INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
ARC of St. Mary
Centerville, Louisiana

We have reviewed the accompanying financial statements of the ARC of St. Mary (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

ARC OF ST. MARY
Centerville, Louisiana

Notes to Financial Statements (continued)

(1) Summary of Significant Accounting Policies

A. Nature of activities

The ARC of St. Mary (“ARC”) operates a non-profit day vocation program located in Centerville, Louisiana. The ARC provides adult day services to developmentally disabled adults in St. Mary Parish. Individuals perform a wide variety of vocational activities such as recycling, horticultural and janitorial services. The ARC is supported primarily through Medicare/Medicaid waiver and support reimbursements from the Louisiana Department of Health and Hospitals - Office for Citizens with Developmental Disabilities.

B. Income tax status

The ARC is a non-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

C. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Basis of accounting

The financial statements of ARC have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. Substantially all revenues are recognized when earned. Expenses are recognized in the period incurred.

ARC has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update 2016-14 *Presentation of Financial Statements of Not-for-Profit Entities* which modifies the presentation of net assets on the basic financial statements. In accordance with FASB ASU 2016-14, net assets are presented in two classes – net assets without donor restrictions and net assets with donor restrictions. Presentation in a particular net asset class is based on the existence or absence of donor-imposed restrictions on the use of the net assets. Accordingly, the net assets of ARC and changes therein are classified and reported as follows:

Net Assets with Donor Restrictions – net assets subject to stipulations imposed by donors and grantors. Some donor restrictions may be temporary in nature. These restrictions will be satisfied by actions of ARC or by the passage of time.

Net Assets without Donor Restrictions – net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of ARC. These net assets may be used at the discretion of ARC’s management and board of directors.

ARC OF ST. MARY
Centerville, Louisiana

Notes to Financial Statements (continued)

E. Cash and cash equivalents

Cash equivalents consist of short-term, highly liquid investments which are readily convertible into cash within ninety (90) days of purchase. At June 30, 2019 there were no investments which were determined to be cash equivalents.

F. Property and equipment

Property and equipment are capitalized at purchased cost. Donated property and equipment is capitalized at its fair value on the date of the donation. It is the ARC's policy to capitalize expenditures for these items in excess of \$500. Lesser amounts are expensed. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

Depreciation is computed using the straight line method over the following estimated useful lives:

	<u>Years</u>
Buildings and improvements	10 - 40
Furniture and equipment	5 - 10
Vehicles	5

G. Contributions

In accordance with *FASB Accounting Standards Codification 958-605, Revenue Recognition*, contributions are recognized when the donor makes a promise to give and are recorded as with donor restrictions or without donor restrictions depending on the existence and/or nature of any donor restrictions.

All contributions are considered to be available for unrestricted use unless specifically restricted by donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net assets class. When a qualifying expenditure occurs, or a time restriction expires, assets with donor restrictions are recognized in net assets without donor restrictions as "net assets released from restrictions" in the statement of activities. However, if a restriction is fulfilled in the same period in which the contribution is received, the contribution is reported as without donor restrictions.

The ARC reports contributions of assets other than cash at their estimated fair value at the date of the gift and are reported as revenues of the unrestricted net asset class unless explicit donor stipulations specify how the donated asset must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as revenues of the with donor restrictions net asset class. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the ARC reports expiration of donor restrictions when the donated or acquired long-lived assets are placed in service.

ARC OF ST. MARY
Centerville, Louisiana

Notes to Financial Statements (continued)

H. Support and revenue

The ARC receives Medicare/Medicaid payments for billable client services. Revenues for these services are recorded when earned.

I. Program revenue

The ARC receives program service fees from janitorial services, recycling programs, and selling of second-hand items. Support and revenue are recognized when earned.

J. Advertising

Advertising costs are expensed as they are incurred. Advertising expense for the year ended June 30, 2019 was \$135.

