Why We Conducted This Audit

We performed certain procedures at the Coastal Protection and Restoration Authority (CPRA) as a part of the Annual Comprehensive Financial Report of the State of Louisiana, the Single Audit of the State of Louisiana (Single Audit), and to evaluate CPRA's accountability over public funds for the period July 1, 2024, through June 30, 2025.

What We Found

- Financial information relating to capital outlay escrow fund nonpayroll expenditures and payables was materially correct.
- As a part of the 2025 Single Audit, we performed procedures on CPRA's major federal programs.
- Based on the results of these procedures, we did not report any findings.
