INDEPENDENT AUDITORS' REPORT

To the Partners and Management
of Villa Gardens Limited Partnership
Lafayette, Louisiana

We have audited the accompanying financial statements of Villa Gardens Limited Partnership (a Louisiana Limited Partnership), which comprise the balance sheets as of December 31, 2020 and 2019 and the related statements of operations, partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Villa Gardens Limited Partnership as of December 31, 2020 and 2019, and the results of its operations, changes in partners' equity (deficit) and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses, the Schedule of Operating Income and Expense Variances – AMEC Model to Actual Comparisons, the Computation of Surplus Cash, Distributions, and Residual Receipts – LHC – Tax Credit Assistance Program, the TCAP Computation of Surplus Cash, and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 8, 2021, on our consideration of Villa Gardens Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Villa Gardens Limited Partnership's internal control over financial reporting and compliance.

VILLA GARDENS LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE A – REPORTING ENTITY AND OPERATIONS

Villa Gardens, Limited Partnership, (the Partnership) was formed as a limited partnership under the laws of the State of Louisiana on November 5, 2009, for the purpose to acquire, construct, own, finance, lease, and operate a qualified low income housing project (the Property) within the meaning of Section 42 of the Internal Revenue Code.

The Property consists of a 43 unit, single-family home rental complex, located in Lafayette, Louisiana and was placed in service on March 23, 2011. The Property is eligible for Low-Income Housing Tax Credits established under the program described in Section 42 of the Internal Revenue Code (low-income housing tax credit) which regulates the use of the Property with respect to occupant eligibility and unit rent levels, among other requirements.

The major activities and operations of the Partnership are governed by the Amended and Restated Articles of Partnership (the Partnership Agreement) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, LHC (formerly the Louisiana Housing Finance Agency). Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

NOTE B – PARTNERSHIP AND PARTNERS

Pursuant to the Partnership Agreement, the Partnership is comprised of three partners (collectively, the Partners). The Partnership's general partner, Lafayette Housing Authority (the General Partner); a limited partner, Hudson Villa Gardens LP (the Limited Partner); and, a special limited partner, Hudson SLP LLC (the Special Limited Partner).

The Housing Authority of the City of Lafayette, Louisiana (the Housing Authority) is obligated to guarantee the obligations of the General Partner, pursuant to an Unconditional Guaranty executed by the Housing Authority.

On September 21, 2011, the Special Limited Partner assigned its interest in the Partnership to Hudson VG SLP LLC, which now acts as the Partnership's Special Limited Partner.

As the result of certain circumstances precluding the General Partner from meeting its obligations under the Partnership Agreement, on September 26, 2011, the Special Limited Partner exercised certain of its rights under the Partnership Agreement to cause the authority of the General Partner to be restricted and to require that the Special Limited Partner provide consent to any and all actions of the General Partner.

On January 16, 2012, the Construction Loan matured. Following this maturity, the Construction Loan became subject to remedies of the Construction/Permanent Lender, which remedies include acceleration of the Construction Loan, termination of the permanent loan commitment and/or initiation of foreclosure proceedings.

As the result of non-performance by the General Partner under the provisions of the Partnership Agreement and as the result of the technical default of the Partnership under the Construction Loan, the Special limited Partner issued a Notice of Default to the General Partner on February 3, 2012. This Notice of Default allowed for a 30-day cure period as prescribed by the Partnership Agreement.

VILLA GARDENS LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE B – PARTNERSHIP AND PARTNERS (CONTINUED)

The General Partner failed to respond to the Notice, and failed to cure the cited defaults within the prescribed cure period.

On March 7, 2012, the Special Limited Partner took action to remove Villa Gardens Housing Corporation as the general partner of the Partnership.

Concurrent with the removal of Villa Gardens Housing Corporation as the general partner of the Partnership, the general partner interest was assigned to the Lafayette Housing Authority. Effective as of March 7, 2012, the Lafayette Housing Authority assumed responsibility as the General Partner of the Partnership.

NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash, restricted deposits, funded reserves and all highly liquid and unrestricted and restricted debt instruments purchased with a maturity of three months or less.

Cash and Other Deposits

The Partnership has various checking, escrow, and other deposits at various financial institutions. Noninterest-bearing and interest-bearing accounts, in the aggregate, are insured up to \$250,000 at each financial institution by the Federal Deposit Insurance Corporation (FDIC). As of December 31, 2020, there were uninsured deposits of \$98,454.

Collateralization Policy for Financial Instruments

The Partnership does not require collateral to support financial instruments subject to credit risk.

VILLA GARDENS LIMITED PARTNERSHIP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Capitalization and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings	40 years
Furniture, Fixtures and Equipment	10 years
Site Improvements	20 years

Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of operations.

