Independent Auditor's Report

The Board of Directors of the
Livingston Council on Aging, Inc.
Denham Springs, Louisiana

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Livingston Council on Aging, Inc., as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Livingston Council on Aging, Inc.'s basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Livingston Council on Aging, Inc., as of June 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Livingston Council on Aging, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter – Change in Accounting Principle

As described in Note 1 to the financial statements, in 2025, the Livingston Council on Aging, Inc. adopted new accounting guidance GASB Statement No. 101 – *Compensated Absences*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Livingston Council on Aging, Inc.'s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Livingston Council on Aging, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Livingston Council on Aging, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 15 and budgetary comparison schedules on pages 46 through 49 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Livingston Council on Aging, Inc.
December 9, 2025

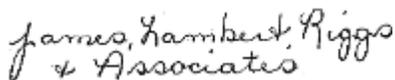

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Livingston Council on Aging, Inc.'s basic financial statements. The accompanying Combining Schedule of Revenues, Expenditures, and Changes in Fund Balance – Nonmajor Governmental Funds; the Comparative Schedule of Capital Assets and Changes in Capital Assets; the Schedule of Compensation, Benefits, and Other Payments to the Council's Executive Director; and the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Schedule of Revenues, Expenditures, and Changes in Fund Balance – Nonmajor Governmental Funds; the Comparative Schedule of Capital Assets and Changes in Capital Assets; the Schedule of Compensation, Benefits, and Other Payments to the Council's Executive Director; and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2025, on our consideration of the Livingston Council on Aging, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Livingston Council on Aging, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Livingston Council on Aging, Inc.'s internal control over financial reporting and compliance.

James Lambert Riggs and Associates, Inc.
Hammond, Louisiana

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2025

The following discussion and analysis of the Livingston Council on Aging's (the Council) financial performance presents a narrative overview and analysis of the Council's financial activities for the year ended June 30, 2025. This document focuses on the current year's activities, resulting changes, and currently known facts. Please read this document in conjunction with the basic financial statements, which follow this section.

Financial Highlights

- The Council's assets exceeded its liabilities at the close of fiscal year 2025 by \$5,337,308 which is an increase of \$652,223 or about a 14% increase from the last fiscal year.
- The Council's revenues increased by \$346,230 or about 12%.
- The Council's expenditures decreased by \$227,769, or about 8%.
- The Council did not have any deficit fund balances.
- The unassigned fund balance of the General Fund increased by \$628,274.
- Net capital assets decreased by \$12,753 this year, not including leased assets.
- The Council did not have any long-term debt at year-end.
- Administrative expenses increased this year by \$15,262 or about 2% from last year.

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the Council's basic financial statements. The Council's basic financial statements consists of four parts:

- (1) Management's discussion and analysis (this section)
- (2) The basic financial statements (government-wide, fund, and footnotes)
- (3) Required Supplementary financial information
- (4) Other Supplementary Information

Government-wide financial statements are comprised of the Statement of Net Position (Statement A) and the Statement of Activities (Statement B). These financial statements provide information about the activities of the Council as a whole and present a long-term view of the Council's finances. In contrast, the fund financial statements, which consist of the Fund Balance Sheet (Statement C) and the Statement of Revenues, Expenditures, and Changes in Fund Balances (Statement E), tell how services were financed in the short-term, as well as what remains for future spending for governmental funds. Fund financial statements also report the Council's operations in more detail than the government-wide financial statements by providing information about the Council's most significant funds.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Basic Financial Statements

The basic financial statements consist of the government-wide financial statements and fund financial statements, which present different views about the Council, along with notes to the financial statements.

Government-Wide Financial Statements

The government-wide financial statements are prepared using the accrual basis of accounting and are designed to provide readers with a broad overview of the Council's finances, in a manner similar to a private sector business. When using these financial statements, the user should consider whether the Council's finances, as a whole, have improved or deteriorated since last year. The government-wide financial statements (Statements A and B) report the Council's net position and changes in them. However, to assess the overall financial position of the Council, the user must also consider non-financial factors, such as the condition of the Council's capital assets and facilities, the addition or termination of grants and other revenue sources, and the expansion or contraction of programs and services.

The Statement of Net Position (Statement A) presents all assets and liabilities and the Council's financial position at year-end, whereas the Statement of Activities (Statement B) presents information showing how the Council's net position changed during this fiscal year as a result of the Council's activities. In this statement all changes in net position are reported as soon as the underlying event giving rise to the change occurs regardless of when cash is received or paid. Thus, revenues and expenses are reported in this statement for some items that will affect cash flows in future fiscal periods. The governmental activities of the Council include Health, Welfare, and Social Services, which are comprised of five primary programs that include supportive services, nutritional services, disease prevention and health promotion, family caregiver support, and transportation services for the non-elderly. There is also a line item for Other Senior Citizen Activities, which consists of a variety of services that are unrelated to one of the primary programs and individually do not represent very large expenses. Subprogram activities are also presented to help financial statement users analyze the Council's operations in more detail. All activities of the Council are considered to be governmental activities. A governmental activity is usually one where the Council uses money it receives from governmental grants and contracts along with donations from the general public, to provide services at no charge to the general public, or a segment of the general public, such as the elderly. In other words, the people benefiting from the services are not required to pay for what they receive. If the Council charged fees to cover all or most of the cost of providing a service, that activity might be classified as a business-type activity. The Council does not have any business-type activities. However, there is one program (non-elderly transportation) where the Council charges a fee for its service, but management does not view this program as a business-type activity because the Council's intent is not to make a profit when providing the service. The Statement of Activities for this program clearly shows the deficit at which it operates despite the fees charged.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. All of the funds of the Council are governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements (Statements C and E) focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Accordingly, the governmental funds use the modified accrual basis of accounting. Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. The difference between net position of governmental activities and fund balances of the governmental funds has been reconciled on Statement D. In addition, the difference between the change in fund balance for the governmental funds and the change in net position for the governmental activities has been reconciled on Statement F. These two reconciliations will facilitate the comparison between governmental activities and fund activities.

The Council uses two types of governmental funds: (1) general fund, and (2) special revenue funds.

The general fund is used to account for all financial resources except those that are required to be accounted for in another fund. The Council's general fund receives general revenue primarily from a property tax, some GOEA grants, and public donations. General funds are often transferred to special revenue funds to help pay for expenditures that could not be covered by their primary revenues.

All other funds are special revenue funds that are used to account for the proceeds of specific revenue sources which are restricted or committed to expenditure for specified purposes other than debt service or capital projects. By using separate funds to track revenues and expenditures, management can control funds for particular purposes or show that the fund is meeting legal responsibilities for using certain grants and other revenues. Special revenue funds have no fund balance at year-end because all revenue received is expended in the same year.

The Council has presented the General Fund, Title III B Fund, Title III C-1 Fund, and Title III C-2 Fund as major governmental funds. All *nonmajor* governmental funds are presented in one column on the fund financial statements, titled *Nonmajor* Funds. A combining Schedule of Revenues, Expenditures, and Changes in Fund Balance of the nonmajor governmental funds can be found on page 52. Major funds are those whose revenues, expenditures, assets, or liabilities are at least 10% of corresponding totals for all governmental funds. In addition, a major fund could be a fund that does not meet these criteria but which management subjectively believes is important to the Council's financial statement users.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Notes to the Financial Statements

The notes provide additional information that should be read to ensure a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found beginning on page 22 and should be read before making assumptions or drawing conclusions about the Council's financial condition.

Required Supplementary Information

In addition to the basic financial statements, this report also presents certain required supplementary information (RSI) that further explains and supports the information in the financial statements. The Governmental Accounting Standards Board (GASB) Statement 34 requires budgetary comparison schedules for the General Fund and each major Special Revenue Fund that has a legally adopted annual budget. The schedules compare the original and final budgets to actual results for the Council's fiscal year. Positive and negative variances between the final budget and actual amounts are also presented.

Management's Discussion and Analysis (MD&A) is also required supplementary information (RSI) by GASB Statement 34. However, GASB 34 requires it to be presented as the first item in this reporting package and not with GASB's other RSI, which is included later in this reporting package.

Other Supplementary Information

The Governor's Office of Elderly Affairs (GOEA) has required the Council to present a combining schedule that provides details about nonmajor governmental funds and a schedule containing details about capital assets and the changes in capital assets. This information will be used by GOEA to verify the accuracy of information submitted to them during the year and to help monitor certain compliance requirements set forth in the grants that it has with the Council. (See pages 52 and 53).

Act 706 of the 2014 Louisiana Legislative session amended Louisiana Revised Statute 24:513 A (3) to require a supplementary Schedule of Compensation, Benefits, and Other Payments to the Council's Executive Director. This information is designed to permit the public to see what the agency's head has been paid or reimbursed during the year. The objective is to make the Council's expenditures more transparent. (See page 54)

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of the Council's financial position. As of June 30, 2025, assets exceeded liabilities by \$5,337,308 whereas at the end of last year assets exceeded liabilities by \$4,685,085.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

**Condensed Statement of Net Position
June 30, 2025 and 2024**

Assets:	Governmental Activities		\$ Change
	2025	2024	
Current Assets	\$ 3,886,603	\$ 3,332,432	\$ 554,171
Other Assets	40,436	3,734	36,702
Capital Assets, Net of Depreciation	1,388,112	1,398,265	(10,153)
Lease Assets, Net of Amortization	43,116	45,716	(2,600)
Total Assets	5,358,267	4,780,147	578,120
Liabilities:			
Current Liabilities	20,959	79,585	(58,626)
Total Liabilities	20,959	79,585	(58,626)
Deferred Infows of Resources		15,477	(15,477)
Net Position:			
Net Investment in Capital Assets	1,431,228	1,443,981	(12,753)
Restricted	4,041	4,041	-
Unrestricted	3,902,039	3,237,063	664,976
Total Net Position	\$ 5,337,308	\$ 4,685,085	\$ 652,223

Unrestricted net position is about 73% and 69% of total net position as of June 30, 2025 and 2024, respectively. Unrestricted net position is important because it provides management the necessary resources to adapt to changes in the economy, emergencies, unexpected needs, and reduction in or termination of grant revenues by governmental agencies.

Restricted net position is about .08% and .09% of total net position as of June 30, 2025 and 2024, respectively. Net position is reported as restricted when the constraints placed upon the assets' use are either (a) externally imposed by a grantor, contributor, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.

