## **INDEPENDENT AUDITOR'S REPORT**

Housing Authority of the Town of Gueydan  
Gueydan, Louisiana

### **Report on the Financial Statements**

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the Town of Gueydan, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the housing authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Housing Authority of the Town of Gueydan, as of June 30, 2022, and the respective changes in financial position and cash flows, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of the Town of Gueydan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the Town of Gueydan's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Gueydan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the Town of Gueydan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting

Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the Town of Gueydan's basic financial statements. The accompanying Financial Data Schedule, the Schedule of Compensation, Benefits and Other Payments, and Supplementary Schedules and Statements are not a required part of the basic financial statements. Such information is the responsibility of the management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule, the Schedule of Compensation, Benefits and Other Payments, and Supplementary Schedules and Statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 7, 2022, on our consideration of the Housing Authority of the Town of Gueydan's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the Town of Gueydan's internal control over financial reporting and compliance.

**Overview of the Basic Financial Statements**

The discussion and analysis is intended to serve as an introduction to the Authority's basic financial statements. The Authority's basic financial statements consist of the Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position, Statement of Cash Flows, and the notes to the basic financial statements.

The Authority has only one fund type, namely a proprietary fund. The Statement of Net Position includes all of the Authority's assets and liabilities. This fund type is unused for activities which are financed and operated in a manner similar to those in the private sector.

The Authority has two main funding sources in its financial operation. These are the Low Rent Public Housing and the Capital Fund programs. The Low Rent Program funding is provided based on dwelling rents paid by the tenants and operating fund payments received by the Department of Housing & Urban Development based on a formula. The purpose of this program is to provide funding for low rent housing programs to allow them to make purchases and capital improvements for the current dwelling structures and assist in their operations.

Financial Statements**

**NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2022**

**INTRODUCTION**

The Housing Authority of the Town of Gueydan is an apartment complex for persons of low income located in Gueydan, Louisiana. The Authority is chartered as a public corporation for the purpose of administering decent, safe, and sanitary dwelling for persons of low-income.

Legal title to the Authority is held by the Housing Authority of the Town of Gueydan, Louisiana, a non-profit corporation. The Authority is engaged in the acquisition, modernization, and administration of low-rent housing. The Authority is administered by a governing Board of Commissioners (the Board), whose members are appointed by the Mayor of Gueydan, Louisiana. Each member serves a four-year term. Substantially all of the Authority's revenue is derived from subsidy contracts with the U. S. Department of Housing and Urban Development (HUD). The annual contributions contracts entered into by the Authority and HUD provide operating subsidies for Authority-owned public housing facilities for eligible individuals.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) has direct responsibility for administering low-income housing programs in the United States. Accordingly, HUD has entered into a contract with the entity to make annual contributions (subsidies) for the purpose of funding its programs for low-income families.

GASB Statement No. 14 established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Because the Housing Authority is legally separated and fiscally independent, the Housing Authority is a separate governmental reporting entity. The Housing Authority includes all funds, account groups, activities, etc., that are within the oversight responsibility of the Housing Authority.

The Housing Authority is a related organization of the Town of Gueydan because the Town of Gueydan appoints a voting majority of the Housing Authority's governing board. The Town of Gueydan is not financially responsible for the Housing Authority, as it cannot impose its will on the Housing Authority and there is no possibility for the Housing Authority to provide financial benefit to, or impose financial burdens on, the Town of Gueydan. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the Town of Gueydan.

**BASIS OF PRESENTATION**

As required by Louisiana State Reporting Law (LSA-R.S. 24:514) and HUD regulations, financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

The accounts of the PHA are accounted for under the proprietary fund. Accordingly, the accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America applied to governmental units.

GUEYDAN, LOUISIANA**

**NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2022**

**1. SUMMARY OF ORGANIZATION & SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIC FINANCIAL STATEMENTS**

The basic financial statements (i.e., the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position) report information on all of the activities of the authority.

