Annual Fiscal Report (AFR)

2. Obtain the financial statements from the AFR submitted to the Division of Administration's (DOA) Office of Statewide Reporting and Accounting Policy for the current and prior periods. Perform analytical procedures comparing current and prior period amounts, by line item. Report any variances of 10% or greater for line items that are 10% or more of the respective total assets/deferred outflows of resources, liabilities/deferred inflows of resources, net position, revenues, or expenses, and management's explanation of the variance.

Results:

We obtained the 2022 and 2023 submitted AFR and performed the above analytical procedures. We noted variances of more than 10% for the following items:

- *Cash decreased by \$117,634 or 17.8%. The decrease is due to an increase in expenses and the purchase of an investment.*
- *Investments increased by \$250,000 or 100%. The increase is due to purchasing a certificate of deposit.*

- *Deferred outflows related to pensions increased by \$29,050 or 13.5%. The increase is due to changes in the actuarial estimate of the deferred outflows related to pensions.*
- *Accounts payable increased by \$14,504 or 72.1%. The increase is due to more expenses at the end of the year.*
- *Compensated absences payable increased by \$21,038 or 16.8%. The increase is due to the increase in the accrued hours.*
- *Net pension liability decreased by \$287,242 or 38.4%. The decrease was due to changes in the actuarial estimate of the net pension liability.*
- *Other pension employee benefits increased by \$7,089 or 25.3%. The increase is due to changes in the actuarial estimate of the other pension employee benefits.*
- *Deferred inflows related to pensions increased by \$169,979 or 149.2%. The increase is due to changes in the actuarial estimate of the deferred inflows related to pensions.*
- *Net Position decreased by \$477,085 or 27.7%. The decrease is equal to the amount by which current year expenses exceeded current year revenues.*
- *Expenses decreased by \$694,184 of 43.3%. The decrease is due to pension expense decreasing.*

Board Meetings/Minutes

Results:

Procedure performed without exception.

- 8. Obtain and inspect written policies and procedures (if no written policies and procedures, inquire to management) and observe that there is a process performed to determine completeness of all collections, including electronic transfers, for each revenue source (e.g. periodic confirmation with outside parties, reconciliation of receipt number sequences, reasonableness of cash collections based on licenses issued) by a person who is not responsible for collections.

Results:

Procedure performed without exception.

- 9. For licensing boards, obtain a list of initial and renewal licenses granted during the period from management and management's representation that the listing is complete.  - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
 - b) At least two employees are involved in processing and approving payments to vendors.
 - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.

Covington, Louisiana 70433

Re: FY 2023 Agreed Upon Procedures Schedule of Findings

Dear Mr. Furman,

In response to the above referenced Schedule of Findings, the Louisiana State Board of Private Security Examiners acknowledges the finding and agrees to take the following corrective actions.

2023-1 – Bank Reconciliations

Procedure: Obtain a listing of bank accounts for the fiscal period from management and management's representation that the listing is complete. For each of the bank accounts in the listing provided by management, obtain bank statements and reconciliations for all months in the fiscal period and observe that:

- a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged).
- b) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged).
- c) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 6 months at the statement closing date.
- d) The reconciled balance for the final month of the fiscal period agrees to the general ledger.

Finding: For procedure c) we did not observe any evidence that research had occurred on nine outstanding reconciling items that had been outstanding more than 6 months in the amount of \$1,191.81.

Recommendation: We recommend the Board properly research items that are greater than 6 months outstanding.

Louisiana State Board of Private Security Examiners corrective action: The outstanding checks noted relate to amounts recorded in the previous accounting system and were simply imported in the new system with the effective date as of the end of the prior fiscal year. The majority of these transactions relate to prior fiscal years, and likely need to be cleared from the outstanding transaction list. The

Board will review these transactions with its outsourced accounting firm and adjust as necessary. Currently, the outsourced accounting firm reviews outstanding checks on a monthly basis for accuracy and provides copies of the bank reconciliations and outstanding check list to the Board's finance committee chair for review and approval. As a result, procedures are now in place to prevent this exception moving forward.

2023-2 - Receipts/Collections

Procedure: Inquire of management that all employees who have access to cash are covered by a bond or insurance policy for theft.

Finding: Per discussion with management, there is no bond or insurance policy for employees who have access to cash.

Recommendation: We recommend the Board consider acquiring a bond or insurance policy for theft for all employees who have access to cash.

Louisiana State Board of Private Security Examiners corrective action: Louisiana State Board of Private Security Examiners does not feel it is necessary to acquire a bond or insurance policy for theft since all payments received are electronic and initiated by the licensee and there are controls over disbursements which we deem as sufficient to mitigate the risks associated with cash disbursements.

2023-3 – Travel and Travel-Related Expense Reimbursements (excluding card transactions)

Procedure: Obtain from management a listing of all travel and travel-related expense reimbursements paid to employees and board members during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:

- a) If reimbursed using a per diem, agree the reimbursement rate to those rates established either by the State of Louisiana in PPM49 (<https://www.doa.la.gov/pages/osp/travel/TravelPolicy.aspx>) or the U.S. General Services Administration (www.gsa.gov).
- b) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.
- c) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1h).
- d) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Finding: For procedure b), there was one item with no original itemized receipt. For procedure d), there were two expense reimbursements that were not properly approved.

Recommendation: We recommend the Board retain original receipts for all reimbursements and review and approve all travel and travel-related reimbursements in writing.

Finding: For procedure b), there was no documentation demonstrating the employees selected had attested through signature verification that he or she had read the entity's ethics policy during the fiscal period.

Recommendation: We recommend the Board ensure all employees read the ethics policy and attest to such reading through signature verification.

Louisiana State Board of Private Security Examiners corrective action: Attached is a copy of the LSBPSE's Code of Ethics Policy which includes an acknowledgment page. All LSBPSE classified state employees have signed an acknowledgment page and all new hires will be given a copy of the policy, and take the mandatory training, as well as, sign an acknowledgment page.

Access the online database and obtain the budget information for the current fiscal period. Observe that the budget information contained in the database agrees to the budget adopted by the entity's board.

Finding: The budget information in the DOA's board and commission database did not agree to the budget adopted by the Board.

Recommendation: We recommend the Board ensure the budget data submitted to DOA is accurate and agrees to the adopted budget.

Louisiana State Board of Private Security Examiners corrective action: The Boards and Commission Database information is handled by the contracted Faulk & Winkler, CPA firm annually.
