INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Indigent Public Defender
Thirteenth Judicial District
Indigent Defender Fund
Evangeline Parish, Louisiana

We have reviewed the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Thirteenth Judicial District Indigent Defender Fund as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Indigent Defender Fund's basic financial statements as listed in the table of contents. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA and the standards applicable to review engagements contained in Government Auditing Standards, issued by the United States Comptroller General. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

To the Indigent Public Defender
Thirteenth Judicial District
Indigent Defender Fund

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule on page 21 is presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context. Such information is the responsibility of management. We have not audited, reviewed, or compiled the required supplementary information and we do not express an opinion, a conclusion, nor provide any assurance on it.

Management has omitted the management's discussion and analysis information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Other Matters

In accordance with the Louisiana Governmental Audit Guide and the provisions of state law, we have issued a report, dated November 19, 2020, on the results of our agreed-upon procedures.

Notes to the Basic Financial Statements

(1) Summary of Significant Accounting Policies

The accompanying financial statements of the Thirteenth Judicial District Indigent Defender Fund (Indigent Defender Fund) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. GAAP includes all relevant Governmental Accounting Standards Board (GASB) pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this note.

The following is a summary of certain significant accounting policies:

A. Financial Reporting Entity

The Thirteenth Judicial District Indigent Defender Fund has been created by and in accordance with provisions of Louisiana Revised Statute 15:141-184 and Act 307 cited as the Louisiana Indigent Defender Fund Act, for the purpose of employing appointed attorneys to defend indigent defenders.

This report includes all funds, which are controlled by or dependent on the Indigent Defender Fund as an independent political subdivision of the State of Louisiana. The Indigent Defender Fund is part of the district court system of the State of Louisiana, however it operates independently. These financial statements include only the transactions of this Indigent Defender Fund.

B. Basis of Presentation

Government-Wide Financial Statements (GWFS)

The statement of net position and statement of activities display information about the reporting government as a whole. They include the fund of the reporting entity, which is considered to be a governmental activity. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the Indigent Defender Fund's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) fees and charges paid by the recipients for goods or services offered by the programs, and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

Fund Financial Statements (FFS)

The accounts of the Indigent Defender Fund are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a separate set of self-balancing accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The fund of the Indigent Defender Fund is classified as a governmental fund. The emphasis on fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. A fund is considered major if it is the primary operating fund of the entity or meets the following criteria:

- a. Total assets, liabilities, revenues, or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and
- b. Total assets, liabilities, revenues, or expenditures/expenses of the individual governmental or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.

The major fund and only fund of the Indigent Defender Fund is described below:

Governmental Fund -

General Fund

The General Fund, as provided by Louisiana Revised Statute 13:781, is the principal fund of the Indigent Defender Fund and is used to account for the operations of the Indigent Defender Fund's office. The various fees and charges due to the Indigent Defender Fund's office are accounted for in this fund. General operating expenditures are paid from this fund.

C. Measurement Focus/Basis of Accounting

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

Measurement Focus

On the government-wide statement of net position and the statement of activities, governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery) and financial position. All assets and liabilities (whether current or noncurrent) associated with its activities are reported. Government-wide fund equity is classified as net position. In the fund financial statements, the "current financial resources" measurement focus is used. Only current financial assets and liabilities are generally included on its balance sheet. Their operating statement presents sources and uses of available spendable financial resources during a given period. This fund uses fund balance as its measure of available spendable financial resources at the end of the period.

Basis of Accounting

In the government-wide statement of net position and statement of activities, the governmental activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred, or economic asset used. Revenues, expenses, gains, losses, assets, deferred outflows of resources, liabilities, and deferred inflows of resources resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Revenues are classified by source and expenditures are classified by function and character. Expenditures (including capital outlay) generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

When both restricted and unrestricted resources are available for use, it is the Indigent Defender Fund's policy to use restricted resources first, then unrestricted resources as they are needed.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

Program revenues

Program revenues included in the statement of activities are derived directly from the program itself or from parties outside the Indigent Defender Fund's taxpayers or citizenry, as a whole; program revenues reduce the cost of the function to be financed from the Indigent Defender Fund's general revenues.

Allocation of indirect expenses

The Indigent Defender Fund reports all direct expenses by function in the statement of activities. Direct expenses are those that are clearly identifiable with a function. Indirect expenses of other functions are not allocated to those functions but are reported separately in the statement of activities. Depreciation expense is specifically identified by function and is included in the direct expense of each function. Interest on long-term debt is considered an indirect expense and is reported separately on the statement of activities.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Equity

Cash and interest-bearing deposits

For purposes of the statement of net position, cash and interest-bearing deposits include all demand accounts, savings accounts, and certificates of deposits of the Indigent Defender Fund.

Receivables

In the government-wide statements, receivables consist of all revenues earned at year-end and not yet received. Major receivable balances for the governmental activities include court costs on fines and forfeitures.

Deferred Outflows of Resources and Deferred Inflows of Resources

In some instances, the GASB requires a government to delay recognition of decreases in net position as expenditures until a future period. In other instances, governments are required to delay recognition of increases in net position as revenues until a future period. In these circumstances, deferred outflows of resources and deferred inflows of resources result from the delayed recognition of expenditures or revenues, respectively. There are no deferred inflows or outflows as of June 30, 2020.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

Equity Classifications

In the government-wide statements, equity is classified as net position and displayed in three components:

- a. Net investment in capital assets – consists of net capital assets reduced by outstanding balances of any related debt obligations and deferred inflows of resources attributable to the acquisition, construction, or improvement of those assets and increased by balances of deferred outflows of resources related to those assets.
- b. Restricted net position – consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. Restricted net position is reduced by liabilities and deferred inflows of resources related to the restricted assets.
- c. Unrestricted net position – consist of all other net position that does not meet the definition of “restricted” or “net investment in capital assets.”

