Independent Auditors' Report

To the Board of Directors Caddo Community Action Agency, Inc. Shreveport, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Caddo Community Action Agency, Inc. (a nonprofit organization), which comprise the statements of financial position as of January 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Caddo Community Action Agency, Inc. (a nonprofit organization) as of January 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caddo Community Action Agency, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caddo Community Action Agency, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- · Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of Caddo Community Action Agency, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caddo Community Action Agency, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. (1) Summary of Significant Accounting Policies

A. Nature of Activities

Caddo Community Action Agency, Inc., (CCAA) is a private non-profit organization incorporated under the laws of the State of Louisiana. CCAA is governed by a Board of Directors composed of members from Caddo Parish. CCAA operates as a community action agency administering various federal and state funded programs designed to provide assistance to the poor and disadvantaged in Caddo Parish, Louisiana, with Weatherization Services also provided in Rapides and Lincoln parishes. CCAA administers the following programs, shown with their approximate percentage of revenues for the year ended January 31, 2022:

Head Start Program (69%) – Provides comprehensive early child development for disadvantaged and handicapped preschool children and their families. Funding is provided through federal funds from the U. S. Department of Health and Human Services.

Child Care Food Program (5%) – Provides a food service program in coordination with the Head Start Program. Funding is provided by federal funds passed through the State of Louisiana, Department of Education.

Community Services Block Grant (7%) – Administers various programs to fulfill responsibilities and provide assistance to the poor, disadvantaged and unemployed through housing services, community projects, nutrition services, emergency assistance, employment services, transportation services, and other services. Funding is provided by federal funds passed through the Louisiana Workforce Commission.

Weatherization Assistance Program (5%) – Provides assistance to weatherize (insulate) the dwellings of low-income persons, particularly the elderly and handicapped low-income in order to conserve needed energy and aid those persons least able to afford higher utility costs. Funding is provided by federal funds passed through the Louisiana Housing Corporation.

Home Energy Assistance Program (14%) – Provides assistance to low income households to offset the burden of high energy costs. Funding is provided by federal funds passed through the Louisiana Housing Corporation.

Shreveport Water Assistance Program – Provides assistance to hardship families in paying their water bills. Funding is provided by a contract with the City of Shreveport.

B. Basis of Accounting

The financial statements of CCAA have been prepared on the accrual basis of accounting.

C. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of CCAA's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of CCAA or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. CCAA has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

D. Income Tax Status

CCAA is exempt from state and federal income taxes under Section 501 (c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to CCAA's tax-exempt purpose is subject to taxation as unrelated business income. CCAA had no such income for this audit period. CCAA's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ended January 31, 2019, 2020, 2021, and 2022 are subject to examination by the IRS, generally for three years after they were filed.

E. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

F. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, CCAA considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. CCAA had no cash equivalents at January 31, 2022 or January 31, 2021.

G. Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method. The Federal Government has a reversionary interest in property purchased with federal funds; its disposition as well as the ownership of any proceeds therefrom is subject to federal regulations. The use of assets purchased with federal funds is limited to the purposes intended by the funding agency. CCAA has adopted a policy to capitalize all items with a unit cost of \$1,000 or greater.

H. Retirement Obligations

CCAA offers a 401(k) profit sharing plan for its employees. Employees with at least three months of service may contribute a portion of their gross wages up to a dollar limit which is set by law. Each year CCAA determines the percentage of an employee's compensation it will contribute to the plan. The contribution rate was changed from 6% for the year ended January 31, 2021, to 9% for the year ended January 31, 2022. The amount contributed to the plan for the years ended January 31, 2021 was \$717,447 and \$509,954, respectively.

I. Contributions

Contributions received are recorded as increase in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature or any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

J. Functional Allocation of Expense

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are directly charged to the function they benefit. Facility related expenses are allocated to each function based upon square footage utilized by the function.

K. Compensated Absences

Employees may accrue annual leave up to 21 days. Employees can carry over a maximum of 40 hours at the end of the fiscal year. Upon an employee's separation of employment, earned and/or accrued leave will be paid up to a maximum of 40 hours. Employees can also accrue sick leave, but accumulated sick leave is forfeited upon separation of employment.

(2) Concentrations of Credit Risk

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of January 31, 2022 and 2021, CCAA had no significant concentrations of credit risk in relation to grant receivables.

CCAA maintains cash balances at several financial institutions located in the Shreveport area. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At January 31, 2022, total cash balances held at financial institutions was \$489,700. Of this amount, \$251,843 was secured by FDIC, and the remaining \$237,857 was not collateralized. At January 31, 2021, total cash balances held at financial institutions was \$1,329,191. Of this amount, \$252,106 was secured by FDIC, \$933,347 was collateralized by pledged securities, and the remaining \$143,738 was not collateralized.

(3) Grant Receivables

Various funding sources provide reimbursement of allowable costs under contracts or agreements. These balances represent amounts due from funding sources at January 31, 2022 and 2021, but received after those dates.

(4) Contractual Revenue - Grants

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditors' Report

To the Board of Directors Caddo Community Action Agency, Inc. Shreveport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Caddo Community Action Agency, Inc., (a nonprofit organization), which comprise the statement of financial position as of January 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 27, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Caddo Community Action Agency Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Caddo Community Action Agency, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Caddo Community Action Agency, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Caddo Community Action Agency, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Opinion on Each Major Federal Program

We have audited Caddo Community Action Agency, Inc.'s, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Caddo Community Action Agency, Inc.'s major federal programs for the year ended January 31, 2022. Basis for Opinion on Each Major Federal Program

We conducted our audits of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Caddo Community Action Agency, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Caddo Community Action Agency, Inc.'s compliance with the compliance requirements referred to above.

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statues, regulations, rules, and provisions of contracts or grant agreements applicable to Caddo Community Action Agency, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Caddo Community Action Agency, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Caddo Community Action Agency, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Caddo Community Action Agency, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Caddo Community Action Agency, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Caddo Community Action Agency, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance to a material weakness in internal control over compliance to a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged

with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
