Introduction

As a part of our audit of the State of Louisiana's Annual Comprehensive Financial Report and our work related to the Single Audit of the State of Louisiana (Single Audit) for the fiscal year ended June 30, 2025, we performed procedures at the Coastal Protection and Restoration Authority (CPRA) to provide assurances on financial information that is significant to the state's Annual Comprehensive Financial Report; evaluate the effectiveness of CPRA's internal controls over financial reporting and compliance; and determine whether CPRA complied with applicable laws and regulations.

Results of Our Procedures

Annual Comprehensive Financial Report – State of Louisiana

As a part of our audit of the Annual Comprehensive Financial Report for the year ended June 30, 2025, we considered internal controls over financial reporting and examined evidence supporting CPRA's capital outlay escrow fund nonpayroll expenditures and payables.

Based on the results of these procedures, we did not report any findings. In addition, the account balances and classes of transactions tested are materially correct.

Federal Compliance - Single Audit of the State of Louisiana

As a part of the Single Audit for the year ended June 30, 2025, we performed internal control and compliance testing as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) on CPRA's major federal programs, as follows:

- Coastal Wetlands Planning, Protection and Restoration Act Program (Cost Share Agreements) (Assistance Listing 15.U05)

- Gulf Coast Ecosystem Restoration Council Oil Spill Impact Program (Assistance Listing 87.052)

Those tests included evaluating the effectiveness of CPRA's internal controls designed to prevent or detect material noncompliance with program requirements and tests to determine whether CPRA complied with applicable program requirements.

Based on the results of these procedures, we did not report any findings.

Trend Analysis

We compared the most current and prior-year financial activity using CPRA's Annual Fiscal Reports and/or system-generated reports and obtained explanations from CPRA's management for any significant variances.

Under Louisiana Revised Statute 24:513, this letter is a public document, and it has been distributed to appropriate public officials.

Respectfully submitted,

CPRA2025

APPENDIX A: SCOPE AND METHODOLOGY

We performed certain procedures at the Coastal Protection and Restoration Authority (CPRA) for the period from July 1, 2024, through June 30, 2025, to provide assurances on financial information significant to the State of Louisiana's Annual Comprehensive Financial Report, and to evaluate relevant systems of internal control in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Our procedures, summarized below, are a part of the audit of the Annual Comprehensive Financial Report and our work related to the Single Audit of the State of Louisiana (Single Audit) for the year ended June 30, 2025.

- We evaluated CPRA's operations and system of internal controls through inquiry, observation, and review of its policies and procedures, including a review of the laws and regulations applicable to CPRA.
- Based on the documentation of CPRA's controls and our understanding of related laws and regulations, we performed procedures to provide assurances on certain account balances and classes of transactions to support our opinions on the Annual Comprehensive Financial Report.
- We performed procedures on the Coastal Wetlands Planning, Protection and Restoration Act Program (Cost Share Agreements) (Assistance Listing 15.U05) and the Gulf Coast Ecosystem Restoration Council Oil Spill Impact Program (Assistance Listing 87.052) for the year ended June 30, 2025, as a part of the 2025 Single Audit.
- We compared the most current and prior-year financial activity using CPRA's Annual Fiscal Reports and/or system-generated reports to identify trends and obtained explanations from CPRA's management for significant variances.

The purpose of this report is solely to describe the scope of our work at CPRA, and not to provide an opinion on the effectiveness of CPRA's internal control over financial reporting or on compliance. Accordingly, this report is not intended to be, and should not be, used for any other purposes.

We did not audit or review CPRA's Annual Fiscal Reports, and accordingly, we do not express an opinion on those reports. CPRA's accounts are an integral part of the State of Louisiana's Annual Comprehensive Financial Report, upon which the Louisiana Legislative Auditor expresses opinions.
