INDEPENDENT AUDITORS' REPORT

To the Partners
Audrey Heights Development, L.P.

Opinion

We have audited the accompanying financial statements of Audrey Heights Development, L.P., (a Louisiana Limited Partnership), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Audrey Heights Development, L.P. as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Audrey Heights Development, L.P. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Audrey Heights Development, L.P.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Audrey Heights Development, L.P.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Audrey Heights Development, L.P.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 20 through 22 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2026, on our consideration of Audrey Heights Development, L.P.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Audrey Heights Development, L.P.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Audrey Heights Development, L.P.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A – ORGANIZATION

Audrey Heights Development LP (the Partnership) was organized in 2007 as a limited partnership chartered under the laws of the State of Louisiana to develop, construct, own, maintain and operate a thirty-six-unit housing complex intended for rental to persons of low and moderate income. The complex is located in Covington, Louisiana and is collectively known as Audrey Heights (the Complex). The Complex has qualified and been allocated low-income housing tax credits pursuant to Internal Revenue Code Section 42 (Section 42) which regulates the use of the Complex as to occupant eligibility and unit gross rent, among other requirements. The major activities of the Partnership are governed by the Amended and Restated Articles of Partnership in Commendam, including amendments (Partnership Agreement) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, the state housing finance agency. Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statement follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash and all highly liquid and unrestricted debt instruments purchased with a maturity of three months or less.

Cash and Other Deposits

The Partnership has various checking, escrow and other deposits at various financial institutions. Accounts at these financial institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2025, the Partnership had no uninsured deposits.

Tenant Receivable and Bad Debt Policy

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or moved out are charged with damages or cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, security deposit, or the charges for damages and cleaning fees. The Partnership does not accrue interest on the tenant receivable balances.

AUDREY HEIGHTS DEVELOPMENT, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Partnership provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Partnership's estimate is based on historical collection experience and a review of the current status of tenant accounts receivable. It is reasonably possible that the Partnership's estimate of the allowance for doubtful accounts will change. At December 31, 2025 and 2024, accounts receivable is presented net of an allowance for doubtful accounts of \$0 and \$0, respectively.

Capitalization and Depreciation

Land, buildings and improvements are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of operations. Estimated useful lives used for depreciation purposes are as follows:

Buildings	40 years
Land Improvements	20 years
Furniture and Equipment	10 years

Amortization

Permanent closing fees resulting from legal costs incurred during closing to permanent financing are amortized over the term of the loan using the straight-line method.

Organization costs are expensed as incurred.

Tax credit monitoring fees are amortized over the fifteen-year Low-Income Tax Credit Compliance period, using the straight-line method.

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

Rental Income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

Income Taxes

The Partnership has elected to be treated as a pass-through entity for income tax purposes and, as such, is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by its owners on their respective income tax returns. The Partnership's federal tax status as a pass-through entity is based on its legal status as a partnership. Accordingly, the Partnership is not required to take any tax positions in order to qualify as a pass-through entity. The Partnership is required to file and does file tax returns with the Internal Revenue Service and other taxing authorities.

AUDREY HEIGHTS DEVELOPMENT, L.P.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accordingly, these financial statements do not reflect a provision for income taxes and the Partnership has no other tax positions which must be considered for disclosure.

Impairment of Long-Lived Assets

The Partnership reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than their carrying amounts, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the years ended December 31, 2025 and 2024.

Subsequent Events

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date, require disclosure in the accompanying notes. Management evaluated the activity of the partnership through March 16, 2026 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Withdrawals from the Outside Pledged Operating Reserve Account require written notice to the Asset Manager which shall include the purpose for which such withdrawal was made. The Outside Pledged Operating Reserve will be used to fund operating and debt service deficits and for other uses benefiting the Project. On the date that the Partnership achieves the benchmarks set forth above, if there are funds remaining in the Outside Pledged Operating Reserve Account, the General Partner may request to the Asset Manager that such funds be released to the General Partner. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Partners
Audrey Heights Development, L.P.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Audrey Heights Development, L.P., which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated March 16, 2026.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Audrey Heights Development, L.P.' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Audrey Heights Development, L.P.' internal control. Accordingly, we do not express an opinion on the effectiveness Audrey Heights Development, L.P.' control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Audrey Heights Development, L.P.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
