A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Geaux 4 Kids and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information included in the accompanying Schedule of Compensation, Benefits and Other Payments to Agency Head on page 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The supplemental information has been subjected to the review procedures applied in our review of the basic financial statements. Geaux 4 Kids
Bossier City, Louisiana
Notes to Financial Statements
December 31, 2025 and 2024

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Geaux 4 Kids is a nonprofit corporation under the laws of the State of Louisiana. Geaux 4 Kids is an organization of volunteers and professional staff, dedicated to promoting, supporting, and providing ease to the emergency transition into the protective custody of foster care. The sources of revenue for the organization consist primarily of contractual revenue from the State of Louisiana and contributions.

B. Basis of Accounting

The financial statements of Geaux 4 Kids have been prepared on the accrual basis of accounting.

C. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

D. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of Geaux 4 Kid's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Geaux 4 Kids or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. Geaux 4 Kids has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

E. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Geaux 4 Kids considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(Continued)

F. Property and Equipment

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful life of each asset.

G. Contributions

Contributions received are recorded as increase in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

H. Income Tax Status

Geaux 4 Kids is a nonprofit organization exempt from Federal income tax under IRS Code Section 501 (c) (3) of the Internal Revenue Code and therefore, is not subject to income taxes. However, income from certain activities not directly related to Geaux 4 Kids' tax-exempt purpose is subject to taxation as unrelated business income. Geaux 4 Kids had no such income for this period. The Organization's Form 990, Return of Organization Exempt from Income Tax, for the years ended December 31, 2022, 2023, 2024, and 2025 are subject to examination by the IRS, generally three years after they were filed.

I. Functional Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are directly charged to the function they benefit. Expenses are allocated to functions based upon management's equitable determination.

(2) Concentrations of Credit Risk

Financial instruments that potentially subject Geaux 4 Kids to concentrations of credit risk consist principally of temporary cash investments and grant receivables.

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of December 31, 2025 and 2024, Geaux 4 Kids had no significant concentrations of credit risk in relation to grant receivables.

Geaux 4 Kids maintains cash balances at a financial institution located in the Bossier City area. Accounts at that institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2025, total cash balances held at financial institutions was \$262,957, of which \$250,000 was secured by FDIC insurance, and the remaining \$12,957 was unsecured. At December 31, 2024, total cash balances held at financial institutions was \$195,503, all of which was secured by FDIC insurance.

(3) Grant Receivables

Various funding sources provide reimbursement of allowable costs under contracts or agreements. These balances represent amounts due from funding sources at December 31, 2025 and 2024, but received after those dates. Management has determined that the allowance for bad debts is not material.

(4) Accrued Liabilities

	<u>2025</u>	<u>2024</u>
Payroll Taxes Payable	<u>\$ 1,688</u>	<u>\$ 3,584</u>

(5) Liquidity and Availability of Financial Assets

Geaux 4 Kids monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. Geaux 4 Kids has the following financial assets that could readily be made available within one year of the balance sheet to fund expenses without limitations:

Financial assets at year-end:	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 262,591	\$ 187,589

 Financial assets available to meet cash needs for general expenditures within one year	 <u>\$ 275,739</u>	 <u>\$ 233,132</u>

In addition to financial assets available to meet general expenditures over the year, Geaux 4 Kids operates with a balanced budget and anticipates covering its general expenditures using the income generated from contractual agreements with governmental agencies and contributions. The Statement of Cash Flows identifies the sources and uses of Geaux 4 Kids' cash and shows positive cash generated by operations of \$75,002 and \$441, for fiscal years ending December 31, 2025 and 2024, respectively.