Net investment in capital assets is presented net of any related outstanding debt to acquire them. There is, however, no debt to be subtracted from the Council's capital assets. The Council's policy is to acquire capital assets by paying cash and avoiding debt. This policy helps ensure that a decrease in the Council's future revenues will not impact its ability to provide a certain level of service to clients and program participants. Net position invested in capital assets equals about 27% and 31% at fiscal year 2025 and 2024, respectively.

Total assets increased by \$578,129 this year. At June 30, 2025 about 71% of the Council's total assets are in the form of cash and investments. The Council's capital assets at June 30, 2025 were \$10,153 less than the corresponding amount at June 30, 2024. The increase in total assets in fiscal year 2025 was primarily related to an increase in cash and investments of \$622,038 and a decrease in receivables of \$63,826.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Total liabilities are comprised of routine accounts payable, credit card charges, and a variety of customary payroll related expenses and withholdings at the end of both years. Total liabilities decreased \$58,626 from prior year. The decrease is due to decreases in accounts payable of \$43,431 and accrued expenses and payroll liabilities of \$15,195. Deferred inflows of resources also decreased including a decrease in unearned revenue of \$15,477.

The table presented below summarizes the revenues and expenses that caused the changes in net position of the Council's governmental activities for fiscal year 2025 and 2024, respectively.

Condensed Statement of Changes in Net Position For the Years Ended June 30, 2025 and 2024

	<u>Governmental Activities</u>		<u>\$ Change</u>	<u>% Change</u>
	<u>2025</u>	<u>2024</u>		
Revenues:				
Program Revenues:				
Charges for Services	\$ 785	\$ 554	\$ 231	42%
Operating Grants and Contributions	1,028,215	1,095,423	(67,208)	(6%)
General Revenues:				
Property Taxes, Net of On-behalf Payments	1,753,520	1,303,856	449,664	34%
Unrestricted Grants and Contributions	290,067	316,605	(26,538)	(8%)
Other General Revenues	159,689	169,608	(9,919)	(6%)
Total Revenues	<u>3,232,276</u>	<u>2,886,046</u>	<u>346,230</u>	<u>12%</u>
Expenses:				
Supportive Services:				
Transportation for Elderly	600,804	561,614	39,190	7%
Other Supportive Services	258,887	232,074	26,813	12%
Transportation for Non-Elderly	7,736	1,400	6,336	453%
Nutrition Services:			-

Net Position - End of Year	<u>\$ 5,337,308</u>	<u>\$ 4,685,085</u>	<u>\$ 652,223</u>	<u>14%</u>

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Governmental activities increased the Council's overall net position by \$652,633 this year and increased the Council's net position by \$78,634 last year. The increase in net position this year was \$573,999 more than the increase in net position for last year mainly because of a decrease in total expenses of \$227,769 and an increase in total revenues of \$346,230. The increase in revenue is mainly attributable to a net increase in property tax revenue of \$449,664 which was due to increase in property tax values. Calendar year 2024 was a reassessment year. There were also increases in GOEA primary grant funding of \$168,212 offset by decreases of \$149,959 in ARP funds, \$44,711 in STPH funds, and \$75,943 in NSIP funds. There was decrease in total expenses of \$227,769. The decrease in expenses is related to a decrease in expenses for congregate meals and home delivered meals of \$256,010 due to a reduction in the total number of meals served and better control of cost. Also, there was a decrease in expense in disease prevention and health support of \$39,851 due to extra expenses in the prior year funded by STPH funds. Offsetting the decreases in expenses were increases in expenses in transportation for elderly of \$39,190 and in other supportive services of \$26,813.

The largest source of revenue this year was from a local property tax. The actual gross proceeds of the property tax were \$1,827,122 for this year (\$1,356,674 for fiscal year 2024). However, the Livingston Parish Sheriff withheld \$73,602 (\$52,818 for fiscal year 2024) of the gross proceeds to pay for the Council's pro-rata share of various retirement plan expenses for other governmental agencies. In the Statement of Activities, the net proceeds of the property taxes have been presented as general revenues because this money can be used to benefit any of the Council's programs. In addition, when presenting this source of revenue on Statement B, management has elected to offset the gross property tax amount with the amounts kept by the Sheriff rather than include them as a functional or program expense because they are not true functional or program expenses of the Council.

The second largest source of revenue this year is from operating grants and contributions of \$1,028,215 (\$1,095,423 fiscal year 2024). The fiscal year 2025 total is comprised of operating grants from the GOEA of \$833,786 and the Louisiana Department of Transportation and Development (DOTD) of \$300,000. These revenues must be used for the purposes for which they were given or granted to the Council and have been *matched* to the function and program to which they relate on the government-wide Statement of Activities (Statement B).

The Council also received program revenues in the form of charges for services. Charges for services are derived from cash fares to transport non-elderly persons. Cash fares for fiscal year 2025 were \$785 compared to \$554 in fiscal year 2024.

General revenues include unrestricted operating grants and contributions of \$290,067 for fiscal year 2025 (\$295,163 for fiscal year 2024). The fiscal year 2025 amount consists of grants from GOEA of \$285,031 plus general public contributions of \$5,036. The fiscal year 2024 amount consists of grants from GOEA of \$285,631 plus general public contributions of \$9,532.

Other general revenues consist of interest income of \$138,121 for fiscal year 2025 versus \$146,056 for fiscal year 2024.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

The expenses in the table on page 9 have been presented by primary programs, with details about significant subprograms. In presenting this information, only direct program expenses are shown. The administrative expenses include all administrative expenses of the Council before any allocations were made to the various programs. Total expenses decreased \$227,769 over the prior year. The decrease in expenses is related to a decrease in expenses for congregate meals and home delivered meals of \$216,051 for food cost, \$24,457 for personnel and fringe expenses, and \$7,186 for operating supplies due to a reduction in the total number of meals served and better control of cost. Also, there was a decrease in expense in disease prevention and health support of \$39,851 due to extra expenses in the prior year funded by STPH funds. Offsetting the decreases in expenses were increases in expenses in transportation for elderly of \$39,190 and in other supportive services of \$26,813.

When reviewing the government-wide Statement of Activities, there are relationships that are important to understanding the Council's operations. As you can see, the Council's primary activities in both years are transportation and nutrition services. The Council's main focus is to meet the needs of the elderly citizens of Livingston Parish and right now these two services are in the greatest demand. There is also a high demand for in-home type services and services geared to help individuals stay in their homes and remain in the community. These in-home services include chore, personal care, home assistance, and family caregiver type services.

Another area of interest on the Statement of Activities (Statement B) relates to the *Total Governmental Activities* column wherein the Council illustrates that all of the program and subprogram services have more expenses than revenues. In other words, the Council's programs and subprograms are not self-supporting. However, on occasion, one might *break even* or even make a slight *profit*. The Council's ability to support all programs and subprograms relies heavily on general revenues, particularly the local property tax. This financial relationship is expected, and budgets are prepared accordingly. Historically, general revenues are used to cover the excess of expenses over revenues in these programs. Without the property tax revenue and the unrestricted grants and contributions, the Council would be unable to provide services at current levels. Furthermore, the general nature of these revenues allows management discretion as to how to apply them in paying for the Council's current services as well as reallocating them to meet future demands.

An indication of how money is used efficiently or inefficiently can be gained by comparing the amount of administration expenses from year to year, as well as calculating the percentage of administration expenses in relation to total expenses. Administration expenses include indirect type costs, which are costs not specifically identified with a particular program but benefit all programs. Administrative expenses this year were above last year's by \$15,262 due to partially to an increase in conference and training expenses as compared to prior year. For this year, administrative expenses represented about 27.1% of total expenses whereas last year they were 24.4%. When compared to other councils on aging in Louisiana, both percentages compare favorably because they are much lower than the state-wide average.

MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

Financial Analysis of the Council’s Governmental Funds

Fund Balances

The focus of the Council's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Council's financing requirements. In particular, an unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. As of the end of the current fiscal year, the Council's governmental funds reported combined ending fund balances for all fund types of \$3,869,919 an increase of \$629,749 when compared to last year. The unassigned fund balance component of the General Fund was \$3,861,603 and is available for spending at the Council's discretion. The remainder of the General Fund balance is either nonspendable (\$4,275) or restricted for specific purposes (\$4,041). There were no special revenue funds with a fund balance at year-end, which is expected for this type of fund.

Revenues

The combined fund revenues increased by \$372,583 this year, as shown in the table below.

	FY 2025	% of 2025 Total	FY 2024	% of 2024 Total	\$ Change
Intergovernmental	\$ 1,293,098	39.17%	\$ 1,379,224	47.08%	\$ (86,126)
Property Taxes	1,827,122	55.33%	1,356,674	46.31%	470,448
Public Support	25,184	0.76%	32,804	1.12%	(7,620)
Program Service Fees	785	0.02%	554	0.02%	231
Interest Income	138,121	4.18%	146,056	4.99%	(7,935)
Miscellaneous	17,737	0.54%	14,152	0.48%	3,585
Total Revenues	\$ 3,302,047	100.00%	\$ 2,929,464	100.00%	\$ 372,583

The intergovernmental revenue in fiscal year 2025 decreased by \$86,126 due to increases in GOEA primary grant funding of \$168,212 offset by decreases of \$149,959 in ARP funds, \$44,711 in STPH funds, and \$75,943 in NSIP funds. The ARP and STPH funds were additional funding related to COVID funding and are not recurring funding. Additionally, the Council received more federal grant revenues from the Department of Transportation by \$16,275. The increase in property tax revenue this year is due to calendar year 2024 was a reassessment year and the property tax base within Livingston Parish increased significantly. As the values of the properties increase so do the related property taxes. There were no large donations in the current year. Interest income decreased slightly due to the interest rates decreasing during the year for all bank and LAMP accounts.

