To the Board of Trustees of
Washington Parish Economic Development Foundation
Franklinton, LA

Management is responsible for the accompanying financial statements of Washington Parish Economic Development Foundation (a nonprofit organization), which comprise the statement of financial position as of October 31, 2024, and the related statements of activities for the year then ended in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. I do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

A statement of cash flows and statement of functional expenditures have not been presented. Accounting principles generally accepted in the United States of America require such statements be presented when financial statements purport to present financial position and operations.

Management has elected to omit substantially all disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's financial position, changes in net assets, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in the Other-Supplemental Information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.