**B. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, & FINANCIAL STATEMENT PRESENTATION**

The basic financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The housing authority reports the following major proprietary funds:

- The Low Rent Fund is the housing authority's primary operating fund. It accounts for all financial resources of the housing authority, except those required to be accounted for in another fund.
- The CFP Fund is the housing authority's grant operating fund. It accounts for all financial resources of the capital fund projects.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in the proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to their same limitation. The housing authority has elected not to follow subsequent private-sector guidance.

As a general rule, the effect of Interfund activity has been eliminated from the basic financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other charges between the government's enterprise operations. Elimination of these charges would distort the direct cost and program revenues reported for the various functions concerned.

Operating revenues and expenses have been reported separately from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The primary operating revenue of the housing authority is derived from tenant revenue. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**HOUSING AUTHORITY OF THE TOWN OF GUEYDAN  
GUEYDAN, LOUISIANA**

**NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2022**

When both restricted and unrestricted resources are available for use, it is the housing authority's policy to use restricted resources first, then unrestricted resources as they are needed.

**C. EQUITY CLASSIFICATIONS**

In the government-wide financial statement, equity is classified as Net Position and displayed in three components as applicable. The components are as follows:

Net Investment in Capital Assets - Capital assets including restricted capital assets, when applicable, net of accumulated depreciation.

Restricted Net Position - Net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or (2) law through constitutional provisions or enabling legislation.

Unrestricted Net Position – All other net position that does not meet the definition of “restricted” “net investment in capital assets”.

When an expense is incurred for the purposes for which both restricted and unrestricted net position is available, management applies restricted resources first. The policy concerning which to apply first varies with the intended use and legal requirements. This decision is typically made by management at the incurrence of the expense.

**D. DEPOSITS & INVESTMENTS**

The housing authority's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. State law and the housing authority's investment policy allow the housing authority to invest in collateralized certificates of deposits, government backed securities, commercial paper, the state sponsored investment pool, and mutual funds consisting solely of government backed securities.

Investments (bank certificate of deposits in excess of 90 days) for the housing authority are reported at fair value.

**E. RECEIVABLES & PAYABLES**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year referred to as either “due to/from other funds” (i.e., the current portion of Interfund loans) or “advances to/from other funds” (i.e., the non-current portion of Interfund loans). All other outstanding balances between funds are reported as “due to/from other funds.”

**NOTES TO THE BASIC FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2022**

Advances between funds, as reported in the accompanying financial statements, are offset by a restriction on net position. All trade and other receivables are shown net of an allowance for uncollectables.

**F. INVENTORIES & PREPAID ITEMS**

All inventories are valued at cost using the first-in/first out method. Inventories are recorded as expenditures when consumed rather than when purchased. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the basic financial statements.

**G. CAPITAL ASSETS**

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the applicable columns in the basic financial statements. Capital assets are capitalized at historical cost. The housing authority maintains a threshold level of \$500 or more for capitalizing capital assets.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Land Improvements	20 years
Buildings & Building Improvements	20 years
Furniture & Fixtures	5 years
Vehicles	5 years
Equipment	5 years

**H. LONG-TERM OBLIGATIONS**

In the basic financial statements, long-term debt and other long-term obligations are reported as liabilities. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

**J. ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

**2. CASH & INVESTMENTS (CD'S IN EXCESS OF 90 DAYS)**

The market value of the pledged securities plus the federal deposit insurance must, at all times, equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

***Custodial Credit Risk***

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the government will not be able to recover its deposits. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

JUNE 30, 2022**

Further, Louisiana Revised Statute 39:1224 states that securities held by a third party shall be deemed to be held in the Entity’s name.

***Deposits***

It is the housing authority’s policy for deposits to be 100% secured by collateral at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance. The housing authority’s deposits are categorized to give an indication of the level of risk assumed by the housing authority at year end. The categories are described as follows:

### **INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Housing Authority of the Town of Gueydan  
Gueydan, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the Town of Gueydan, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Town of Gueydan’s basic financial statements, and have issued our report thereon dated.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Housing Authority of the Town of Gueydan’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Gueydan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the Town of Gueydan’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Housing Authority of the Town of Gueydan's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the audit committee, management, federal awarding agencies and Legislative Auditor's Office and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a public document and its distribution is not limited.