Expenditures

Total expenditures decreased by \$100,267 this year, as shown in the table below.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

	% of 2025		% of 2024		\$ Change
	FY 2025	Total	FY 2024	Total	
Personnel	\$ 1,260,769	47.11%	\$ 1,248,706	44.98%	\$ 12,063
Fringe	162,370	6.07%	157,382	5.67%	4,988
Operating Services	470,981	17.60%	450,967	16.24%	15,513
Operating Supplies	110,955	4.15%	129,985	4.68%	(14,538)
Other Costs	65,649	2.45%	69,820	2.51%	(4,171)
Utility Assistance	2,153	0.08%	1,674	0.06%	479
Full Service	95,580	3.57%	131,867	4.75%	(36,287)
Meals	294,085	10.99%	510,136	18.37%	(216,051)
Capital Outlay	97,021	3.63%	18,500	0.67%	78,521
Intergovernmental	116,566	4.36%	52,818	1.90%	63,748
Lease Principal	-	0.00%	4,476	0.16%	(4,476)
Lease Interest	-	0.00%	65	0.00%	(56)
	<u>\$ 2,676,129</u>	<u>100.00%</u>	<u>\$ 2,776,396</u>	<u>100.00%</u>	<u>\$ (100,267)</u>

Total personnel and fringe expenses increased \$17,051 due to normal raises and benefit increases as compared to prior year. Total operating services increased \$15,513 mainly due to an increase in vehicle maintenance expense of \$23,783 offset by a decrease in vehicle insurance expense of \$5,803. Total operating supplies decreased \$14,538 mainly due to a decrease vehicle fuel and supplies of \$9,438. Total other cost decreased by \$4,171. Total full-service cost decreased by \$36,287 mainly due to decreases in personal care expense of \$14,159 and in in-home respite expense of \$12,717 both due to a decrease in the need for the services in the current year. Total meals expense for congregate meals and home delivered meals decreased by \$216,051 due a reduction in the total number of meals served and better control of cost. Total utility assistance expenses decreased approximately \$500. Capital outlay expenditures increased by \$78,521 in the fiscal year 2025 primarily due to costs from installing automatic doors and ramp improvements at the Denham Springs meal site. Capital outlay expenditures vary from year to year based on the needs of the Council and are not recurring like the other types of expenditures. So, one year's expenditures may be significant whereas the succeeding year's expenditures may not be. In the current year, inter-governmental expenditures increased \$63,748 due to two reasons. An increase of \$20,783 is related to an increase in various retirement plan expenses for other governmental entities that are statutorily deducted from the Council's property tax revenues which was due to an increase in total property tax revenues in the current year. The second reason for the increase is the Council had to put up a 15% match (\$42,964) for two new buses purchased by the Livingston Parish Council through capital assistance grants for the elderly and disabled persons wherein the federal government paid 85% of the vehicle's cost.

LIVINGSTON COUNCIL ON AGING

MANAGEMENT’S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

General Fund Budgetary Highlights

A schedule presenting the original and amended budgets and the actual results for the General Fund can be found in the Required Supplementary Information section of this report on page 46.

When comparing the amended budget to the actual results, the Council had an overall net favorable variance of \$127,758. Some of the noteworthy reasons behind this net favorable variance can be summed up as follows:

- The total actual expenditures were \$5,038 less than budgeted.
- The total actual revenues were \$58,762 more than anticipated.
- The total other financing uses were \$63,958 less than budgeted.

The Council had one budget amendment during fiscal year 2025. Overall, the original budget projected an operating deficit of \$7,218 whereas the amended budget projected an operating surplus of \$501,991.

Capital Assets and Debt Administration

The Council's investment in capital assets for its governmental activities as of June 30, 2025, was \$1,431,228, whereas the capital asset amount for June 30, 2024 was \$1,443,981. The details of the Council's investment in capital assets are as set forth in the table below.

Capital and Lease Assets, Net of Depreciation and Amortization

	FY 2025	FY 2024	Increase/ (Decrease)
Capital Assets:			
Land*	\$ 148,045	\$ 148,045	\$ -
Leasehold Improvements	879,772	947,765	(67,993)
Buildings	211,710	150,341	61,369
Furniture and Equipment	104,450	122,929	(18,479)
Vehicles	44,135	29,185	14,950
Total Capital Assets	1,388,112	1,398,265	(10,153)
Lease Assets:			
Buildings	43,116	45,716	(2,600)
Total Lease Assets	43,116	45,716	(2,600)
Total Capital and Lease Assets	\$ 1,431,228	\$ 1,443,981	\$ (12,753)

*Land is not subject to depreciation whereas the other capital assets are depreciated.

The net decrease in capital assets is a result of the Council acquiring \$97,021 of capital assets which were offset by annual depreciation and amortization of \$109,365. There were no capital assets that were disposed of during the year. The capital asset additions this year were:

LIVINGSTON COUNCIL ON AGING

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

JUNE 30, 2025

- Purchase of a Toyota Handicap Van (\$30,000).
- Improvements made to Denham Springs Meal site building with automatic doors and ramp installations. (\$67,021).

At June 30, 2024, the Council on Aging had 16 vehicles in its transportation fleet. In the 2025 fiscal year, the Council on Aging purchased a vehicle and two additional vehicles were purchased by the Livingston Parish Council (LPC) resulting in the Council on Aging having 19 vehicles in its transportation fleet as of June 30, 2025. The Livingston Parish Council (LPC) owns 11 of the 19 vehicles used by the Council on Aging. Only the 8 vehicles owned by the Council on Aging are included within the capital asset amounts on the Council on Aging's books. The vehicles owned by the LPC are recorded on the LPC's books. All 19 vehicles were operational at year-end.

Because capital asset acquisitions can require a large outlay of funds, the Council's management carefully considers the needs of the Council and the benefits of the purchase before a decision is made to buy high cost capital assets.

The Council did not have any long-term debt related to its capital assets and does not like to incur any debt as a matter of financial stewardship.

Economic Factors, Other Conditions, and Next Year's Budget

For next year, management has initially budgeted \$3,266,285 in revenues and \$2,783,135 in expenditures for the Council's programs. Accordingly, management has forecasted a surplus of revenues over expenditures of \$483,150 for next year.

The Council receives most of its funding from property taxes and federal and state agencies. Because of this, the source of income for the Council is rather steady. However, some of the Council's grants and contracts are contingent upon the level of services provided by the Council, and therefore, revenues may vary from year-to-year. All of the Council's grants and contracts from the usual federal and state agencies have been awarded for fiscal year 2026 and management is unaware of any significant adverse changes to the funding levels or terms of these grants and contracts.

The Council's budget for fiscal year 2026 was approved by its board on July 24, 2025. In addition, the Governor's Office of Elderly Affairs (GOEA) has approved the Council's budget for fiscal year 2026.

Contacting the Council's Management

This financial report is designed to provide a general overview of the Council's finances for all those with an interest in the Council's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Stephanie Landry, the Executive Director at the Council's main office located at 949 Government Drive, Denham Springs, LA 70726. The phone number for the Livingston Council on Aging is (225) 664-9343.

LIVINGSTON COUNCIL ON AGING

RECONCILIATION OF THE STATEMENT OF REVENUES,
EXPENDITURES AND CHANGES IN FUND BALANCES OF
GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED JUNE 30, 2025

Total Net Change in Fund Balances - Governmental Funds	\$ 629,749
Amounts Reported for Governmental Activities in the Statement of Activities are Different Because:	
Capital outlays are reported in governmental funds as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense:	
Capital Outlays Which Were Capitalized	97,021
Depreciation Expense	(106,765)
Amortization Expense	(2,600)
Funds expended as local matching funds on capital assistance grants, which result in another government obtaining title to the capital assets acquired under the grant, are reported as intergovernmental expenditures in governmental funds. Because the Council gets to use the capital assets, the Council records the amounts paid in the Statement of Net Position as a prepaid expense, which will be amortized over the estimated useful lives of the capital assets:	
Intergovernmental Payments set up as Prepaid Expense	42,964
Amortization of Intergovernmental Payments set up as Prepaid Expense	(7,736)
Change in Net Position of Governmental Activities	\$ 652,633

The accompanying notes are an integral part of this statement.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2025

Introduction:

The purpose of the Livingston Council On Aging (the Council) is to collect facts and statistics and make special studies of conditions pertaining to the employment, financial status, recreation, social adjustment, mental and physical health or other conditions affecting the welfare of the aging people in Livingston Parish; to keep abreast of the latest developments in these fields of activity throughout Louisiana and the United States; to interpret its findings to the citizens of the parish and state; to provide for the mutual exchange of ideas and information on the parish and state level; to conduct public meetings; to make recommendations for needed improvements and additional resources; to promote the welfare of aging people; to coordinate and monitor services with other local agencies serving the aging people of the parish; to assist and cooperate with the Governor's Office of Elderly Affairs (GOEA), and other departments of state and local government serving the elderly, and; to make recommendations relevant to the planning and delivery of services to the elderly of Livingston Parish.

The primary services provided by the Council to the elderly residents of Livingston Parish include transportation, chore, personal care, legal assistance, information and assistance, outreach, recreation, material aid, home assistance, wellness, utility assistance, congregate and home delivered meals, family caregiver support, and disease prevention and health promotion. The Council also provides transportation services to the general public (no age restrictions).

1. Summary of Significant Accounting Policies and Nature of Operations:

A. Financial Reporting Entity

In 1964, the State of Louisiana passed Act 456 authorizing the charter of a voluntary council on aging for the welfare of the aging people in each parish of Louisiana. In 1979, the Louisiana Legislature created the Governor's Office of Elderly Affairs (GOEA) (La. RS. 46:931) with the specific intention that GOEA administer and coordinate social services and programs for the elderly population of Louisiana through sixty-four parish voluntary councils on aging.

Before a council on aging can begin operations in a specific parish, its application for a charter must receive approval from GOEA pursuant to Louisiana Revised Statute (La. RS.) 46:1602. Each council on aging in Louisiana must comply with the state laws that apply to quasi-public agencies as well as the policies and regulations established by GOEA.

The Council received its charter from the Governor of the State of Louisiana on June 26, 1973, and subsequently incorporated on October 22, 1973, under the provisions of Title 12, Chapter 2 of the Louisiana Revised Statutes.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Governmental Accounting Standards Board (GASB) Statement No. 61 established criteria for determining the reporting entity and component units that should be included within the reporting entity. Under provisions of this statement, the Council is not a component unit of another primary government, nor does it have any component units that are related to it. Since the Council has no component units, these financial statements include only information on the primary government.

B. Basis of Presentation

The financial statements of the Council have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units and promulgated by the Governmental Accounting Standards Board (GASB) Codification of Governmental Accounting and Financial Reporting Standards. These statements established standards for external financial reporting for all state and local governmental entities which includes a balance sheet, a statement of revenues, expenses and changes in net position and a statement of cash flows. The more significant of these accounting policies are described below, and where appropriate, subsequent pronouncements will be referenced.