Amortization

Organization costs are expensed as incurred. Tax credit costs are amortized over the ten year tax credit period using the straight-line method.

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct reduction of the obligation to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the interest method.

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the apartment complex. At December 31, 2020, the tenants' security deposit was funded in an amount less than the security deposit liability.

Rental Income and Deferred Rents

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

Tenant rent charges for the current month are due on the first of each month. Tenants who are evicted or move out are charged with damages or cleaning fees, if applicable. Tenant accounts receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenant receivable balances.

Tenant receivables are reported net of an allowance for doubtful accounts. As of December 31, 2020 and 2019, the allowance for doubtful accounts was \$1,629 and \$0, respectively. Management's estimate of the allowance is based on historical collection experience and a review of the current status of tenant accounts receivable. It is reasonably possible that management's estimate of the allowance will change.

DECEMBER 31, 2020 AND 2019

NOTE C – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reportable by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time limit. The Partnership files income tax returns in the U.S. federal jurisdiction, and various state jurisdictions. The Partnership is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2017.

FASB ASC 360, *Property, Plant, and Equipment*

FASB ASC 360, *Property, Plant, and Equipment* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Application of the impairment provisions of FASB ASC 360, *Property, Plant, and Equipment* has not materially affected the Partnership's reported earnings, financial condition or cash flows.

Monthly funding of the Replacement Reserve is to commence as of the month following substantial completion of the apartment complex, as defined in the Partnership Agreement. In the event that the reserve minimum payment to the Replacement Reserve required under the terms of the Partnership Agreement exceeds the amount required by the Construction/Permanent Lender, the Special Limited Partner shall establish a separate account called the SLP Replacement Reserve Account, into which the General Partner shall deposit any such excess. Interest earned on either account shall become part of that account.

In accordance with the TCAP Replacement Reserve Agreement, upon execution and delivery of the TCAP loan documents, the Partnership is required to establish a Replacement Reserve Fund. Commencing on the date the first scheduled monthly payment is due under the TCAP Reserve For Replacement Agreement after

NOTE N – CONTINGENCY

The Partnership's Low Income Housing Tax Credits are contingent on its ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with the occupant eligibility, and/or unit gross rent, or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest.

NOTE O – CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Partnership's sole asset is Villa Gardens. The Partnership's operations are concentrated in the low-income real estate market. In addition, the Partnership operates in a heavily regulated environment. The operations of the Partnership are subject to the administrative directives, rules and regulations of federal and state regulatory agencies, including but not limited to, the state housing financing agency. Such administrative directives, rules and regulations are subject to change by federal and state agencies. Such changes may occur with little notice or inadequate funding to pay for related cost, including the additional administrative burden, to comply with a change.

NOTE P – RISKS AND UNCERTAINTIES

In March 2020, the worldwide Coronavirus (Covid 19) outbreak was declared a pandemic by the World Health Organization. On March 22, 2020, the Governor of Louisiana issued a stay-at-home order; whereby, only essential businesses were allowed to remain open. The stay-at-home order may impact the Partnership's collection of revenues due to tenants' potential inability to work and pay monthly rents. If the Partnership should experience a disruption in collection of rents, this could adversely affect the Partnership's ability to meet its obligations in the future. As of the report date, the State of Louisiana was in phase II which did allow non-essential businesses to re-open at 50% capacity. In addition, the Coronavirus Aid, Relief and Economic Security (CARES) Act provides for a federal moratorium on evictions of tenants who cannot afford to pay their rent during the pandemic and live in government subsidized housing or landlords with rental properties with federally-backed mortgages. The CARES act expired on July 25, 2020. The Consolidated Appropriations Act, 2021 extended the federal moratorium until January 31, 2021, then until March 31, 2021, which has been further extended until June 30, 2021. Although the Partnership has not experienced a material negative impact to its results of operations, cash flows and financial position as of the report date, any future material negative impact is unknown at this time due to the highly unpredictable nature of this virus and its effects and disruption to businesses in the future.

NOTE Q – SUBSEQUENT EVENTS

The Partnership has evaluated subsequent events through April 8, 2021, the date which the financial statements were available for issue.

**Independent Auditors' Report on Internal Control
Over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance With *Government Auditing Standards***

To the Partners and Management of
Villa Gardens Limited Partnership
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Villa Gardens Limited Partnership, which comprise the balance sheet as of December 31, 2020, and the related statements of operations, partners' equity (deficit) and cash flows for the year ended December 31, 2020, and the related notes to the financial statements, and have issued our report thereon dated April 8, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Villa Gardens Limited Partnership's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Villa Gardens Limited Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Villa Gardens Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Villa Gardens Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Villa Gardens Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