In the fund statements, governmental fund equity is classified as fund balance. As such, fund balances of the governmental fund are classified as follows.

- a. Nonspendable – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.
- b. Restricted – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.
- c. Committed – amounts that can be used only for specific purposes determined by a formal decision of the highest level of decision-making authority for the Indigent Defender Fund.
- d. Assigned – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Under the Indigent Defender Fund’s adopted policy, only the Coordinator may assign amounts for specified purposes.
- e. Unassigned – all other spendable amounts.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

When an expenditure is incurred for the purposes for which both restricted and unrestricted fund balance is available, the Indigent Defender Fund considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the Indigent Defender Fund considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the Indigent Defender Fund has provided otherwise in his commitment or assignment actions.

E. Budgetary and Budgetary Accounting

A budget for the General Fund was prepared on a basis consistent with generally accepted accounting principals (GAAP). Budgeted amounts are as originally prepared or amended by the Indigent Defender Fund. All budgetary appropriations lapse at the end of each fiscal year.

F. Vacation and Sick Leave

The Indigent Defender Fund has not established a formal policy relating to the vesting and accrual of vacation and sick leave. At June 30, 2020, the Indigent Defender Fund has no accumulated leave benefits required to be reported in accordance with GASB statement No. 16 "Accounting for Compensated Absences".

G. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

(2) Cash and Interest-Bearing Deposits

Under state law, the Indigent Defender Fund may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. The Indigent Defender Fund may invest in certificates and time deposits of state banks organized under Louisiana law and national banks having principal offices in Louisiana. At June 30, 2020, the Indigent Defender Fund has cash demand deposits (book balances) totaling \$37,779.

THIRTEENTH JUDICIAL DISTRICT INDIGENT DEFENDER FUND
Evangeline Parish, Louisiana

Notes to the Basic Financial Statements (Continued)

Custodial credit risk for deposits is the risk that in the event of the failure of a depository financial institution, the Indigent Defender Fund's deposits may not be recovered or will not be able to recover collateral securities that are in the possession of an outside party. These deposits are stated at cost, which approximates market. Under state law these deposits (or the resulting bank balances) must be secured by federal deposit insurance or federal security or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Deposit balances (bank balances) at June 30, 2020, consisting of interest-bearing accounts totaling \$60,247, were secured in total by federal deposit insurance. The Indigent Defender Fund does not have a policy for custodial credit risk.

**Independent Accountant's Report
on Applying Agreed-Upon Procedures**

**Thirteenth Judicial District Indigent Defender Fund
Evangeline Parish, Louisiana**

We have performed the procedures enumerated below, which were agreed to by the management of the Thirteenth Judicial District Indigent Defender Fund and the Legislative Auditor (the specified parties), on the Indigent Defender Fund's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire during the year ended June 30, 2020, as required by Louisiana Revised Statute 24:513 and the Louisiana Governmental Audit Guide. The Indigent Defender Fund's management is responsible for its financial records and compliance with applicable laws and regulations. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Public Bid Law

1. Obtain documentation for all expenditures made during the fiscal year for materials and supplies exceeding \$30,000 and public works exceeding \$250,000. Compare the documentation for these expenditures to Louisiana Revised Statute (R.S) 39:1551-39:1775 (the state procurement code) or RS 38:2211-2296 (the public bid law), whichever is applicable; and report whether the expenditures were made in accordance with these laws.

There were no purchases made during the year within the above scope.

Code of Ethics for Public Officials and Public Employees

2. Obtain a list of the immediate family members of each board member as defined by RS 42:1101-1124 (the ethics law).

The Indigent Defender Fund is not comprised of a board.

3. Obtain a list of all employees paid during the fiscal year.

Management provided us with the required list.

4. Report whether any employees' names appear on both lists obtained in Procedures 2 and 3.

None of the employees in procedure 3 were on the list from procedure 2.

5. Obtain a list of all disbursements made during the year, and a list of outside business interests of board members, employees, and board members' and employees' immediate families. Report whether any vendors appear on both lists.

Vendors do not appear on both lists.

Budgeting

6. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original and amended budget.

7. Trace documentation for the adoption of the budgets and approval of any amendments to the minute book, and report whether there are any exceptions.

Not applicable – the Indigent Defender Fund is not comprised of a board.

8. Compare the revenues and expenditures of the final budget to actual revenues and expenditures. Report whether actual revenues failed to meet budgeted revenues by 5% or more, and whether actual expenditures exceeded budgeted amounts by 5% or more. (For agencies that must comply with the Licensing Agency Budget Act only, compare the expenditures of the final budget to actual expenditures, and report whether actual expenditures exceeded budgeted amounts by 10% or more per category or 5% or more in total).

We compared the revenues and expenditures of the final budget to actual revenues and expenditures. Budgeted revenues for the year did not exceed actual revenues by more than 5%. Actual expenditures did not exceed budgeted expenditures by more than 5%.

Accounting and Reporting

9. Obtain the list of all disbursements made during the fiscal year. Randomly select six disbursements and obtain documentation from management for these disbursements. Compare the selected disbursements to the supporting documentation, and:
