## Independent Accountant's Review Report

The Honorable Richard J. Putnam, III, Judge  
City Court of Abbeville, Louisiana

We have reviewed the accompanying financial statements of the governmental activities and each major fund of City Court of Abbeville, Louisiana, a component unit of the City of Abbeville, Louisiana, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the City Court's basic financial statements as listed in the table of contents. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 17 be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Government Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management has omitted the management's discussion and analysis information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

### *Other Information*

The State of Louisiana requires that the Schedule of Compensation, Benefits, and Other Payments to Judge and the Schedule of Justice System Funding on pages 19 and 20 be presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the supplementary information and, accordingly, do not express an opinion on such information.

## CITY COURT OF ABBEVILLE, LOUISIANA

### Notes to Financial Statements

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City Court of Abbeville, Louisiana (City Court) was created under Louisiana Revised Statute 13:1872 as a political subdivision of the State of Louisiana. The Court operates under the control of the City Judge, an elected official serving a term of six years.

The accounting and reporting policies of the City Court conform to generally accepted accounting principles as applicable to governments. Such accounting and reporting procedures also conform to the requirements of Louisiana Revised Statute 24:517 and to the guides set forth in the *Louisiana Government Audit Guide* and to the industry audit guide, *Audits of State and Local Governmental Units*.

The following is a summary of certain significant accounting policies:

#### Financial Reporting Entity

This report includes all funds which are controlled by or dependent upon the City Court Judge. City Court is a component of a financial reporting entity with the City of Abbeville, Louisiana being the primary government.

#### Government-Wide and Fund Financial Statements

The government-wide financial statements report information on all of the activities of the government. Both the government-wide and fund financial statements categorize primary activities as governmental.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Items not properly included among program revenues are reported as *general revenues*.

A separate financial statement is provided for the governmental fund.

#### Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when the liability is incurred, regardless of the timing of the related cash flows.

Government fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or as soon enough thereafter to pay liabilities for the current period. For this purpose, the government considers revenues to be *available* if they are collectible within the current period or soon enough thereafter, within 60 days of the end of the current fiscal period, to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

Notes to the Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

City Court of Abbeville, Louisiana has the following fund type:

Governmental Fund –

The focus of the governmental fund’s measurement (in the fund statement) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental fund of City Court:

General Fund

The General Fund is the general operating fund of City Court. It is used to account for all financial resources except those required to be accounted for in another fund.

Capital Assets

All capital assets purchased or acquired are reported at historical cost or estimated historical cost. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Equipment	5-10 years
Furniture and fixtures	7-10 years

Fund Equity – Fund Financial Statements

Governmental fund equity is classified as fund balance. City Court has implemented GASB Statement 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This Statement provides more clearly defined fund balance categories to make the nature and extent of the constraints placed on a government’s fund balance more transparent. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

- Nonspendable: This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- Restricted: This classification includes amounts for which constraints have been placed on the use of resources are either:
  - Externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or

## CITY COURT OF ABBEVILLE, LOUISIANA

### Notes to the Financial Statements

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- Imposed by law through constitutional provisions or enabling legislation. The Court did not have any restricted resources as of year-end.
- Committed: This classification includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action (resolution) of the City Court Judge, which is the entity's highest level of decision-making authority. These amounts cannot be used for any other purposes unless the Judge removes or changes the specified use by taking the same type of action that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements. The Court did not have any committed resources as of year-end.
- Assigned: This classification includes amounts that are constrained by City Court's intent to be used for a specific purpose but are neither restricted nor committed. This intent should be expressed by City Court. The Court did not have any assigned resources as of year-end.
- Unassigned: This classification is the residual fund balance of the General Fund. It also represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the General Fund.

When fund balance resources are available for a specific purpose in multiple classifications, City Court will generally use the most restrictive funds first in the following order: restricted, committed, assigned, and unassigned as they are needed. However, City Court reserves the right to selectively spend unassigned resources first and to defer the use of the other classified funds.

#### Budgetary Practices

The budget is adopted on a basis consistent with generally accepted accounting principles (GAAP). Budgeted amounts included in the accompanying financial statements are as originally adopted and as finally amended by the City Court Judge.

#### Interest-Bearing Deposits

Interest-bearing deposits are stated at cost, which approximates market.

#### Salaries and Compensated Absences

Salaries include amounts paid for part-time office staff, as well as monthly payments to the Clerk of Court and other full-time employees. Salaries do not include amounts paid to the City Judge, City Marshall, nor the regular salaries of the Clerk of Court and other full-time employees, which are paid by the Vermilion Parish Police Jury and the City of Abbeville.

CITY COURT OF ABBEVILLE, LOUISIANA

Notes to the Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Employee benefits such as retirement, health insurance and compensated absences are also provided by the City of Abbeville. No liability has been accrued for compensated absences since the City Court is not responsible for those costs.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by City Court.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the government's financial position and operations.

Change in Accounting Principle

In June 2017, the Governmental Accounting Standards Board (GASB) issues statement No. 87, *Leases*. This statement requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the foundational principle that leases are financings of the right to use an underlying asset. The provisions of GASB Statement No. 87 have been implemented by the City Court of Abbeville during 2022.

The adoption of GASB Statement No. 87 did not result in the recognition of right-of-use assets or operating lease liabilities due to the absence of lease contracts with the City Court.

NOTE 2 CASH AND INTEREST-BEARING DEPOSITS

Under state law, the City Court may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. The City Court may invest in certificates and time deposits of state banks organized under Louisiana law and national banks having principal offices in Louisiana. The City Court does not have a policy for custodial credit risk.

CITY COURT OF ABBEVILLE, LOUISIANA

Notes to the Financial Statements

NOTE 2 CASH AND INTEREST-BEARING DEPOSITS (Continued)

At December 31, 2022, the City Court had cash and interest-bearing deposits (book balances) totaling \$139,444 as follows:

Cash on hand	\$ 100
General Fund - Criminal account	18,160
General Fund - Special account	103,520
General Fund - Judicial Building Fund	<u>17,665</u>
Total	<u>\$ 139,444</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits, (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

Deposit balances (bank balances) at December 31, 2022, are secured as follows:

Bank balances	<u>\$ 139,397</u>
Federal deposit insurance	250,000
Pledged securities (Category 3)	<u>206,324</u>
	<u>456,324</u>
Excess FDIC insurance and pledged securities	<u>\$ 316,927</u>

Pledged securities in Category 3 include uninsured or unregistered investments for which the securities are held by the broker or dealer, or by its trust department or agent, but not in City Court's name. Even though the pledged securities are considered uncollateralized (Category 3), state law imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by City Court that the fiscal agent has failed to pay deposited funds upon demand.

NOTE 3 CERTIFICATES OF DEPOSIT

The City Court has the following certificates of deposit:

<u>Institution</u>	<u>Term</u>	<u>Maturity Date</u>	<u>Interest Rate</u>	<u>Amount</u>
Abbeville Building & Loan	12 months	9/19/2023	0.75%	35,803
				<u>\$ 35,803</u>

The balances are fully secured by FDIC insurance.

CITY COURT OF ABBEVILLE, LOUISIANA

Notes to the Financial Statements

NOTE 4 UNEARNED REVENUE

The City Court has instituted a policy to accept partial payments of court costs and fines. Prior to this, a sentenced individual was required to pay the assessed court costs and fines in full or serve time in jail. Due to the shortage and cost of jail facilities it was decided that a series of partial payments would be accepted until the complete court assessed fine was paid out. Collections of partial payments are deposited into a separate checking account called the "special account". The balance in this cash account at December 31, 2022 was \$103,520 consisting of \$103,377 to be disbursed to various governmental agencies, and \$143 representing accumulated interest earnings that have not yet been transferred to the criminal account.
