Independent Auditor's Report

To the Board of Directors of
Louisiana Alliance of Children's Advocacy Centers
Slidell, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Louisiana Alliance of Children's Advocacy Centers (the Organization), which comprise the statements of financial position as of December 31, 2025, and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Louisiana Alliance of Children's Advocacy Centers, as of December 31, 2025, and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Louisiana Alliance of Children's Advocacy Centers and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Louisiana Alliance of Children's Advocacy Centers' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Alliance of Children's Advocacy Centers internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Alliance of Children's Advocacy Centers ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on page 19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 28, 2026, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Organization

Louisiana Alliance of Children's Advocacy Centers (the Organization) is a nonprofit organization whose mission is to provide, promote, and support Children's Advocacy Centers (CACs) in providing a coordinated multidisciplinary response to child victims of abuse through development, training, and advocacy. Their vision is for every child in Louisiana to have access to high-quality care regardless of their background or where they live.

The Organization is supported by member contributions and by grant funds and contracts from the National Children's Alliance, the State of Louisiana, and the Southern Regional Chapter of CACs to provide administration, training, and support of the Alliance and the participating CAC members.

Basis of Presentation

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and accordingly reflect all significant receivables, payables, and other liabilities. Under this method, revenues are recognized when earned, and expenses are recorded when incurred. Contributions are recognized when received or when unconditionally promised.

Financial Statement Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board may designate, from net assets without donor restrictions net assets for an operating reserve or board-designated endowment.

Net assets with donor restrictions – Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. At December 31, 2025, and 2024, the Organization held net assets with donor restrictions in the amount of \$0 and \$0, respectively.

Revenues are reported as increases in net assets without donor restrictions unless the use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies (continued)

Allowance for Credit Losses

An allowance for credit losses is an estimate based upon historical account write-off trends, facts about the current financial condition of the debtor, forecasts of future operating results based upon current trends and macroeconomic factors. Credit quality is monitored through the timing of payments compared to payment terms and known facts regarding the financial condition of debtors. Grants receivable balances are charged off against the allowance for credit losses after recovery efforts have ceased. At December 31, 2025, and 2024, the allowance for credit losses amounts were zero.

Office Equipment

Property and equipment additions of over \$500 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 7 years, or in the case of capitalized lease assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

The carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flow expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended December 31, 2025, and 2024.

Right of Use Leased Assets and Liabilities

Right to use leased assets and the related liabilities are recognized at the lease commencement date and represent the Organization's right to use an underlying asset and lease obligations for the lease term. Right to use leased assets are measured at the initial value of the lease liability plus any payments made to the lessor before the commencement of the lease term, less any lease incentives received from the lessor at or before the commencement of the lease term, plus any initial direct costs necessary to place the lease asset into service. Right to use leased assets are amortized over the shorter of the lease term or the useful life of the underlying asset using the straight-line method. The amortization period varies among the leases.

Revenue and Revenue Recognition

Contributions are recognized when cash, securities or assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

LOUISIANA ALLIANCE OF CHILDREN'S ADVOCACY CENTERS

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025

1. Summary of Significant Accounting Policies (continued)

Revenue and Revenue Recognition

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the consolidated statements of financial position.

Membership dues, which are nonrefundable, are comprised of an exchange element based on the benefits received, and a contribution element for the difference. The Organization recognizes the exchange portion of membership dues over the membership period, and the contribution portion immediately. Payments are required at the time of sale or start of the membership period. The amounts received in advance are deferred to the applicable period. With the exception of goods and services provided in connection with membership dues, which are transferred over the period of membership, all goods and services are transferred at a point in time.

Special events revenue is comprised of an exchange element based upon the direct benefits donors receive and a contribution element for the difference. The Organization recognizes special events revenue equal to the fair value of direct benefits to donors when the special event takes place. The Organization recognizes the contribution element of special event revenue immediately, unless there is a right of return if the special event does not take place.

Gifts In-Kind

Contributed nonfinancial assets include donated professional services, donated equipment, and other in-kind contributions which are recorded at the respective fair values of the goods or services received. The Organization does not sell donated gifts-in-kind. In addition to contributed nonfinancial assets, volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. No significant contributions of such goods or services were received during the years ended December 31, 2025, and 2024.

Functional Allocation of Expenses

The costs of programming and supporting services activities have been summarized on a functional basis in the statements of activities based on time and effort of those activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs, such as salaries and wages, payroll taxes and related benefits, contractors, and professional fees have been allocated among the programs and supporting services benefited. Occupancy is allocated based on square footage used for supporting and program services. After allocating all direct program and administrative expenses, percentages are determined to allocate the remaining indirect costs.

Income Tax Status

The Organization is exempt from income tax under IRC section 501 (c)(3), though it is subject to tax on income unrelated to its tax-exempt purpose, unless that income is otherwise excluded by the Code. The Organization has processes presently in place to ensure the maintenance of its tax-exempt status: to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Organization is not classified as a private foundation.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that could affect reported amounts of assets at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results and the results of future periods could differ from those estimates, and those differences may be material.