K. Functional Allocation of Expenses

The costs of providing various program and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Specific expenses that are readily identifiable to a program or activity are charged directly. Expenses attributable to more than one program or activity are allocated on a reasonable basis that is consistently applied. Allocated expenses include depreciation and occupancy which are allocated based upon square footage and salaries and benefits which are allocated based upon time and effort.

(2) Credit Risk

Financial instruments which potentially subject the ARC to concentrations of credit risk consist principally of cash and cash equivalents. Cash and cash equivalents at June 30, 2019 consisted of cash and demand deposits at financial institutions which management believes are high quality institutions. The cash and cash equivalents possess credit risk to the extent the deposits at financial institutions exceed FDIC insured limits. The ARC has no policy to actively monitor credit risk. At June 30, 2019, the ARC's deposits did not exceed FDIC insured limits; therefore, the ARC was not exposed to credit risk.

(3) Liquidity and Availability of Resources

At June 30, 2019, the ARC has cash and cash equivalents totaling \$109,581, all of which was available for general expenditure needs. The ARC has no policy to invest cash and cash equivalents in excess of daily requirements or structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due.

(4) Concentrations

The Arc receives payments from Medicaid for services provided to clients. Medicaid revenue for the year ended June 30, 2019 totaled \$220,859, which was 63% of total revenues.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Board of Directors of ARC of St. Mary and
 Louisiana Legislative Auditor

We have performed the procedures enumerated below, which were agreed to by the ARC of St. Mary and the Louisiana Legislative Auditor (LLA) on the ARC of St. Mary's compliance with certain laws and regulations contained in the accompanying *Louisiana Attestation Questionnaire* (Exhibit A) during the fiscal year ended June 30, 2019, as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*. The management of the ARC of St. Mary is responsible for its financial records and compliance with applicable laws and regulations.

This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and provisions of *Government Auditing Standards* applicable to attestation engagements. The sufficiency of these procedures is solely the responsibility of the ARC of St. Mary and LLA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated exceptions are as follows:

Federal, State, and Local Awards

1. Obtain the list of federal, state, and local government grant award expenditures for the fiscal year, by grant and grant year, from the Arc of St. Mary's management.

The Arc of St. Mary provided us with the following list of expenditures made for federal grant awards received during the fiscal year ended June 30, 2019:

<i>Federal, State, or Local Grant Name</i>	<i>Grant</i>		
	<i>Contract No.</i>	<i>CFDA No.</i>	<i>Amount</i>
<i>Department of Transportation</i>			
<i>Passed through the Louisiana Department of Transportation</i>			
<i>Enhanced Mobility for Seniors and Individuals with Disabilities</i>	<i>ED16-51-19</i>	<i>20.513</i>	<i>\$ 35,000</i>

2. For each federal, state, and local award, randomly select six disbursements from each award administered during the period under examination, provided that no more than 30 disbursements would be selected.

A total of six (6) expenditures from the award listed above were selected.

3. For the items selected in Procedure 2, trace the six disbursements to supporting documentation as to proper amount and payee.

We examined supporting documentation for each of the selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in Procedure 2, determine if the six disbursements are properly coded to the correct fund and general ledger account.

Each of the selected disbursements was properly coded to the correct fund and general ledger account.

5. For the items selected in Procedure 2, determine whether the six disbursements received approval from proper authorities.

Inspection of supporting documentation for each of the selected disbursements indicated appropriate approvals.

6. For each selected disbursement made for federal grant awards, obtain the Compliance Supplement for the applicable federal program. For each disbursement made for a state or local grant award, or for a federal program not included in the Compliance Supplement, obtain the grant agreement. Compare the documentation for each disbursement to the program compliance requirements or the requirements of the grant agreement relating to activities allowed or unallowed, eligibility, and reporting; and report whether the disbursements comply with these requirements.

Activities allowed or unallowed

We reviewed supporting documentation for each of the previously mentioned disbursements and found that each of the disbursements were considered to be allowable under the applicable grant program.