The Council's basic financial statements consist of government-wide financial statements on all activities of the Council, which are designed to report the Council as a whole entity, and fund financial statements, which report individual major governmental funds and combined nonmajor governmental funds.

Both the government-wide and fund financial statements categorize primary activities as either governmental or business type. The Council's functions and programs have all been categorized as governmental activities. The Council does not have any business type activities, fiduciary funds, or any component units that are fiduciary in nature. Accordingly, the government-wide financial statements do not include any of these activities or funds.

Government-Wide Financial Statements:

The government-wide financial statements include the Statement of Net Position (Statement A) and the Statement of Activities (Statement B) for all activities of the Council. As a general rule, the effect of interfund activity has been eliminated from these statements. The government-wide presentation focuses primarily on the sustainability of the Council as an entity and the change in its net position (financial position) resulting from the activities of the current fiscal year. Governmental activities are supported primarily by intergovernmental revenues and property taxes.

In the government-wide Statement of Net Position, only one column of numbers has been presented for total governmental activities. The numbers are presented on a consolidated basis and represent only governmental type activities.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

The Statement of Net Position has been prepared on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Council's net position is reported in three parts – net investment in capital assets; restricted net position; and unrestricted net position.

The government-wide Statement of Activities reports both the gross and net cost of each of the Council's functions and significant programs. The Statement of Activities begins by presenting gross direct and indirect expenses that include depreciation and amortization, and then reduces the expenses by related program revenues, such as charges for services, operating and capital grants, and restricted contributions, to derive the net cost of each function or program. Program revenues must be directly associated with the function or program to be used to directly offset its cost. Charges for services represent program revenues obtained by the Council when it renders services that are provided by a specific function or program to people or other entities. Operating grants include operating-specific and discretionary (either operating or capital) grants, while the capital grants column reflects capital-specific grants. Property taxes, contributions, grants, interest income, and miscellaneous revenues that are not included among program revenues are reported instead as general revenues in this statement. If a function or program has a net cost, then it was supported in some manner by the Council's general revenues. Special items, if any, are significant transactions within the control of management that are either unusual in nature or infrequent in occurrence and are separately reported below general revenues.

Direct expenses reported in the Statement of Activities are those that are clearly identifiable with a specific function or program, whereas the Council allocates its indirect expenses among various functions and programs in accordance with 2 CFR Part 200 - *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The Statement of Activities shows this allocation in a separate column labeled *indirect expenses*. GOEA provides administrative grant funds to help the Council pay for a portion of its indirect costs. As a result, only the indirect costs in excess of the GOEA administrative funds are allocated to the Council's other functions and programs.

Fund Financial Statements

The daily accounts and operations of the Council are organized using funds. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain governmental functions or activities. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues, and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

The Council uses governmental fund types. The focus of the governmental funds' measurement (in the fund statements) is on determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than on net income. An additional emphasis is placed on major funds within the governmental fund types. A fund is considered major if it is the primary operating fund of the Council or if its total assets, liabilities, revenues, or expenditures are at least 10% of the corresponding total for all funds of that category or type. In addition, management may also choose to report any other governmental fund as a major fund if it believes the fund is particularly important to financial statement users. The nonmajor funds are summarized (aggregated) by category or fund type into a single column in the fund financial statements.

Governmental fund equity is called the fund balance. Fund balance is further classified on a hierarchy that shows, from the highest to the lowest, the level or form of constraints on fund balance and accordingly, the extent to which the Council is bound to honor them: nonspendable, restricted, committed, assigned and unassigned.

Governmental Funds

The following is a description of the governmental funds of the Council:

General Fund - The General Fund is the general operating fund of the Council and is used to account for all financial resources except those required to be accounted for in another fund.

The following are brief descriptions of the primary programs and funding sources that comprise the Council's General Fund:

Local Programs and Funding - The Council receives revenues that are not required to be accounted for in a specific program or fund. Accordingly, these revenues have been recorded in the local program of the General Fund. These funds are mostly unrestricted, which means they may be used at the Council's discretion. Property tax revenues represent the largest component of the Council's local funding. Expenditures to acquire fixed assets, and expenditures for costs not allowed by another program due to budget limitations or the nature of the expenditure, are recorded in the local program. Because most local funds are unrestricted, local funds are often transferred to other programs to eliminate deficits in cases where the expenditures of the other programs exceeded their revenues. In addition, capital outlay expenditures are usually made with local funds to minimize restrictions on the use and disposition of fixed assets.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

PCOA Funding - Parish Council on Aging (PCOA) funds are appropriated for the Council by the Louisiana Legislature and remitted to the Council via the Governor's Office of Elderly Affairs (GOEA). The Council may use these funds at its discretion in any program provided the program is benefiting people who are at least 60 years old.

Area Agency Administration (AAA) Funding - Each fiscal year GOEA provides the Council with funds to help pay for the costs of administering the Council's special programs for the aging. The amount of funding is not enough to pay for all the indirect administrative costs. As a result, the Council will consume the GOEA grant funds first when paying for administrative costs and then allocate the excess administrative costs to other programs using a formula based on the percentage each program's direct costs bears to direct costs for all programs. In addition, due to program restrictions, administrative costs are not allocated to certain funds and programs.

Senior Center and Supplemental Senior Center Funding - Grant funds are appropriated annually for the Council and remitted to the Council by GOEA. These grant funds can be used at management's discretion to pay for congregate related social services of any program involving elderly persons who are at least 60 years old. Accordingly, these funds are initially received by the Council's General Fund. To obtain supportive services and participate in activities which foster their independence, enhance their dignity, and encourage their involvement in and with the community, the elderly person will come to a senior center. The main senior center for Livingston Parish is located in Denham Springs. Other centers, which are primarily congregate meal sites, are located in Livingston, Springfield, and Maurepas.

Non-elderly Transportation Program Services - The Council provides various transportation services to the residents of Livingston Parish who are not 60 years old for a fee. The fee ranges from \$5.00 to \$8.00 per one-way trip and is based on whether the trip is in the parish or out of the parish. The Council is able to provide this service at low fees because the cost of each ride is subsidized partly by a federal rural transportation grant administered by DOTD and partly by other General Fund revenues. The revenues and their related costs are accounted for within the Nonelderly Transportation program of the General Fund. In contrast, transportation services provided to residents who are at least 60 years old are accounted for in the Elderly Transportation program of the Title III B Fund.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Utility Assistance - In past years, the Council participated in utility assistance programs that were sponsored by local utility companies. However, the Council does not receive funds from the utility companies anymore. For this year, the Council had some unspent funds from these programs that had not been used to assist those who qualified for utility assistance. Accordingly, it decided to continue to provide utility assistance to use the remaining funds until they become exhausted.

No indirect or administration expenses are paid for with restricted donations intended for utility assistance. Only direct financial aid is permitted with these funds. During the year, the Council was able to provide 30 units of service to 30 different people with these funds. The Council's general policy is to provide utility assistance of \$100 every seventh month per eligible person per year. Emergencies or unusual circumstances may permit additional assistance.

Recreation and Wellness Services - Recreation services consist of bingo and special events (Fun Day, Veteran's Day, Christmas and Easter Party, Mother's and Father's Day, Valentine's Day, Annual Meeting, etc.). Wellness services consist of a health fair, exercise classes provided by the center employees to the seniors in attendance, blood pressure checks and occasionally speakers will come in to discuss current health related issues.

Special Revenue Funds

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The term *proceeds of specific revenue sources* establishes that one or more specific restricted or committed revenues should be the foundation for a special revenue fund.

The Council has established several special revenue funds. The following are brief descriptions of the purpose of each special revenue fund and their classification as either a major or nonmajor governmental fund:

Major Governmental Funds

Title III B Fund - The Title III B Fund accounts for funds used to provide various units of supportive social services to the elderly. There are three main sources of revenues that form the basis of this fund: a grant from GOEA for special programs for the aging, *Title III, Part B - Grants for Supportive Services and Senior Centers*; a grant from the Louisiana Department of Transportation and Development (DOTD), commonly referred to as *Section 5311*, which is passed through the Livingston Parish Council (LPC) to the Council for rural transportation services and reimburses the Council 50% of the cost of providing rural transportation services; and restricted, voluntary public support from persons who actually received elderly transportation services.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Title III C-1 Fund - The Title III C-1 Fund accounts for funds that are used to provide nutritional, congregate meals to people age 60 or older in strategically located centers throughout Livingston Parish. The Council maintains congregate meal sites in Denham Springs, Maurepas, Livingston, and Springfield. There are three main sources of revenues that form the basis of this fund: a grant from GOEA for special programs for the aging, *Title III, Part C-1 - Nutrition Services; Nutrition Services Incentive Program* (NSIP) funds provided by GOEA to supplement the congregate meals program; and restricted, voluntary public support from those persons who received congregate meals services and other donors.

Title III C-2 Fund - The Title III C-2 Fund is used to account for funds that are used to provide nutritional meals and nutrition education to homebound people who are age 60 or older. There are three main sources of revenues received this year that form the basis of this fund: a grant from GOEA for special programs for the aging, *Title III, Part C-2 - Nutrition Services; Nutrition Services Incentive Program* (NSIP) funds provided by GOEA to supplement the home-delivered meals program; and restricted, voluntary public support from those persons who received home-delivered meals.

Nonmajor Governmental Funds

Title III D Fund - The Title III D Fund accounts for funds used for disease prevention and health promotion activities, which includes medication management services. The main source of the revenue forming the basis for this fund is a grant the Council received from GOEA, *Title III, Part D - Disease Prevention and Health Promotion Services*.

Title III E Fund - The Title III E Fund is used to account for funds relating to the National Family Caregiver Support program, which is designed to provide multifaceted systems of support services for family caregivers and for grandparents or older individuals who are relative caregivers. The main source of the revenue forming the basis for this fund is a grant the Council received from GOEA, *Title III, Part E - National Family Caregivers Support Program*.

