## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Pathways in Education - Louisiana, Inc.  
Shreveport, Louisiana

### Report on the Audit of the Financial Statements

#### ***Opinion***

We have audited the accompanying financial statements of Pathways in Education - Louisiana, Inc. (the School), a nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pathways in Education - Louisiana, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

***Auditors' Responsibility for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Other Matters**

*Other Information*

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The accompanying schedule of compensation, benefits, and other payments the agency head is presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The schedules required by Louisiana State Law, included as Schedules 1 and 2, are not a required part of the basic financial statements, but are supplementary information required by Louisiana State Law. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combining financial statements. We have applied certain limited procedures, which are described in the Independent Accountants' Report on Applying Agreed-Upon Procedures. However, we did not audit this information and, accordingly, express no opinion on it.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated December 20, 2025 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Pathways in Education - Louisiana, Inc. (the School) was originally formed August 29, 2008, under the name of Pathways in Education - New Orleans, Inc. Effective July 23, 2012, Pathways in Education - New Orleans, Inc. changed its corporate name to Pathways in Education - Louisiana, Inc. The corporation was dormant until February 10, 2014.

The School is a Louisiana nonprofit corporation, formed exclusively for educational purposes. On July 1, 2014, the School entered into a Type 1 charter school contract with Caddo Parish School Board (CPSB) to operate an alternative school for students from ninth to twelfth grade in Caddo Parish, Louisiana. The charter agreement with CPSB is for an initial term of five years, contingent upon the results of the reporting requirements at the end of the third year as provided in LA R.S. 17:3998 (A)(2) and may be renewed at the discretion of CPSB. The School opened its first campus in Shreveport for the 2014/2015 School year. The School opened its second campus in Shreveport for the 2015/2016 School year.

The School is an independent nonprofit entity, separate and distinct from the Caddo Parish School Board, the primary government and reporting entity. However, the School is a component unit of CPSB and the School's financial statements are included in the CPSB's basic financial statements as a component unit.

The School received 100% of its total revenues from state grantors.

**Basis of Accounting**

The financial statements have been prepared on the accrual method of accounting and accordingly, reflect all significant receivables and liabilities.

**Basis of Presentation**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

**Functional Allocation of Expenses**

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, payroll taxes, other fees for services, office expenses, printing and postage, information technology, and other expenses, which are allocated on the basis of estimates of time and effort.

**PATHWAYS IN EDUCATION - LOUISIANA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

**Accounts Receivable**

Accounts receivable primarily represent amounts due from governments as of June 30, 2025. Management believes that all receivables are fully collectible, therefore, no provisions for uncollectible accounts were recorded.

**Property, Plant, and Equipment**

Property and equipment is capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated property and equipment is recorded at fair market values as of the date received. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets (five years) for furniture, fixtures and equipment. Leasehold improvements are depreciated over the lesser of the useful life of the asset or the lease term. The School capitalizes all expenditures for land, buildings and equipment in excess of \$10,000.

**Net Asset Classes**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Compensated Absences**

The School's policy permits employees to accumulate earned but not used time off up to 300 hours.

**PATHWAYS IN EDUCATION - LOUISIANA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition**

Amounts received from the State Public School Fund are conditional and recognized as revenue by the School based on enrollment of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

**Income Taxes**

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3). Accordingly, no provision has been made for income taxes. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files and exempt School return and applicable unrelated business income tax return in the U.S. federal jurisdiction.

**Contributions**

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Conditional Grants**

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2025, the School had no conditional grants.

**Leases**

The School determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in right-of-use (ROU) assets – financing and lease liability – financing in the statement of financial position.

**PATHWAYS IN EDUCATION - LOUISIANA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases (Continued)**

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the balance sheet.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the School has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

The School has elected the practical expedient to not separate lease and non-lease components. Lease payments included in the measurement of the lease liability include all lease and non-lease components, unless variable in nature.

**Evaluation of Subsequent Events**

The School has evaluated subsequent events through December 20, 2025, the date these financial statements were available to be issued.

**NOTE 2 LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and accounts receivable for the total amount of \$3,820,135.

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**NOTE 3 CONCENTRATION OF CREDIT RISK**

The School maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

The School received the majority of its total revenues from the state of Louisiana, subject to its charter school contract with CPSB for the year ended June 30, 2025.

**NOTE 6 MAJOR CONTRACT – THIRD-PARTY SERVICE PROVIDER**

The School receives management and administrative services from Pathways Management Group, Inc. (PMG) for the purpose of streamlining services required by multiple entities. These services include assistance with school administration, facilities, accounting services, human resources, recruiting, training, and curriculum acquisition and development, and board support services. During the year ended June 30, 2025, all these service fees totaled 15% of total expenses.

**NOTE 7 CONTINGENCIES, RISKS AND UNCERTAINTIES**

The School has received state funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors  
Pathways in Education - Louisiana, Inc.  
Shreveport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pathways in Education - Louisiana, Inc. (the School), a nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 20, 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
