC No. 958, the reporting organization is required to report information regarding the financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**Basis of accounting:** Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. The financial statements of the Foundation are prepared on the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

**Revenue recognition:** Revenues from governmental grants are recognized when allowable expenditures are made by the Foundation. Funds received for specific purposes but not yet expended are recorded as deferred revenue.

**Note 2 - Summary of Significant Accounting Policies (continued)**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

The Foundation reports no temporarily restricted or permanently restricted net assets as of June 30, 2018.

**Minimum Foundation Program (MFP):** The School, as a Type 2 charter school, received funding from BESE in an amount for pupils based on estimated daily attendance at school. The amount of funding received is adjusted during the school year based on the October 1st and February 1st student counts and the result of any audits performed.

**Cash and cash equivalents:** The Foundation considers all highly liquid or short-term investments with a maturity of three months or less when purchased to be cash equivalents. The Foundation routinely maintains cash balances at financial institutions which exceed federally insured amounts. The Foundation has not experienced any losses and does not believe that a significant credit risk exists as a result of this practice.

**Property and equipment:** Property and equipment purchased or acquired are capitalized at historical cost or estimated historical cost. Donated property and equipment assets are reported at acquisition value as of the date received. Additions, improvements, and other major renewals that significantly extend the useful life of an asset are capitalized and depreciated over the remaining useful lives of the related assets. Other costs incurred for repairs and maintenance are charged to expense as incurred.

Depreciation on all assets is provided on the straight-line basis over the estimated useful lives as follows:

Buildings	45 years
Furniture, fixtures and equipment	5 years
Computer equipment and software	3 years
Building improvements	10 years

**Prepaid items:** Certain payments reflect costs applicable to services for a future accounting period and are recorded as prepaid expenses in the accompanying financial statements.

**Compensated absences:** The School's policy permits employees to accumulate earned but unused paid time off, which is eligible for payment upon separation from service. The liability for such leave is reported as incurred in the financial statements. The liability for compensated absences includes salary-related benefits, where applicable.

**Bond issuance costs and provision for amortization:** The Foundation incurred certain costs in connection with the issuance of its bonds. These costs have been capitalized for financial reporting purposes and are amortized over the term of the bonds on a straight-line basis. In accordance with the guidance of Financial Accounting Standards Board in its Accounting Standards Update 2015-03, *Interest-Imputation of Interest*, the Organization has presented its bond issuance costs in the statement of financial position as a direct deduction from the bond payable.

**Note 2 - Summary of Significant Accounting Policies (continued)**

Total provision for amortization was \$ 19,162 for the year ended June 30, 2018.

**Deferred revenue:** Deferred revenue is recorded in connection with resources that have been received, but not yet earned.

**Functional allocation of expenses:** The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among instructional and support services in the accompanying statement of activities.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

**Date of management's review:** Subsequent events have been evaluated through December 21, 2018, which is the date the financial statements were issued.

**Note 3 - Custodial Funds - Cash**

As a service to the various school club and parent organizations, the School permits these organizations to deposit their own funds in a separate School checking account. Since these funds do not belong to the School, they are also recorded as a liability in the statement of net position.

**Note 4 - Restricted Investments**

Previously, the Foundation borrowed funds for construction of facilities for the School (Note 8). The restricted investments of the School are governed by the Bond Indenture and are held by the Trustee. At June 30, 2018, the School has \$ 1,406,255 invested in a money market mutual fund that is stated at amortized cost which approximates fair value. The investments are restricted for debt service (Note 8) and other activities as follows:

Series 2011A & B Debt Service Reserve Fund	\$ 1,391,558
Series 2011 A & B Revenue Fund	<u>14,697</u>
Total restricted investments	<u>\$ 1,406,255</u>

Credit Risk

*Concentration of credit risk* is the risk of loss attributed to the magnitude of investment in a single issuer. The exposure to credit risk is limited because the money market mutual fund is rated Aaa-mf by Moody's.

**Note 4 - Restricted Investments (continued)**

*Interest rate risk* is the risk that changes in interest rate will adversely affect the fair value of an investment. The exposure to declines in fair values is limited because the weighted average maturity of the money market mutual fund is twenty-six days.

**Note 5 - Grants Receivable**

As of June 30, 2018, grants receivable consisted of amounts due from the following sources:

<u>Receivables</u>	<u>Amount</u>
Title II	\$ 4,480
IDEA	7,784
National School Lunch Program	39,017
Early Childhood Education	7,032
Temporary Assistance for Needy Families	<u>3,848</u>
	<u>\$ 62,161</u>

**Note 6 - Due From Related Party**

The Foundation and Southwest Louisiana Charter Academy Foundation, Inc. ("SLCAF") are related, as they share common board membership. As of June 30, 2018, the financial statements include an amount due from SLCAF in the amount of \$ 1,066,223.

**Note 7 - Property and Equipment**

Property and equipment balances and activity for the year ended June 30, 2018, are as follows:

Land	\$ 1,254,128
Building	11,361,592
Computer equipment and software	1,303,483
Furniture, fixtures and equipment	780,852
Building improvements	<u>355,114</u>
	15,055,169
Less: accumulated depreciation	<u>(3,239,294)</u>
Property and equipment, net	<u>\$ 11,815,875</u>

Depreciation expense for the year ended June 30, 2018 totaled \$ 556,860.

