To Board Members

Bernice Area Fire Protection District Bernice, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and the aggregate remaining fund information of the Bernice Area Fire Protection District for the year ended December 31, 2019, which collectively comprise the Fire District's basic financial statements as listed in the table of contents in accordance with accounting principles generally accepted in the United States of America.

We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA.

We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Fire District's financial position, results of operations and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Budgetary Comparison Schedule on page 8, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. This information was subject to our compilation engagement, however, we have not audited or reviewed the required supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such information.

The schedule of Compensation, Benefits and Other Payments to Agency Head is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement, however, we have not audited or reviewed the information, and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

Net Change in Fund Balance - Governmental Funds	\$ 30,418
Amounts reported for governmental activities in statement of activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of these assets is allocated over their estimated useful lives as depreciation expense.	
Current Year Depreciation Expense	(24,500)
Change in Net Position of Governmental Activities	<u>\$ 5,918</u>
