## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Boys & Girls Clubs of Southeast Louisiana, Inc.

We have audited the accompanying financial statements of Boys & Girls Clubs of Southeast Louisiana, Inc. (a nonprofit organization), which comprise the statements of financial position as of May 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys & Girls Clubs of Southeast Louisiana, Inc. as of May 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Summary of Compensation, Benefits and Other Payments to Agency Head is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2017 on our consideration of Boys & Girls Clubs of Southeast Louisiana, Inc. internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Boys & Girls Clubs of Southeast Louisiana, Inc. internal control over financial reporting and compliance.

BOYS & GIRLS CLUBS OF SOUTHEAST LOUISIANA, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 For the Years Ended May 31, 2017 and 2016

1) Nature of activities

Boys & Girls Clubs of Southeast Louisiana, Inc. (the "Organization") is a non-profit organization established in 1965 to provide programs and services to enhance the development of boys and girls in Southeast Louisiana. The Clubs offer diversified program activities to instill character and leadership development, education and career development, health and life skills, the arts, sports, fitness, and recreation. Boys & Girls Clubs of Southeast Louisiana, Inc. is an affiliate member of the Boys & Girls Clubs of America.

2) Summary of significant accounting principles

Significant accounting policies are summarized below.

a) Financial statement presentation

The Organization's policy is to prepare its financial statements on the accrual basis of accounting, which recognizes all revenues and the related assets when earned and all expenses and the related obligations when incurred.

b) Cash and cash equivalents

All cash-related items having a maturity of three months or less from the original maturity date are classified as cash and cash equivalents.

c) Accounts receivable

The Organization writes off uncollectible accounts as they are identified. No amounts were written off in the years ended May 31, 2017 and 2016. No allowance for uncollectible accounts has been provided, as management has evaluated the accounts and believes they are all collectible.

d) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

e) Property and equipment

Property and equipment are carried at cost. Depreciation of property is provided over the estimated useful lives of the assets using the straight-line method. Repairs and maintenance are expensed as incurred. Expenditures that increase the value or productive capacity of assets are capitalized. When property and equipment are retired, sold, or otherwise disposed of, the assets carrying amount and related accumulated depreciation are removed from the accounts and any gain or loss is included in operations. The estimated useful lives of depreciable assets are:

	<u>Useful Lives</u>
Building	20 years
Building improvements	20 years
Pool	5 years
Equipment	3-10 years

f) Deferred revenue

Deferred revenue consists of advance payments of summer camp fees. Income is earned systematically when the camps take place.

BOYS & GIRLS CLUBS OF SOUTHEAST LOUISIANA, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 For the Years Ended May 31, 2017 and 2016

2) Summary of significant accounting principles (continued)

g) Description of net assets classification

Financial Accounting Standards Board Accounting Standards Codification “ASC” 958, *Financial Statements for Not-for-Profit Centers*, requires the net assets and changes in net assets be reported for three classifications – permanently restricted, temporarily restricted and unrestricted based on the existence or absence of donor imposed restrictions.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor imposed restrictions or requirements that limit the use of the donation. A donor restriction ends when a time restriction is met or a purpose restriction is accomplished. As restrictions are met, assets are reclassified to unrestricted net assets. Funds received with the stipulation that the funds be returned if specified future events fail to occur are accounted for as refundable advances until the conditions have been substantially met.

h) Concentration of credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. The Organization has not experienced any losses in such accounts. The Organization has no policy requiring collateral or other security to support its deposits.

i) Income taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code.

The Organization adopted the provisions of ASC 740, *Accounting for Uncertainty in Income Taxes*, on January 1, 2009. Management of the Organization believes there are no material uncertain tax positions and, accordingly it will not recognize any liability for unrecognized tax benefits. With few exceptions, the Organization is not subject to U.S. federal and state income tax examination by tax authorities beyond three years from the filing of those returns.

3) Property and equipment

Property and equipment is summarized as follows:

	<u>2017</u>	<u>2016</u>
Buildings and improvements	\$ 1,996,512	\$ 1,978,593
Equipment	638,443	600,153

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
Boys & Girls Clubs of Southeast Louisiana, Inc.  
New Orleans, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys & Girls Clubs of Southeast Louisiana, Inc. (a nonprofit organization), which comprise the statement of financial position as of May 31, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 29, 2017.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Boys & Girls Clubs of Southeast Louisiana, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Boys & Girls Clubs of Southeast Louisiana, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