If certain governmental funding is used to acquire tangible property assets, the BESE has a reversionary interest in those assets. In the event of nonrenewal, termination, or breach of the charter school agreement, ownership of the assets would automatically revert to BESE.

**Note 1 - Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the Federal grant activity of the Foundation for the year ending June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Foundation, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Foundation.

**Note 2 - Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and/or OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**Note 3 - Indirect Cost Rate**

The Foundation did not elect to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

**Note 4 - Contingency**

The grants and contracts revenue received are subject to audit and adjustment. If any expenditures or expenses are disallowed by the grantor agencies as a result of such an audit, any claim for reimbursement to the grantor agencies would become a liability of the Foundation. In the opinion of management, all grant and contract expenditures are in compliance with the terms of the agreements and applicable Federal and state and other applicable regulations.

# INTERNAL CONTROLS AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees  
Lake Charles Charter Academy Foundation, Inc.  
Lake Charles, Louisiana

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Lake Charles Charter Academy Foundation, Inc. (a nonprofit organization) (the "Foundation"), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2018.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Foundation's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Foundation’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees  
Lake Charles Charter Academy Foundation, Inc.  
Lake Charles, Louisiana

**Report on Compliance for Each Major Federal Program**

We have audited Lake Charles Charter Academy Foundation, Inc.'s (the "Foundation") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Foundation's major federal programs for the year ended June 30, 2018. The Foundation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Foundation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Foundation's compliance.

**Opinion on Each Major Federal Program**

In our opinion, the Foundation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

## Report on Internal Control Over Compliance

Management of the Foundation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Foundation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**LOUISIANA LEGISLATIVE AUDITOR  
STATEWIDE AGREED-UPON PROCEDURES**

INDEPENDENT ACCOUNTANT'S REPORT ON  
APPLYING AGREED-UPON PROCEDURES

To the Board of Trustees  
Lake Charles Charter Academy Foundation, Inc.  
Lake Charles, Louisiana

We have performed the procedures enumerated below, which were agreed to by Lake Charles Charter Academy Foundation, Inc. (the "Entity") and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2017 through June 30, 2018. The Entity's management is responsible for those C/C areas identified in the SAUPs.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

**Written Policies and Procedures**

1. We obtained the entity's written policies and procedures and reported whether those written policies and procedures address each of the following financial/business functions (or reported that the entity does not have any written policies and procedures), as applicable:
  - a) **Budgeting**, including preparing, adopting, monitoring, and amending the budget
  - b) **Purchasing**, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the public bid law; and (5) documentation required to be maintained for all bids and price quotes.
  - c) **Disbursements**, including processing, reviewing, and approving
  - d) **Receipts**, including receiving, recording, and preparing deposits
  - e) **Payroll/Personnel**, including (1) payroll processing, and (2) reviewing and approving time and attendance records, including leave and overtime worked.
  - f) **Contracting**, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process
  - g) **Credit Cards (and debit cards, fuel cards, P-Cards, if applicable)**, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers, and (5) monitoring card usage
  - h) **Travel and expense reimbursement**, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers

**Comment:** We noted that the Entity does not have written purchasing policies addressing the following:

- a) controls to ensure compliance with the public bid law
- b) documentation required to be maintained for all bids and price quotes

### Collections

2. We obtained a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete.
3. We noted that there is a central person at each deposit site through which collections are deposited. Using the listing provided by management, we obtained and inspected written policies and procedures relating to employee job duties at each deposit site, and observed that job duties are properly segregated at each collection location such that:
  - a) Employees that are responsible for cash collections do not share cash drawers/registers.
  - b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.
  - c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
  - d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.
4. We inquired of management that all employees who have access to cash are covered by a bond or insurance policy for theft.
5. We randomly selected two deposit dates from the general ledger or other accounting records during the fiscal period for each cash account and:
  - a) Observed that receipts are sequentially pre-numbered.
  - b) Traced sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
  - c) Traced the deposit slip total to the actual deposit per the bank statement
  - d) Observed that the deposit was made within one business day of receipt at the collection location (within one week if the deposit was less than \$100).
  - e) Traced the actual deposit per the bank statement to the general ledger.

**Comment:** In testing, we discovered that certain deposit component items had been collected as many as eighty-one days prior to depositing into the bank account. This pattern for the period between collection and depositing seemed to be unpredictable, and in some instances, was as short as one day.

**Credit Cards/Debit Cards/Fuel Cards/P-Cards**

6. We obtained from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards), including the card numbers and the names of the persons who maintained possession of the cards. We obtained management's representation that the listing is complete.
7. Using the listing prepared by management, we randomly selected 5 cards (or all cards if the entity has less than 5 cards) that were used during the fiscal period. We randomly selected one monthly statement or combined statement for each card, obtained supporting documentation, and:
  - a) Observed that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing, by someone other than the authorized card holder.
  - b) Observed that finance charges and late fees were not assessed on the selected statements.
8. Using the monthly statements or combined statements selected under #7 above, excluding fuel cards, we randomly selected 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing). For each transaction, we observed that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only).

**Comment:** No findings were identified.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
