INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Board of Directors
Louisiana Delta Service Corps
Baton Rouge, Louisiana

We have reviewed the accompanying financial statements of the **LOUISIANA DELTA SERVICE CORPS (LDSC)** (a non-profit corporation), which comprise the statements of financial position as of August 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of many material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and operations

Louisiana Delta Service Corps (LDSC) is a non-profit corporation whose purpose is to engage Americans of all ages and backgrounds as participants in community based service that provides a direct and demonstrable benefit that is valued by the community. Areas of service are education, public safety, the environment, and other human needs. LDSC primarily operates in the Baton Rouge and New Orleans areas.

LDSC administers the AmeriCorps program funded by federal grants through Corporation for National and Community Service/State of Louisiana/Louisiana Serve Commission.

Basis of presentation

The accounting and reporting policies of LDSC conform to generally accepted accounting principles.

Financial position and activities are to be reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. LDSC did not have any temporarily or permanently restricted net assets at August 31, 2017 and 2016.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates are used primarily when accounting for depreciation, allowance for doubtful accounts, accrued vacation leave, and in-kind revenues and related expenses.

Revenue recognition

LDSC records grant revenue as services are rendered. Corps member host site revenue is realized in the period in which services are provided.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash

For the purpose of the statement of cash flows, LDSC considers cash in operating bank accounts as cash.

Accounts receivable and allowance for doubtful accounts

Accounts receivable are recorded at cost, net of an allowance for doubtful accounts. At August 31, 2017 and 2016, accounts receivable did not exceed 90 days in age. Management has determined that an allowance for doubtful accounts was not necessary since such amounts have been collected subsequent to year end. LDSC does not require collateral.

In-kind contributions

In-kind contributions to LDSC have been recognized at the fair market value of the benefit received and consisted of supplies, materials, occupancy and travel of LDSC corps members during service projects, and the use of building space provided by sponsoring not-for-profit agencies. LDSC received \$16,593 and \$37,864 as in-kind contributions during the years ended August 31, 2017 and 2016, respectively.

Contributions of services are recognized in the financial statements if the services enhance or create non-financial assets or require specialized skills, are provided by individuals possessing these skills and would typically be purchased if not provided by donation.

Vacation leave

Vacation leave is earned at varying rates for two to four weeks depending on length of service. A maximum of ten days of unused leave can be carried over to the subsequent year. Accordingly, amounts related to such vacation leave have been accrued.

Income taxes

LDSC is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

LDSC follows the provisions of FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. LDSC's open audit periods are 2013 through 2016.

Pension plan

LDSC sponsors a salary deferral plan (the Plan) that has been established under Section 403(b) of the Internal Revenue Code. Under the provisions of the Plan, employees may elect to defer a percentage of their compensation up to a maximum of \$18,000 annually for the 2017 calendar year. Salary deferrals, employer contribution

Pension (continued)

and the related earnings are 100% vested and non-forfeitable. LDSC is not required to make matching contributions to the Plan; however, during the years ended August 31, 2017 and 2016, LDSC elected to contribute \$36,200 and \$31,300, respectively, to the Plan.

These assets are held in the trust fund established under the Plan; the trust fund is independent of LDSC and administered by American Funds of VALIC.

Subsequent events

In preparing these financial statements, LDSC has evaluated events and transactions for potential recognition or disclosure through the date of the independent accountants' review report, which is the date the financial statements were available to be issued.

NOTE 2 - CERTIFICATES OF DEPOSIT

At August 31, 2017 and 2016, LDSC held certificates of deposits (CD) with market value and cost of \$56,126 and \$56,117, respectively. Interest earnings are reinvested into the CD when paid.

NOTE 3 - ECONOMIC DEPENDENCY

During the years ended August 31, 2017 and 2016, LDSC received the majority of its revenues through Federal grants, as follows:

Federal grant	2017	2016
Receivable, beginning of year	\$ 46,772	\$ 9,316
Revenues earned	499,951	478,625
Collections	(503,184)	(441,169)
Receivable, end of year	\$ 43,539	\$ 46,772

NOTE 4 - OPERATING LEASE

LDSC leases office facilities and parking space on a month to month basis. During 2017 and 2016, rent expense was \$14,700 and \$14,400, respectively.