2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 895,180	\$ 838,649
Grants receivable	224,472	361,691
Total financial assets	<u>1,119,652</u>	<u>1,200,340</u>
Less; amounts not available to be used within one year:		
Funds restricted by donors for grant purposes	<u>-</u>	<u>-</u>
Financial assets available to meet general expenditures over the next twelve months.	<u>\$ 1,119,652</u>	<u>\$ 1,200,340</u>

As part of the liquidity management plan, cash in excess of daily requirements is invested in short-term investments and money market funds. To help manage unanticipated liquidity needs, the Organization has established a line of credit in the amount of \$500,000.

<u>Program / Source Title</u>	<u>2025</u>	<u>2024</u>
Louisiana Division of Administration	\$ 170,529	\$ 252,714

Total grants receivable	<u>\$ 224,472</u>	<u>\$ 361,691</u>

4. Equipment

At December 31, 2025, and 2024, equipment is summarized as follows at December 31:

	<u>2025</u>	<u>2024</u>
Equipment	\$ 80,030	\$ 187,236
Less: accumulated depreciation	(50,808)	(116,468)
	<u>\$ 29,222</u>	<u>\$ 70,768</u>

For the years ended December 31, 2025, and 2024, the depreciation expense was \$34,471 and \$36,062, respectively.

During the year ended December 31, 2025, the Organization recorded equipment disposals of \$107,206 with a net book value of \$7,075.

5. Line of credit

The Organization has a \$500,000 unsecured revolving line of credit with a bank. Borrowings under the line bear interest at the Wall Street Journal Prime Rate plus 2% (9.50% at December 31, 2025). Interest payments are due monthly. Accrued interest and principal are due at maturity (February 28, 2026). The agreement requires the Organization to comply with certain financial and non-financial covenants. At December 31, 2025, and 2024, the line of credit balance was zero.

6. Net Assets with Restrictions

At December 31, 2025, and 2024, the Organization reports net assets with donor restrictions as \$0 and \$0, respectively. During the years ended December 31, 2025, and 2024, the Organization received restricted grant revenue. A listing of the amounts received and released/spent as follows:

Victims of Crime Act	\$ 184,388	\$ 217,818

Children's Justice Act	23,850	24,720
Net assets released from restriction	<u>\$ 1,987,031</u>	<u>\$ 2,242,990</u>

7. Operating leases

The Organization leases certain office facilities at various terms under long-term non-cancelable operating lease agreements. The lease expires March 31, 2028, and provides two renewal options for 5 years each. The Organization does not include in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised. The Organization's operating lease provides for increases in future minimum annual rental payments. Additionally, the operating lease agreement requires the Organization to pay real estate taxes, insurance, and repairs.

The weighted-average discount rate is based on the discount rate implicit in the lease. The Organization has elected the option to use the risk-free rate determined by using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Organization has applied the risk-free rate option to the building and office equipment classes of assets.

The lease payments used to determine the lease liability and right-of-use assets include residual value guarantees the Organization is probable of paying at the termination of the lease term.

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Leases payments for short-term leases are recognized on straight-line basis.

The Organization elected the practical expedient to not separate lease and non-leases components for a real estate lease.

8. Concentrations of Credit Risk

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by the Organization to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. Insured accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. As of December 31, 2025, and 2024, the Organization had \$645,180 and \$588,649, respectively, in excess of FDIC insurance limits. To date, the Organization has not experienced losses in any of these new accounts.

Credit risk associated with grants receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of the Organization's mission.

9. Economic Dependency

The Organization receives the majority of its revenue in the form of grants from the State of Louisiana. The grant amounts are appropriated each year. If significant budget cuts are made, the amounts of funds the Organization receives could be reduced significantly and have an adverse impact on its operations. The loss or significant reduction of programs funding could have a material adverse effect on the Organization's operations.

10. Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, May 28, 2026, and determined the following items that require additional disclosure. No events occurring after this date have been evaluated for inclusion in these financial statements.

On April 1, 2026, the Organization entered into a lease with the State of Louisiana for office space in Lafayette. The lease term begins April 1, 2026, and expires on March 31, 2029. Monthly lease payments are approximately \$2,500 per month payable monthly in advance by the first day of each month.

OTHER REPORT

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT
AUDITING STANDARDS**

To the Board of Directors of
Louisiana Alliance of Children's Advocacy Centers
Slidell, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Louisiana Alliance of Children's Advocacy Centers (the Organization), a nonprofit entity, which comprise the statement of financial position as of December 31, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 28, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

- ii. For those entities reporting on the governmental accounting model, review the minutes from all regularly scheduled board/finance committee meetings held during the fiscal year and observe whether the minutes from at least one meeting each month referenced or included monthly budget-to-actual comparisons on the general fund, quarterly budget-to-actual comparisons, at a minimum, on all proprietary funds, and semi-annual budget-to-actual comparisons, at a minimum, on all special revenue funds. *Alternatively, for those entities reporting on the not-for-profit accounting model, observe that the minutes referenced or included financial activity relating to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal period.*
