Independent Auditor's Report

To the Board of Directors
Colyell Community Water Association, Inc.
Livingston, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Colyell Community Water Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Colyell Community Water Association, Inc.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Colyell Community Water Association, Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedules listed in the table of contents are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 30, 2018, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Colyell Community Water Association's internal control over financial reporting and compliance.

**Notes to the Financial Statements
For the Year Ended December 31, 2017**

Business Organization

Colyell Community Water Association, Inc. ("the Association") was incorporated on May 21, 1973, as a nonprofit corporation. The Association was organized to provide water distribution services to residents of the Colyell Community in Livingston Parish. At December 31, 2017, Colyell provided service to a total of 1,058 Customers.

1. Summary of Significant Accounting Policies

A. Basis of Presentation

The Association is required to report information regarding the financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, as applicable. At December 31, 2017, all of the Association's net assets are considered unrestricted.

B. Basis Accounting

The financial statements of Colyell Community Water Association, Inc. are maintained on an accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities. This method recognizes revenues when earned, and expenses when incurred.

C. Accounts Receivable

Accounts Receivable are stated at unpaid balances, less an allowance for doubtful accounts.

D. Income Taxes

The Association files income tax returns in the U.S. federal jurisdiction. The Association is a non-profit association formed under Section 501(C) 12 of the Internal Revenue Code. With few exceptions, the Association is no longer subject to federal income tax examinations by tax authorities for years before 2015. Any interest and penalties assessed by income taxing authorities, if any, are not significant and would be included in the Statement of Activities.

Colyell Community Water Association, Inc.
Livingston, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2017

E. Property, Plant and Equipment

Property, plant and equipment are stated at cost and do not purport to represent replacement or realizable values. The cost of depreciable property, plant and equipment is charged to earnings over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to expenses as incurred; expenditures for renewals and betterments of \$500 or more are generally capitalized. When properties are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized. Depreciation of all depreciable property, plant and equipment is computed using the straight-line method over the following lives:

<u>Description</u>	<u>Estimated Lives</u>
Water System	10 - 40 Years
Equipment	5 - 10 Years
Land	Not applicable

F. Compensated Absences

Because of the immateriality of estimating compensating absences, the water system has not attempted to accrue a liability for them.

G. Statement of Cash Flows

For the purposes of the statement of cash flows, Colyell Community Water Association, Inc. considers all bank accounts and certificates of deposit with an initial maturity of ninety days or less when purchased to be cash equivalents for purposes of reporting cash flows.

H. Restricted Assets

Certain resources set aside for the repayment of the notes payable and a capital addition and contingency account, are classified as restricted assets because their use is limited by applicable bond covenants.

I. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Livingston, Louisiana

Notes to the Financial Statements
For the Year Ended December 31, 2017

J. Inventory

Inventories are stated at the lower of cost or market determined by the first-in, first-out method. Inventories consist of chemicals and water supplies.

K. Investments

The Association maintains investments in certificates of deposit with an initial maturity of more than 90 days. The fair value of the certificates of deposit at December 31, 2017 was \$155,620.

2. Restricted Assets

At December 31, 2017, the Association had restricted assets as follows:

Debt Service Sinking Account	\$ 88,932
Debt Service Reserve Account	59,299
Capital Additions and Contingencies Account	33,500
Customer Deposit Account	18,347
Customer Deposit Certificate of Deposit	51,873
	<u>\$ 251,951</u>

3. Receivables

The following is a summary of receivables at December 31, 2017:

Accounts Receivable	\$ 11,179
Allowance for Uncollectible Accounts	<u>(2,500)</u>
Net Accounts Receivable	<u>\$ 8,679</u>

Estimated unbilled sales are recognized at the end of each fiscal year on a pro-rata basis. The estimated amount is equal to one hundred percent of the January 1, 2018 billing and one half of the February 1, 2018 billing. Accrued unbilled sales totaled \$47,219 at December 31, 2017.

Total Capital Assets, Net	\$ 1,599,090	\$ (69,832)	\$ -		\$ 1,529,258	

Depreciation expense for the year ended December 31, 2017 was \$80,561.

5. Notes Payable

The Association has entered into two loan agreements with the State of Louisiana for construction costs and upgrades to the Association's water system. The Association has pledged revenues derived from these assets to pay the debt service of these loans. On June 27, 2002, the Association borrowed \$948,600 and on March 1, 2009, the Association borrowed \$899,732. These loans are collateralized by the receivables, land and water system improvements of the Association. The Association reduces the long-term portion of the debt on the statement of financial position by the unamortized debt issuance cost of \$7,457 as required by FASB ASC 835-30.

Description/Purpose	Original Amount	Interest Rate	Final Maturity	Balance December 31, 2017
2002 Expansion of Water System	\$ 948,600	3.45%	July 1, 2023	\$ 363,700

Independent Auditor's Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

To the Board of Directors
Colyell Community Water Association, Inc.
Livingston, LA

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Colyell Community Water Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated May 30, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Colyell Community Water Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Colyell Community Water Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Colyell Community Water Association, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Colyell Community Water Association, Inc.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Colyell Community Water Association, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, the Board of Directors, and the Office of the Legislative Auditor, State of Louisiana, and federal awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Respectfully submitted,

Phil Hebert