Eligibility

We reviewed supporting documentation for each of the previously mentioned disbursements and determined that all disbursements were in accordance with eligibility requirements.

Reporting

We reviewed supporting documentation for each of the previously mentioned disbursements and found that each of the disbursements had been properly included in applicable required reports.

7. For the programs selected for testing in Procedure 2 that had been closed out during the period under review, compare the close-out report, when required, with the agency's financial records to determine whether the amounts agree.

The program tested in Procedure 2 did not have a required close-out report.

Open Meetings

8. Examine evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by R.S. 42:11 through 42:28 (the open meetings law).

The Arc of St. Mary is not considered a "public body" as defined by R.S. 42:13. Additionally, the Arc of St. Mary has not been designated or funded as an agency to perform a government function or perform services entrusted to public bodies, nor does the Arc of St. Mary exercise policy-making, advisory, or administrative functions. Therefore, the Arc of St. Mary is not considered a public body for purposes of the Open Meetings Law and thus, is not required to comply with the Open Meetings Law.

Budget

9. For each grant exceeding five thousand dollars, obtain the comprehensive grant budgets that the agency provided to the applicable federal, state or local grantor agency. Report whether the budgets for federal, state and local grants included the purpose and duration of the grants; and whether budgets for state grants also included specific goals, objectives, and measures of performance.

The Arc of St. Mary provided comprehensive budgets to the applicable grantor agencies for the previously mentioned program. The budget specified the anticipated uses of the funds and estimates of the duration of the programs.

State Audit Law

10. Report whether the agency provided for a timely report in accordance with R.S. 24:513.

The Arc of St. Mary's report was submitted to the Legislative Auditor before the statutory due date of December 31, 2019.

11. Inquire of management and report whether the agency entered into any contracts that utilized state funds as defined in R.S. 39:72.1 A. (2); and that were subject to the public bid law (R.S. 38:2211, et seq.), while the agency was not in compliance with R.S. 24:513 (the audit law).

The Arc of St. Mary's management represented that the Arc of St. Mary did not enter into any contracts during the fiscal year that were subject to the public bid law.

Prior Year Comments

12. Review any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

There were no suggestions, recommendations, and/or comments reported in the prior-year financial report.

We were not engaged to perform, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the ARC of St. Mary's compliance with the foregoing matters. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is to describe the scope of testing performed on the ARC of St. Mary's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire, and the result of that testing, and not to provide an opinion on control or compliance. This report is intended solely for the information of and use by the ARC of St. Mary's management and the LLA and should not be used by anyone other than those specified parties. Accordingly, this report is not suitable for any other purpose and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

Schedule of Findings
Year Ended June 30, 2019

Findings Reported in Accordance with *Government Auditing Standards*

2019-001 Inadequate Segregation of Duties

CONDITION: Due to the limited number of personnel performing administrative functions, the ARC of St. Mary does not have adequate segregation of duties within its accounting and financial functions.

CRITERIA: Internal control is a process – effected by those charged with governance, management, and other personnel – designed to provide reasonable assurance about the achievement of objectives with regard to reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations. The ARC of St. Mary’s internal control over financial reporting includes those policies and procedures that pertain to its ability to record, process, summarize, and report financial data consistent with the assertions embodied in financial statements.

CAUSE: The ARC of St. Mary does not have a sufficient number of staff performing administrative and financial duties so as to provide adequate segregation of accounting and financial duties.

EFFECT: Failure to adequately segregate accounting and financial functions increases the risk that errors and/or irregularities including fraud may occur and not be prevented and/or detected.

RECOMMENDATION: The Board is aware of this inadequacy and has concluded that the cost of hiring additional personnel to achieve complete segregation of duties would exceed the benefits. No additional response is deemed necessary.

2019-002 Bank Reconciliations

CONDITION: Bank reconciliations were not prepared.