C. Measurement Focus and Basis of Accounting

Government-wide Financial Statements:

The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Fund Financial Statements:

Governmental fund financial statements are reported using a current financial resources measurement focus and the modified accrual basis of accounting. A current financial resources measurement focus means that only current assets and current liabilities are generally included on the fund balance sheet. The operating statements of the funds present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., when they are both measurable and available. *Measurable* means the amount of the transaction can be determined and *available* means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Council considers revenues to be *available* if they are collected within sixty days of the current fiscal year end. Expenditures are generally recorded under the modified accrual basis of accounting when the related liability is incurred, if measurable, except for the following: (1) unmatured principal and interest on long-term debt, if any, are recorded when due, and (2) claims, judgments, and compensated absences are recorded as expenditures when paid with expendable available financial resources. Depreciation and amortization are costs that are not recognized in the governmental funds.

D. Interfund Activity

In the fund financial statements, interfund activity is reported as either loans or transfers. Loans between funds are reported as interfund receivables (due from) and payables (due to) as appropriate. Transfers represent a permanent reallocation of resources between funds. In other words, they are not expected to be repaid.

In the government-wide financial statements, all types of interfund transactions are eliminated when presenting the governmental activity information.

E. Cash

Cash includes not only currency on hand, but also demand deposits with banks or other financial institutions. Cash is reported at its carrying value, which approximates its fair value.

F. Receivables

The financial statements contain an allowance for uncollectible property (ad valorem) tax because management estimates that all of the tax owed the Council will not be collected. This year's allowance amount has already been applied to reduce the property tax receivable amount presented on the Statement of Net Position (Statement A) and the Balance Sheet (Statement C).

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Management estimates that other receivables presented will be collected in full. However, if management becomes aware of information that would change its assessment about the collectability of these other receivables, management would write off the receivables as bad debts at that time.

G. Investments

Investments are reported in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*. The Louisiana Asset Management Pool (LAMP) investment, which is an external investment pool administered by a non-profit corporation organized under State of Louisiana law, is reported at net asset value.

H. Prepaid Expenses/Expenditures

In the government-wide financial statements prepaid expenses include amounts paid in advance for goods and services. These are shown as either current or other assets on the government-wide Statement of Net Position, depending on when management expects to realize their benefits.

In the fund financial statements, the Council has elected not to include amounts paid for future goods and services as expenditures until those services are consumed. This method of accounting for prepaid expenditures helps assure the Council's management that costs incurred will be reported in accordance with the Council's cost reimbursement grants. These types of grants do not permit the Council to obtain reimbursement for qualified expenditures until the goods and services relating to them are consumed. As a result, the prepaid expenditures are shown as an asset on the Balance Sheet of the fund financial statements until they are consumed. In addition, a corresponding amount of the fund balance of the General Fund has been classified as nonspendable to reflect the amount of fund balance not currently available for expenditure.

For purposes of presenting prepaid expenses in the government-wide statements, the Council will follow the same policy it uses to record prepaid expenditures in the fund financial statements with one exception. Disbursements made as matching payments to acquire vehicles that are titled to another government are capitalized and amortized in the Statement of Net Position as prepaid expenses to better present the substance of this type of transaction and to keep from distorting the Council's transportation expenses in the Statement of Activities. In contrast, 100% of the matching payments are reported in the fund financial statements as intergovernmental expenditures when the vehicles are received.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

I. Capital Assets

Capital assets are long-lived assets purchased or acquired with an original cost of at least \$1,000 and have an estimated useful life of greater than one year. When purchased or acquired, these assets are recorded as capital assets in the government-wide Statement of Net Position. If the asset was purchased, it is recorded in the books at its cost. If the asset was donated, then it is recorded at acquisition value. Capital assets will also include major repairs to equipment and vehicles that significantly extend the asset's useful life. Routine repairs and maintenance are expensed as incurred.

For capital assets recorded in the government-wide financial statements, depreciation is computed and recorded using the straight-line method for the asset's estimated useful life. The Council follows a guideline issued by the State of Louisiana's Office of Statewide Reporting and Accounting to establish the useful lives of the various types of capital assets that are depreciated and the method used to calculate annual depreciation. Using this guideline, the estimated useful lives of the various classes of depreciable capital assets are as follows:

Equipment - other than computers	6 to 10 years
Furniture	10 years
Vehicles	5 years
Computer equipment	5 years
Leasehold improvements & storage building	20 years

When calculating depreciation, the State's guideline assumes that capital assets will not have any salvage value and that a full year's worth of depreciation will be taken in the year the capital assets are placed in service or disposed.

In the fund financial statements, capital assets used in the Council's operations are accounted for as capital outlay expenditures of the governmental fund that provided the resources to acquire the assets. Depreciation is not computed or recorded on capital assets for purposes of the fund financial statements.

J. Non-Current (Long-Term) Liabilities

The accounting treatment of non-current liabilities depends on whether they are reported in the government-wide or fund financial statements. In the government-wide financial statements, all non-current liabilities that will be repaid from governmental resources are reported as liabilities. In the fund financial statements, non-current liabilities for governmental funds are not reported as liabilities or presented elsewhere in these statements.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

K. Unpaid Compensated Absences

The Council's annual and sick leave policy requires employees to consume any annual or sick leave they might earn within the Council's fiscal year. In other words, an employee must *use or lose* any earned leave on or before June 30th of every year. As a result, the Council has not accrued a liability for any unused leave in these financial statements. The Council's management has this policy to minimize the Council's exposure to a liability for which the Council may not have the funds to pay.

L. Unearned Revenue Other Than Property Taxes

The Council reports deferred revenues on both the Statement of Net Position (government-wide) and the Balance Sheet (fund financial statements). Unearned revenues arise when the Council receives resources before it has a legal claim to them, as when grant monies are received before the occurrence of qualifying expenditures. In subsequent periods, when the Council has a legal claim to the resources, the liability for unearned revenue is removed from the Statement of Net Position and the fund Balance Sheet, whichever the case might be, and the revenue is recognized. The Council had \$0 in unearned revenue at year-end.

M. Deferred Outflows and Inflows of Resources

Deferred outflows represent the consumption of the Council's net position that is applicable to a future reporting period. Deferred inflows represent the acquisition of net position that is applicable to a future reporting period. The Council did not have any deferred outflows or inflows of resources to report in any of its financial statements this year.

N. Net Position in the Government-Wide Financial Statements

Net position represents the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources.

The Council reports three categories of net position, as follows:

1. Net investment in capital assets - This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding debt attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year end, the position of the debt attributable to the unspent proceeds is not included in this component of net position. Rather, that portion of the debt is included in the same component of net position as the unspent proceeds.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

2. Restricted net position - This component reports the amount of net position with externally imposed constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.
3. Unrestricted net position - This component is the balance (deficit) of all other elements in the statement of net position remaining after net investment in capital assets and restricted net position.

O. Fund Equity - Fund Financial Statements

Governmental fund equity is classified as fund balance, which is classified based on the relative strength of the spending constraints placed on how the fund balance resources can be used, as follows:

Nonspendable: Amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted: Amounts that can be spent only for specific purposes because of state or federal laws, or externally imposed conditions by grantors or creditors.

Committed: Amounts that can only be used for specific purposes determined by a formal action by Council ordinance or resolution. These amounts cannot be used for any other purpose unless the Council removes or changes the specified use by taking the same type of action (ordinance or resolution) that was employed when the funds were initially committed.

Assigned: Amounts the Council intends to use for a specific purpose; intent can be expressed by the Council or by an official or body to which the Council delegates the authority.

Unassigned: Amounts that have not been assigned to other funds and that have not been restricted, committed, or assigned to specific purposes within the General Fund.

When fund balance resources are available for a specific purpose in multiple classifications, the Council would use the most restrictive funds first in the following order: restricted, committed, assigned, and unassigned as they are needed. However, it reserves the right to selectively spend unassigned resources first and to defer the use of the other classified funds.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

P. Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and such differences may be material.

Q. Allocation of Indirect Expenses

The Council reports all direct expenses by function and programs of functions in the Statement of Activities. Direct expenses are those that are clearly identifiable with a function or program. Indirect expenses are recorded as direct costs of the Administration function. GOEA provides funds to partially subsidize the Council's Administration function. The unsubsidized net cost of the Administration function is allocated using a formula based primarily on the relationship the direct cost a program bears to the direct cost of all programs. There are some programs that cannot absorb any indirect expense allocation according to their grant or contract restrictions.

R. Elimination and Reclassifications

In the process of aggregating data for the Statement of Net Position and the Statement of Activities, some amounts reported as interfund activity and balances in the funds were eliminated or reclassified. Interfund receivables and payables were eliminated to minimize the *grossing up* effect on assets and liabilities within the governmental activities column.

S. Current Year Adoption of New Accounting Standards

During the year, the Council adopted and implemented GASB Statement No. 101 – *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. This Statement requires that liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. The new accounting standard had no material effect on the Council's financial statements.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

2. Cash and Cash Equivalents

Cash includes amounts in demand deposits, interest bearing demand deposits, and money market accounts. Under state law, the Council may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Under state law, the Council may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The Council maintains a consolidated bank account at a local bank to deposit money received and to pay bills. The consolidated bank account is available for use by all funds. The purpose of the consolidated account is to reduce administration costs and facilitate cash management. The consolidated account also allows those funds with available cash balances to temporarily cover any negative cash balances in other funds.

The following is a summary of cash and cash equivalents at June 30, 2025:

	Book Balance	Bank Balance
Petty Cash	\$ 1,259	\$ -
Deposits in Bank Accounts	414,337	454,315
	<u>\$ 415,596</u>	<u>\$ 454,315</u>

Custodial Credit Risk - Deposits

In the case of deposits, this is the risk that in the event of a bank failure, the Council's deposits may not be returned to it. To mitigate this risk, state law requires for these deposits (or the resulting bank balances) to be secured by federal deposit insurance or the pledge of securities by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Even though the pledged securities may be considered uncollateralized (Category 3) under provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent has failed to pay deposited funds upon demand.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

At June 30, 2025, the Council has \$454,315 in demand deposits (collected bank balances) for cash and cash equivalents, in one bank. \$250,000 of the demand deposits are secured from risk by \$250,000 of federal deposit insurance and the remaining \$204,315 of demand deposits are secured by pledged securities. The \$204,315 is exposed to custodial credit risk because while the amount is secured by pledged securities, such securities are held by the custodial bank in the name of fiscal agent bank (GASB Category 3).

3. Investments -

Investments at June 30, 2025, consists of \$3,378,098 in the Louisiana Asset Management Pool (LAMP), a local government external investment pool.