NOTE 5 - CONCENTRATIONS OF CREDIT RISK

Financial instruments which subject LDSC to concentrations of credit risk consist primarily of receivables. In addition, LDSC maintains cash in local banks, which may, at times, exceed the FDIC limits. Management believes the risk is limited.

APPLYING AGREED-UPON PROCEDURES**

**INDEPENDENT ACCOUNTANTS' REPORT ON
APPLYING AGREED-UPON PROCEDURES**

Board of Directors
Louisiana Delta Service Corps
Baton Rouge, Louisiana

We have performed the procedures included in the *Louisiana Governmental Audit Guide*, enumerated below, which were agreed to by the management of the **LOUISIANA DELTA SERVICE CORPS (LDSC)**, the Legislative Auditor, and applicable federal and state grantor agency/agencies solely to assist the users in evaluating management's assertions about LDSC's compliance with the certain laws and regulations for the year ended August 31, 2017 included in the accompanying *Louisiana Attestation Questionnaire*. Management of LDSC is responsible for its financial records and compliance with applicable laws and regulations. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and applicable provisions of *Government Auditing Standards*, published by the United States Comptroller General. The sufficiency of these procedures is solely the responsibility of the specified users of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

With respect to your representations relating to the federal, state, and local awards compliance, as of August 31, 2017, and for the year then ended, we applied the following agreed-upon procedures:

Federal, State, and Local Awards

1. Determine the amount of federal, state and local award expenditures for the fiscal year, by grant and grant year.

LDSC was awarded one Federal grant during the year ended August 31, 2017, as follows:

Grant description	Award #	Amount expended
Corp. for National and Community Service (2016/17)	12AFHLA0010014	\$ 499,951

LDSC did not receive any state or local awards during 2017.

2. For each federal, state, and local award, we performed the following procedures:

We randomly selected ten disbursements from the award administered during the period under examination, and traced the disbursements to supporting documentation as to amounts and payees. No exceptions were noted.

(continued)

LDSC did not receive any state or local awards in 2017. Therefore, we did not select any disbursements for any state or local awards.

3. One federal award was completed during 2017 and was closed by its respective governance agencies.
4. The open meetings law is not applicable to LDSC.
5. For all grants exceeding five thousand dollars, the grantee is required to provide the grantor with a comprehensive budget.

The agreements above provided a comprehensive budget that included the purpose and duration, specific goals, objectives, and measures of performance. Based on our review of the grant agreements, the grants comply with federal laws and regulations in terms of budget, purpose, and duration.

We were not engaged to perform, and did not perform, an audit, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for use of the Board of Directors and management of the Louisiana Delta Service Corps, the Legislative Auditor (State of Louisiana), and the applicable federal/state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statutes 24:513, this report is distributed by the Legislative Auditor as a public document.

LOUISIANA ATTESTATION QUESTIONNAIRE
(For Attestation Engagements of Quasi-public agencies)

Dear Chief Executive Officer:

Attached is the Louisiana Attestation Questionnaire that is to be completed by you or your staff. This questionnaire is a required part of the review/attestation engagement of Louisiana quasi-public agencies. Upon completion, the questionnaire must be presented to and adopted by the governing body, if any, of your organization by means of a formal resolution in an open meeting.

The completed attestation questionnaire and a copy of the adoption instrument, if appropriate, **must be given to the independent certified public accountant at the beginning of the engagement.** The CPA will, during the course of his engagement, perform certain agreed-upon procedures to the responses in the questionnaire. It is not necessary to return the questionnaire to my office.

Certain portions of the questionnaire may not be applicable to your organization. In such cases, it is appropriate to mark the representation "not applicable." However, you must respond to each applicable representation. A 'yes' answer indicates that you have complied with the applicable law or regulation. A 'no' answer to any representation indicates a possible violation of law or regulation and, as such, should be fully explained. These matters will be reviewed by the CPA during the course of his engagement. Please feel free to attach a further explanation of any representation.

Your cooperation in this matter will be greatly appreciated.

Sincerely,

Daryl G. Purpera, CPA, CFE
Louisiana Legislative Auditor
