#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors East Baton Rouge Truancy Assessment, Inc. Baton Rouge, Louisiana

I have audited the accompanying financial statements of East Baton Rouge Truancy Assessment, Inc., a nonprofit organization, which comprise the statement of financial position as of June 30, 2021, and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Member** American Institue of Certified Public Accountants Society of Louisiana Certified Public Accountants

#### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of East Baton Rouge Truancy Assessment, Inc. as of June 30, 2021, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits and other payments to the agency head or chief executive officer on page 20 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and derives from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### **Report on Summarized Comparative Information**

I have previously audited East Baton Rouge Truancy Assessment, Inc.'s 2020 financial statements, and I expressed an unmodified audit opinion on those audited financial statements in my report dated December 29, 2020. In my opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it was derived.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated December 17, 2021, on my consideration of East Baton Rouge Truancy Assessment, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering East Baton Rouge Truancy Assessment, Inc.'s internal control over financial reporting and compliance.

#### Basis of presentation

East Baton Rouge Truancy Assessment, Inc. prepares its financial statements on the accrual basis of accounting. The significant accounting policies are described below to enhance the usefulness of the financial statements.

The statement of activities presents expenses of East Baton Rouge Truancy Assessment, Inc. functionally by program services, fundraising, and management and general.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with East Baton Rouge Truancy Assessment, Inc.'s financial statements for the year ended June 30, 2020, from which the summarized information was derived.

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates. Estimates are used primarily when accounting for the allowance for doubtful accounts, depreciation, prepaid assets, accrued liabilities and in-kind revenues.

#### Income tax status

East Baton Rouge Truancy Assessment, Inc. qualifies as a tax exempt organization under Section 50l(c)(3) of the Internal Revenue Code; therefore, the financial statements have no provision for federal and state income tax.

The organization does not require collateral for its receivables, and uses the specific identification allowance method, charging off receivables on a case by case basis.

#### **Property and equipment**

Property is stated at cost, or fair market value if donated, and depreciated over the estimated useful lives using the straight-line method for values in excess of \$500. Maintenance and repairs expenditures are expensed as incurred.

#### **Revenue recognition**

Contributions received are recorded as increases in net assets without donor restrictions, or increases in net assets with donor restrictions depending on the existence and/or nature of

any donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without restrictions if the restrictions expire (that is, when a stipulated time ends or a purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Grants, which are considered exchange transactions, are recognized as revenue when allowable costs are incurred to provide the services specified under the terms of the grant agreements. Advances under the grants are recorded as unearned income until such time as they can be recognized as revenue.

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors East Baton Rouge Truancy Assessment, Inc. Baton Rouge, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of East Baton Rouge Truancy Assessment, Inc., which comprise the statement of financial position as of June 30, 2021 and the related statement of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated December 17, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing my audit of the financial statements, I considered East Baton Rouge Truancy Assessment, Inc.' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of East Baton Rouge Truancy Assessment, Inc.' internal control. Accordingly, I do not express an opinion on the effectiveness of East Baton Rouge Truancy Assessment, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be

Member American Institue of Certified Public Accountants Society of Louisiana Certified Public Accountants material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during the course of my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. I did identify one deficiency in internal control, described in the accompanying schedule of findings and responses that I consider to be a significant deficiency (2021-001).

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether East Baton Rouge Truancy Assessment, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### East Baton Rouge Truancy Assessment, Inc.'s Response to Findings

East Baton Rouge Truancy Assessment, Inc.'s response to the finding in my audit is described in the accompanying schedule of finding and responses. East Baton Rouge Truancy Assessment, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, I express no opinion on it.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Under Louisiana Revised Statute 24:513, the Legislative Auditor distributes this report as a public document.

#### SCHEDULE OF FINDINGS AND RESPONSES

For the year ended June 30, 2021

#### Significant Deficiencies

#### 2021-001 Segregation of duties

Condition: Due to the relatively small size of the organization, ideal segregation of duties cannot be achieved. This is a repeat finding from the prior year.

Criteria: The organization should separate responsibilities for authorizing transactions, recording transactions, and custody of assets.

Cause: The size of the organization does not permit proper segregation of duties.

Effect: The lack of segregation of duties increases the risk of fraud related to the misappropriation of assets, financial statement misstatements, or both.

Auditor's Recommendation: While it may not be cost effective to justify implementing a full segregation of duties for an extensive system of internal control in all areas, I believe that it is important that management and those charged with governance be made aware that some weaknesses exist and that they should continue to apply diligent oversight and monitoring of activities.

Management's Response: The organization has implemented all suggested safeguards. Debit card purchases are approved by the director and a board member. Bank reconciliations are performed by a bookkeeper on a monthly basis, and the reports are provided to board members at each monthly board meeting. Checks in excess of \$500 require dual signatures. Management will continue to work more efficiently and diligently with the board in providing information and documents to assist in improving oversight and monitoring of all activities.