During the year the Council might accumulate cash in excess of its immediate operating needs and to maximize its revenues, the Council's management will invest the excess cash. In addition, to protect the cash, the Council's management has adopted an investment policy that is intended to follow Louisiana Revised Statute 33:2955, which sets forth a list of the types of investments in which a political subdivision may invest its temporarily idle funds. Accordingly, the Council's management invested its excess cash in the LAMP. This type of investment complies with state law and the Council's investment policy.

LAMP is administered by LAMP, Inc., a non-profit corporation organized under the laws of the State of Louisiana. Only local government entities having contracted to participate in LAMP have an investment interest in its pool of assets. The primary objective of LAMP is to provide a safe environment for the placement of public funds in short-term, high quality investments. The LAMP portfolio includes only securities and other obligations in which local governments in Louisiana are authorized to invest in accordance with LSA-R.S. 33:2955.

GASB Statement No. 40 Deposit and Investment Risk Disclosure, requires disclosure of credit risk, custodial credit risk, concentration of credit risk interest, rate risk, and foreign currency risk for all public entity investments.

LAMP is an investment pool that, to the extent practical, invests in a manner consistent with GASB Statement No. 79. The following facts are relevant for investment pools:

- **Credit risk**: LAMP is rated AAAM by Standards and Poor's.
- **Custodial credit risk**: LAMP participants' investments in the pool are evidenced by shares of the pool. Investments in pools should be disclosed, but not categorized because they are not evidenced by securities that exist in physical or book-entry form. The public entity's investment is with the pool, not the securities that make up the pool; therefore, no disclosure is required.
- **Concentration of credit risk**: Pooled investments are excluded from the five percent disclosure requirement.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

- **Interest rate risk**: LAMP is designed to be highly liquid to give its participants immediate access to their account balances. LAMP prepares its own interest rate risk disclosure using the weighted average maturity (WAM) method. The WAM of LAMP assets is restricted to not more than 90 days and consists of no securities with a maturity in excess of 397 days or 762 days for U.S. Government floating/variable rate investments. The WAM for LAMP's total investments is 55 days as of June 30, 2025. The Council does not have a formal investment policy that limits investments' maturities as a means of managing its exposure to fair value arising from increasing interest rates.

- **Foreign currency risk**: Not applicable.

LAMP is designed to be highly liquid to give its participants immediate access to their account balances. The investments in LAMP are stated at fair value. The fair value is determined on a weekly basis by LAMP and the value of the position in the external investment pool is the same as the net asset value of the pool shares.

LAMP, Inc. is subject to the regulatory oversight of the state treasurer and the board of directors. LAMP is not registered with the SEC as an investment company. LAMP, Inc., issues an annual publicly available financial report that includes financial statements and required supplementary information for LAMP, Inc. That report may be obtained by writing to LAMP, Inc., 650 Poydras Street, Suite 2220, New Orleans, Louisiana 70130, or by calling (800) 249-5267.

4. **Ad Valorem Taxes -**

The Council receives funds from a ten-year property tax that was renewed by the voters of Livingston Parish on December 10, 2022, to specifically provide money to finance the Council's operations. The tax is based upon the assessed (appraised) value, less homestead exemptions, on all real and business personal property located within the Parish. The 1st day of January is used as the date to value the property subject to tax and make the annual assessment. The tax will be assessed through calendar year 2033 unless the voters renew it again.

Property taxes become due in November and are considered delinquent if not paid by December 31 (the lien date). Most of the property taxes are collected during the months of December, January, and February. The Livingston Parish Sheriff (the Sheriff) acts as the collection agent for the Parish's property taxes.

For the year ended June 30, 2025 taxes of 2.0 mills were levied on property with assessed valuations totaling \$925,863,331 and were dedicated to general purposes. Two mills is the maximum amount the Council may legally elect to assess property owners each year, and the Council's board of directors elected to have the Parish assess 2.0 mills for tax year 2025.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

Property tax revenues (\$1,827,122) on the fund financial Statement of Revenues, Expenditures, and Changes in Fund Balances (Statement E) have not been reduced by \$73,602 withheld by the Sheriff for *on-behalf payments for fringe benefits*, which represent the Council's pro rata share of retirement plan contributions for other government agencies. Instead, the \$73,602 has been presented as intergovernmental expenditures on Statement E. In contrast, on the government-wide Statement of Activities (Statement B), property tax revenues of \$1,753,520 have been reduced by the on-behalf payments and presented as general revenues.

5. Prepaid Expenditures and Expenses -

At June 30, 2025, prepaid expenditures in the fund Balance Sheet (Statement C) consisted of the following:

Prepaid Registration for LANTEC Training	\$ 4,275
Total Prepaid Expenditures	<u>\$ 4,275</u>

At June 30, 2025, prepaid expenses in the Statement of Net Position (Statement A) consisted of the following:

Prepaid Registration for LANTEC Training	\$ 4,275
Van Usage	<u>36,161</u>
Total Prepaid Expenditures	<u>\$ 40,436</u>

The difference between prepaid expenditures and prepaid expenses arises from transactions wherein the Livingston Council on Aging paid the required *matching funds* under capital assistance grants the Livingston Parish Council (the Parish) entered into with the Louisiana Department of Transportation and Development (DOTD) to acquire vehicles. The vehicles are titled in the name of the Parish but the Livingston Council on Aging uses the vehicles for its transportation programs and must pay for all the operating costs. The funds the Livingston Council on Aging expends as *matching funds* are first recorded as a deposit in its fund Balance Sheet when the funds are remitted to DOTD. Upon delivery of the vehicles to the Livingston Council on Aging, the deposits are reversed as intergovernmental expenditures in the Council's fund financial statements. However, in the government-wide statements, the *matching funds* are classified as prepaid expenses and amortized over the estimated useful lives of the vehicles (100,000 miles - approximately 60 months). The Council's management believes presenting the matching transactions in this manner in the government-wide financial statements best presents the economics of the transactions.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

No written lease exists between the Parish and the Livingston Council on Aging that sets forth the terms of the agreement to use the Parish's vehicles. However, the Parish and the Council have used this type of cooperative agreement to provide public transportation to the residents of Livingston Parish for many years.

6. Changes in Capital Assets -

A summary of changes in capital assets including leased assets and related accumulated depreciation and amortization are as follows:

	Balance June 30, 2024	Additions	Deletions	Balance June 30, 2025
Capital Assets not being Depreciated:				
Land	\$ 148,045	\$ -	\$ -	\$ 148,045

Total Lease Assets, being Amortized, Net	45,716	(2,600)	-	43,116
Total Governmental Activities Capital Assets, Net	\$ 1,443,572	\$ (12,344)	\$ -	\$ 1,431,228

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

None of the above amounts include any donated assets. The Council's management has reviewed the capital assets and does not believe any capital assets are impaired or totally unusable as of the year end.

Depreciation and amortization were charged to governmental activities as follows:

Administration	\$ 85,433
Supportive Services:	
Transportation of the Elderly	4,750
Nutrition Services:	
Congregate meals	6,724
Home-delivered meals	<u>12,867</u>
Total Depreciation/Amortization Expense	
Governmental Activities	<u>\$ 109,774</u>

The \$85,433 of depreciation and amortization associated with the administration function relates to capital assets and leased assets that essentially serve all functions. Accordingly, it is included as a direct expense of the Administration function on the Statement of Activities and then allocated to other functions in accordance with the Council's method of allocating indirect expenses. The other depreciation amounts are charged as direct expenses to their related programs on the Statement of Activities.

7. Fund Balances - Fund Financial Statements -

At June 30, 2025, none of the special revenue funds have a fund balance. The fund balances of the special revenue funds are zeroed out at year-end to comply with the administration and accounting policies of the grantor agencies that have awarded the Council certain grants.

The General Fund has \$4,041 of restricted funds to be used specifically for Utility Assistance.

8. In-Kind Contributions -

The Council received a variety of in-kind contributions during the year, but does not record the fair value of them in its government-wide and fund financial statements, except for the donation of capital assets. In the case of a donation of a capital asset, accounting principles for governmental entities require the acquisition value of a donated capital asset be recorded in the Statement of Activities. However, these same principles do not permit the recording of the fair value of capital assets (or other in-kind contributions) in the fund financial statements because of the measurement focus of such statements.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

The Council received in-kind contributions relating to the use of facilities in Maurepas, Springfield, and Denham Springs. The donors have valued their donations and furnished the information to the Council's management. A summary of the in-kind contributions and their estimated values are as follows:

Facility Rentals	\$ 59,871
Utilities for Facilities	12,283
Telephone	5,293
Garbage Pickup	2,662
Insurance	12,579
Janitorial Supplies	926
Maintenance and Repairs	24,869
	<u>\$ 118,483</u>

If these in-kind contributions had been recorded in the Statement of Activities their allocation would have been \$23,459 for Administration and \$95,024 for Nutrition Services-Congregate Meals.

The Livingston Council on Aging (COA) also received in-kind support for its transportation programs from the Livingston Parish Council (LPC.) because the LPC made fifteen vehicles available for the COA to use at no charge. The vehicles owned by the LPC were all acquired by the LPC under capital assistance grants for the elderly and disabled persons wherein the federal government paid 85% or 100% of the vehicle's cost. The LPC allowed the COA to use the vehicles at no charge as long as the COA paid for all the insurance, fuel and maintenance costs. Therefore, the COA received an in-kind contribution from the LPC for the use of the vehicles owned by the LPC. Management has estimated the in-kind use of the LPC's vehicles to be \$42,488 for the fiscal year. The estimate was derived by first determining the amount the federal government paid for each vehicle. Then, the amount of federal payment for each vehicle was amortized from the date at which the COA began using each vehicle using 100,000 miles (approximately 60-month) estimated useful life. The amount of amortization for the period July 1, 2024 through June 30, 2025 was deemed to be the value of the LPC's in-kind contribution for vehicle usage. If the in-kind contribution for the vehicles had been recorded in the Statement of Activities, the allocation amongst the COA's transportation programs would have been \$41,944 for Elderly Transportation and \$544 for Nonelderly Transportation.

9. Retirement Plan -

The Council does not participate in or offer any type of retirement plan to its employees.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

10. Board of Directors' Compensation -

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members can request reimbursements for out-of-pocket expenses in accordance with the Council's travel reimbursement policy when traveling on behalf of the Council.

11. Judgments, Claims, and Contingent Liabilities -

The Council's management believes that any litigation, lawsuits, or claims that are unknown and that might arise subsequent to the issuance of these financial statements would be adequately covered by the Council's insurance or resolved without any material adverse impact upon the Council's financial statements.

12. Contingencies - Grant Programs -

The Council participates in a number of state and federal grant programs, which are governed by various rules and regulations. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the Council has not complied with the rules and regulations governing the grants, funds received during the year and the collectability of any related receivable at year-end may be impaired. In management's opinion, there are no significant contingent liabilities relating to compliance with the rules and regulations governing state and federal grants; therefore, no provision has been recorded in the accompanying financial statements for such contingencies. Audits of prior years have not resulted in any disallowed costs or refunds. Any costs that would be disallowed would be recognized in the period agreed upon by the grantor agency and the Council.

13. Economic Dependency -

The Council receives the majority of its revenue from a property tax assessment and through grants administered by the Louisiana Governor's Office of Elderly Affairs (GOEA) and the Louisiana Department of Transportation and Development (DOTD). The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of funds the Council receives could be reduced significantly and have an adverse impact on its operations. Also, if the property in Livingston Parish were to be assessed at lower values due to natural disaster or another unpredictable event, the amount the Council receives annually from the property tax could be affected adversely. Management is not aware of any actions or events that might significantly affect the amount of funds the Council should receive next year relating to its property tax or grant revenues.

LIVINGSTON COUNCIL ON AGING

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2025

14. Risk Management -

The Council is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees; and natural disasters. The Council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. Also, all eligible employees who did not elect out of coverage are

covered by commercial health insurance that is provided by the Council. There have been no significant reductions in coverage from the prior year. No settlements were made during the current or prior three fiscal years that exceeded the Council's insurance coverage.

The Council's management has not purchased commercial insurance or made provision to cover or reduce the risk of loss, as a result of business interruption and certain acts of God, like floods or earthquakes.

15. Lease Liability -

The Council records leases in accordance with GASB statement No. 87, *Leases*. Leases greater than 12 months are recorded as a right-of-use asset and a lease liability. See Note 6 for a recap of the lease assets. As of June 30, 2025, there are no lease liabilities.

On February 1, 1992, the Council entered into an operating lease with the City of Denham Springs, Louisiana, to lease the building that the Council currently occupies at 949 Government Street, Denham Springs, Louisiana. Also included in this lease is the use of an addition (the Senior Center) that is adjacent to that building. Terms of the lease required the Council to prepay the rent in a lump sum of \$130,000 for the entire lease term of 600 months (February 1, 1992 to January 31, 2042). Other significant terms of the lease require the Council to (1) maintain at least \$500,000 of liability insurance, (2) pay all the contents insurance of the buildings and utilities, and (3) be responsible for the costs of interior maintenance. The City of Denham Springs is responsible for all costs relating to building fire and flood insurance and major repairs to the external structure, heating and cooling system, and plumbing.

16. Interfund Receivables and Payables -

Because the Council receives its grant revenues primarily on a cost reimbursement basis, it has to pay for costs using its General Fund money and then request reimbursement under the various grant programs. As a result, the manner in which cash is spent and received creates short-term interfund loans. A summary of these interfund loans at year end is as follows:

Total Special Revenue Funds	1,313,849	-
Total	\$ 1,313,849	\$ 1,313,849

Transfers are used to (a) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, and (b) shift unrestricted revenues collected in the General Fund to finance various programs accounted for by special revenue funds to eliminate program deficits.

These transfers were eliminated as a part of the consolidation process in preparing the government-wide financial statements.

18. Tax Abatement Program

The Louisiana Industrial Ad Valorem Tax Exemption Program (ITEP) is an original state incentive program which offers attractive tax incentive for manufacturers within the state. The program abates, for up to ten years, local property taxes (ad valorem) on a manufacturer's new investment and annual capitalized additions related to the manufacturing site. This exemption is granted per contract with the Louisiana Department of Economic Development and will specify the buildings and / or personal property items covered by the exemption. For the 2025 calendar year, estimated forgone ad valorem taxes due to this abatement program was \$31,256 for the Council.

19. Subsequent Events -

Management has evaluated subsequent events through December 9, 2025, which is the date the financial statements were available to be issued. There were no events that required disclosure.

LIVINGSTON COUNCIL ON AGING

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

FOR THE YEAR ENDED JUNE 30, 2025

1. Budgetary Reporting -

The budget information presented in this section of required supplementary information applies to *major* governmental funds for which annual budgets were adopted. Budgetary information for *nonmajor* funds has not been included anywhere in these financial statements.

The Council follows these procedures in establishing the budgetary data that has been presented as required supplementary information in these financial statements.

- The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for its programs.
- Management projects property tax revenues based on past trends and data available at the Parish Assessor's office to form expectations of future revenues.
- The Livingston Parish Council (LPC) also provides funds to the Council via the Section 5311 program administered by the Louisiana Department of Transportation and Development (DOTD). Accordingly, the Council submits an application and budget to DOTD to request funding under the Section 5311 program. DOTD, in turn, notifies the Council of the maximum amount the Council can get reimbursed under this program in the upcoming year.
- The revenue information supplied by GOEA and DOTD are considered by management along with revenue projections of grants from other agencies, program service fees, public support (including client contributions), interest income, and other miscellaneous sources.
- Expenditure projections are developed using historical information and changes to the upcoming year that management is aware of at the time of budget preparation.
- Once information regarding projected revenues and expenditures has been obtained, the Council's management prepares a proposed budget based on the projections. The proposed budget is reviewed and approved by the Council's Finance Committee before it is submitted to the Board of Directors for final approval.
- The Board of Directors reviews and adopts the budget for the next fiscal year at a regularly scheduled board meeting, usually held before May 31 of the current fiscal year. The original FY 2025 budget was approved at a board meeting on July 18, 2024.
- The adopted budget is forwarded to GOEA for final compliance approval.

See independent auditor's report.

LIVINGSTON COUNCIL ON AGING

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION (CONTINUED)

FOR THE YEAR ENDED JUNE 30, 2025

- Unused budget amounts lapse at the end of each fiscal year (June 30). However, if a grant or contract is not completed by June 30, the Council will automatically re-budget funds in the next fiscal year to complete the grant or contract. An example where this type of situation arises is when vehicles are acquired under federal matching programs. The match might be made in one year and the vehicle delivered in another.
- The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.
- Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments. Budget amendments are sent to GOEA and approved by that agency. The Council amended its fiscal year 2025 budget and it was approved at a board meeting on May 22, 2025.
- Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.
- The Council may transfer funds between line items in its budget as often as required but must obtain compliance approval from the Governor's Office of Elderly Affairs (GOEA) for funds received under grants from this agency. As part of its grant compliance, GOEA requires the Council to amend its budget in cases where actual costs for a particular line item exceed their budgeted amounts by more than 10%, unless unrestricted funds are available to *cover* the overrun.
- Budgeted expenditures cannot exceed budgeted revenues, including transfers, on an individual fund level, unless a large enough fund balance exists to absorb the budgeted operating deficit.
- The Council is not required by state or local law to prepare a budget for every program or activity it conducts. Accordingly, some activities may not be budgeted, particularly if they are deemed to be immaterial by management.

LIVINGSTON COUNCIL ON AGING

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2025

Note A - Significant Accounting Policies -

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal grant activity of the Livingston Council on Aging and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Note B - Indirect Cost Rate Election -

The Council did not elect to use the 10% de minimis indirect cost rate during the year ended June 30, 2025.

Note C - Sub-Recipients -

The Council did not pass-through any of its federal awards to a sub-recipients during the year ended June 30, 2025.

Note D - Non-Cash Assistance -

No federal non-cash assistance was received or expended during the year ended June 30, 2025.

Note E - Relationship to Financial Statements -

The schedule of expenditures of federal awards was prepared from the same accounting records as were used to prepare the financial statements. Differences between amounts reported in the SEFA and the financial statements may exist due to different accounting basis used for financial reporting. These revenues are included within the intergovernmental revenues reported in the Statement of Revenues Expenditures, and Changes in Fund Balances (Statement E) as follows:

<u>Fund</u>	<u>Governor's Office of Elderly Affairs</u>	<u>Livingston Parish Council (Section 5311)</u>	<u>Total</u>
Statement E - Revenues -			
Intergovernmental:			
General Fund	\$ 337,326	\$ -	\$ 337,326

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

The Board of Directors of the
Livingston Council on Aging, Inc.
Denham Springs, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Livingston Council on Aging, Inc., as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Livingston Council on Aging, Inc.'s basic financial statements, and have issued our report thereon dated December 9, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Livingston Council on Aging, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Livingston Council on Aging, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Livingston Council on Aging, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

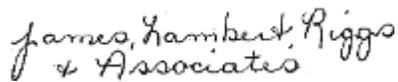

As part of obtaining reasonable assurance about whether the Livingston Council on Aging, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements.

Livingston Council on Aging, Inc.
December 9, 2025

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

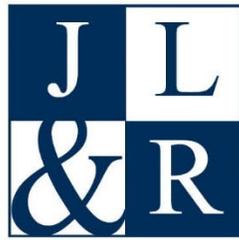

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Livingston Council on Aging, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on
Internal Control over Compliance Required by the Uniform Guidance

The Board of Directors of the
Livingston Council on Aging, Inc.
Denham Springs, Louisiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Livingston Council on Aging, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Livingston Council on Aging, Inc.'s major federal programs for the year ended June 30, 2025. The Livingston Council on Aging, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Livingston Council on Aging, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Livingston Council on Aging, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Livingston Council on Aging, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Livingston Council on Aging, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Livingston Council on Aging, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Livingston Council on Aging, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Livingston Council on Aging, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Livingston Council on Aging, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Livingston Council on Aging, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

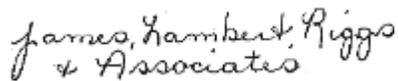

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Livingston Council on Aging, Inc.
December 9, 2025

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Independent Accountants' Report on Applying Agreed-Upon Procedures

Ms. Stephanie Landry, Executive Director
Livingston Council on Aging, Inc. and Board of Directors
Denham Springs, LA

Louisiana Legislative Auditor
Baton Rouge, Louisiana

We have performed the procedures enumerated below on the control and compliance (C/C) areas identified in the Louisiana Legislative Auditor's (LLA's) Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2024 through June 30, 2025. The Livingston Council on Aging, Inc. ("Council") management is responsible for those C/C areas identified in the SAUPs.

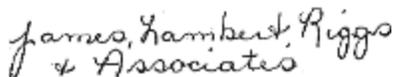

The Council has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period July 1, 2024 through June 30, 2025. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are detailed in Schedule "A."

We were engaged by the Council to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Council and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

1) *Written Policies and Procedures*

- A. Obtain and inspect the entity's written policies and procedures and observe whether they address each of the following categories and subcategories if applicable to public funds and the entity's operations:
- i. ***Budgeting***, including preparing, adopting, monitoring, and amending the budget.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - ii. ***Purchasing***, including (1) how purchases are initiated, (2) how vendors are added to the vendor list, (3) the preparation and approval process of purchase requisitions and purchase orders, (4) controls to ensure compliance with the Public Bid Law, and (5) documentation required to be maintained for all bids and price quotes.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iii. ***Disbursements***, including processing, reviewing, and approving.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iv. ***Receipts / Collections***, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or agency fund additions (e.g., periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation).
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - v. ***Payroll / Personnel***, including (1) payroll processing, (2) reviewing and approving time and attendance records, including leave and overtime worked, and (3) approval process for employee rates of pay or approval and maintenance of pay rate schedules.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - vi. ***Contracting***, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - vii. ***Travel and Expense Reimbursement***, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers.
 - **Results:** No exceptions were noted as a result of the above listed procedures.

viii. **Credit Cards (and debit cards, fuel cards, purchase cards, if applicable)**, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage (e.g., determining the reasonableness of fuel card purchases).

- **Results:** No exceptions were noted as a result of the above listed procedures.

ix. **Ethics**, including (1) the prohibitions as defined in Louisiana Revised Statute (R.S.) 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) a requirement that documentation is maintained to demonstrate that all employees and officials were notified of any changes to the entity's ethics policy.

- **Results:** No exceptions were noted as a result of the above listed procedures.

x. **Debt Service**, including (1) debt issuance approval, (2) continuing disclosure / EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.

- **Results:** No exceptions were noted as a result of the above listed procedures.

xi. **Information Technology Disaster Recovery / Business Continuity**, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing / verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches / updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.

- **Results:** No exceptions were noted as a result of the above listed procedures.

xii. **Prevention of Sexual Harassment**, including R.S. 42:342-344 requirements for (1) agency responsibilities and prohibitions, (2) annual employee training, and (3) annual reporting.

- **Results:** No exceptions were noted as a result of the above listed procedures.

3) Bank Reconciliations

A. Obtain a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for each selected account, and observe that:

i. Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated or electronically logged);

- **Results:** No exceptions were noted as a result of the above listed procedures.

ii. Bank reconciliations include written evidence that a member of management or a board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation within 1 month of the date the reconciliation was prepared (e.g., initialed and dated or electronically logged); and

- **Results:** No exceptions were noted as a result of the above listed procedures.

iii. Management has documentation reflecting it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

- **Results:** No exceptions were noted as a result of the above listed procedures.

4) Collections (excluding electronic funds transfers)

A. Obtain a listing of deposit sites for the fiscal period where deposits for cash / checks / money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).

- **Results:** No exceptions were noted as a result of the above listed procedures.

B. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (e.g., 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if there are no written policies or procedures, then inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that

i. Employees responsible for cash collections do not share cash drawers / registers;

- **Results:** No exceptions were noted as a result of the above listed procedures.

ii. Each employee responsible for collecting cash is not also responsible for preparing/making bank deposits, unless another employee / official is responsible for reconciling collection documentation (e.g., pre-numbered receipts) to the deposit;

- **Results:** No exceptions were noted as a result of the above listed procedures.

iii. Each employee responsible for collecting cash is not also responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee / official is responsible for reconciling ledger postings to each other and to the deposit; and

- **Results:** No exceptions were noted as a result of the above listed procedures.

iv. The employee(s) responsible for reconciling cash collections to the general ledger and / or subsidiary ledgers, by revenue source and / or custodial fund additions, is (are) not also responsible for collecting cash, unless another employee / official verifies the reconciliation.

- **Results:** No exceptions were noted as a result of the above listed procedures.

C. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was in force during the fiscal period.

- **Results:** No exceptions were noted as a result of the above listed procedures.

- D. Randomly select two deposit dates for each of the 5 bank accounts selected for Bank Reconciliations procedure #3A (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). *Alternatively, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc.* Obtain supporting documentation for each of the 10 deposits and
- i. Observe that receipts are sequentially pre-numbered.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - ii. Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iii. Trace the deposit slip total to the actual deposit per the bank statement.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iv. Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - v. Trace the actual deposit per the bank statement to the general ledger.
 - **Results:** No exceptions were noted as a result of the above listed procedures.

5) Non-Payroll Disbursements (excluding card purchases, travel reimbursements, and petty cash purchases)

- A. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- B. For each location selected under procedure #5A above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, then inquire of employees about their job duties), and observe that job duties are properly segregated such that
- i. At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order or making the purchase;
 - **Results:** No exceptions were noted as a result of the above listed procedures.

- ii. At least two employees are involved in processing and approving payments to vendors;
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- iii. The employee responsible for processing payments is prohibited from adding / modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files;
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- iv. Either the employee / official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments; and
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- v. Only employees / officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.
 - **Results:** No exceptions were noted as a result of the above listed procedures.

[Note: Findings related to controls that constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality) should not be reported.]

- C. For each location selected under procedure #5A above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction, and
 - i. Observe whether the disbursement, whether by paper or electronic means, matched the related original itemized invoice and supporting documentation indicates that deliverables included on the invoice were received by the entity, and
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - ii. Observe whether the disbursement documentation included evidence (e.g., initial / date, electronic logging) of segregation of duties tested under procedure #5B above, as applicable.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- D. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. *Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.*
 - **Results:** No exceptions were noted as a result of the above listed procedures.

6) Credit Cards / Debit Cards / Fuel Cards / Purchase Cards (Cards)

- A. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and purchase cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.
- **Results:** No exceptions were noted as a result of the above listed procedures.
- B. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement). Obtain supporting documentation, and
- i. Observe whether there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit / debit card purchases, exception reports for excessive fuel card usage) were reviewed and approved, in writing (or electronically approved) by someone other than the authorized card holder (those instances requiring such approval that may constrain the legal authority of certain public officials, such as the mayor of a Lawrason Act municipality, should not be reported); and
- **Results:** No exceptions were noted as a result of the above listed procedures.
- ii. Observe that finance charges and late fees were not assessed on the selected statements.
- **Results:** No exceptions were noted as a result of the above listed procedures.
- C. Using the monthly statements or combined statements selected under procedure #7B above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (e.g., each card should have 10 transactions subject to inspection). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business / public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and observe whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.
- **Results:** No exceptions were noted as a result of the above listed procedures.

9) Payroll and Personnel

- A. Obtain a listing of employees and officials employed during the fiscal period and management's representation that the listing is complete. Randomly select 5 employees or officials, obtain related paid salaries and personnel files, and agree paid salaries to authorized salaries/pay rates in the personnel files.
- **Results:** No exceptions were noted as a result of the above listed procedures.
- B. Randomly select one pay period during the fiscal period. For the 5 employees or officials selected under procedure #9A above, obtain attendance records and leave documentation for the pay period, and

- i. Observe that all selected employees or officials documented their daily attendance and leave (e.g., vacation, sick, compensatory);
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - ii. Observe whether supervisors approved the attendance and leave of the selected employees or officials;
 - **Results:** The direct supervisor did not approve the attendance and leave for five out of the five selected employees, however attendance and leave was approved by the Executive Director.
 - iii. Observe that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records; and
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iv. Observe the rate paid to the employees or officials agrees to the authorized salary / pay rate found within the personnel file.
 - **Results:** No exceptions were noted as a result of the above listed procedures.
- C. Obtain a listing of those employees or officials that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select two employees or officials and obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity's policy on termination payments. Agree the hours to the employee's or official's cumulative leave records, agree the pay rates to the employee's or official's authorized pay rates in the employee's or official's personnel files, and agree the termination payment to entity policy.
- **Results:** No exceptions were noted as a result of the above listed procedures.
- D. Obtain management's representation that employer and employee portions of third-party payroll related amounts (e.g., payroll taxes, retirement contributions, health insurance premiums, garnishments, workers' compensation premiums, etc.) have been paid, and any associated forms have been filed, by required deadlines.
- **Results:** No exceptions were noted as a result of the above listed procedures.

14) Prevention of Sexual Harassment

- A. Using the 5 randomly selected employees / officials from Payroll and Personnel procedure #9A, obtain sexual harassment training documentation from management, and observe that the documentation demonstrates each employee / official completed at least one hour of sexual harassment training during the calendar year as required by R.S. 42:343.
- **Results:** No exceptions were noted as a result of the above listed procedures.
- B. Observe that the entity has posted its sexual harassment policy and complaint procedure on its website (or in a conspicuous location on the entity's premises if the entity does not have a website).
- **Results:** No exceptions were noted as a result of the above listed procedures.

- C. Obtain the entity's annual sexual harassment report for the current fiscal period, observe that the report was dated on or before February 1, and observe that the report includes the applicable requirements of R.S. 42:344:
- i. Number and percentage of public servants in the agency who have completed the training requirements;
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - ii. Number of sexual harassment complaints received by the agency;
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iii. Number of complaints which resulted in a finding that sexual harassment occurred;
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - iv. Number of complaints in which the finding of sexual harassment resulted in discipline or corrective action; and
 - **Results:** No exceptions were noted as a result of the above listed procedures.
 - v. Amount of time it took to resolve each complaint.
 - **Results:** No exceptions were noted as a result of the above listed procedures.

Livingston Council on Aging / An Area Agency on Aging

December 10, 2025

Dear James Lambert Riggs & Associated, Inc.

The Executive Director has reviewed the Statewide Agreed Upon Procedures for the period of July 1, 2024 through June 30, 2025, and concurs with the results from the report. The Executive Director will continue to work with staff and the Executive Board of Directors to resolve the issue of including supervisory signatures on all leave slips.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Landry". The signature is fluid and cursive.

Stephanie Landry
LCOA Executive Director
