Independent Auditor's Report

To the Board of Directors of Face To Face Enrichment Center:

Opinion

I have audited the accompanying financial statements of Face To Face Enrichment Center (Face To Face), which comprise the statement of financial position as of December 31, 2023, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Face To Face Enrichment Center as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America, the *Louisiana Governmental Audit Guide* and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Face To Face Enrichment Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting standards generally accepted in the United States of America, and for the design, implementation, and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Face To Face Enrichment Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Face To Face Enrichment Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Face To Face Enrichment Center's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Other Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of compensation, benefits, and other payments to agency head is presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated January 28, 2025, on my consideration of Face To Face Enrichment Center's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Face To Face Enrichment Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Face To Face Enrichment Center's internal control over financial reporting and compliance.

For the Year Ended December 31, 2023

1. Organization

General – Face to Face Enrichment Center is a non-profit organization headquartered in Baton Rouge, LA with additional offices in Metairie, LA, Hammond, LA, Houston TX and Dallas TX. Face to Face Enrichment Center is committed to providing educational, mentoring, and outreach services to residents of Southeast Louisiana and Texas, in an effort to improve lives. Their primary focus is on disadvantaged youth.

2. Summary of Significant Accounting Policies

Basis of Accounting – Face To Face Enrichment Center’s financial statements are prepared on the accrual basis of accounting, in accordance with generally accepted accounting principles, whereby revenue is recorded when earned and expenses are recorded when incurred.

Property, Furniture, and Equipment – Property, furniture, and equipment are recorded at cost, when purchased and at fair market value, when received as a donation. Expenditures of \$1,000 or more, along with improvements that extend the useful life of assets are capitalized. The straight-line method of depreciation is used for the assets owned by Face To Face Enrichment Center. The estimated useful lives of these assets, which consists of property, furniture, and equipment range from 3 to 30 years.

Income Taxes – Face To Face Enrichment Center has been determined to be tax exempt under Section 501 (c) 3 of the Internal Revenue Code. Tax years 2020, 2021, and 2022 remain open for potential examination of taxing authorities. The agency’s financial exposure would exist as it relates to potential unrelated business income.

Estimates – Management uses estimate and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Functional Expenses – The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. These expenses require allocation on a reasonable basis that is consistently applied. These expenses were allocated based on estimates of time and effort.

Summary of Significant Accounting Policies (Continued)

Basis of Presentation - Financial Accounting Standards Board (FASB) Accounting Standards Codification “ASC” 958, Not-for-Profit Entities, requires net assets and changes in net assets be reported for in two classifications. A description of the two types of Net Assets categories is described below:

Net Assets with donor imposed restrictions – Gifts of cash and other assets which have donor imposed restrictions or requirements that limit the use of the donation. A donor restriction ends when a time restriction is met or a purpose restriction is accomplished. As restrictions are met, assets are reclassified as unrestricted net assets.

Net Assets without donor imposed restrictions – Gifts of cash and other assets absent of donor imposed restrictions. This category of net assets also includes assets previously restricted where restrictions have expired or been met.

Amounts received with donor stipulations that limit the use of the donated assets are reported as restricted support. When the donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restriction and are reported in the statement of activities as net assets released from restrictions.

Contributions of Nonfinancial Assets – *Accounting Standards Update No. 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) (ASU 2020-07).*

ASU 2020-07 requires contributed nonfinancial assets to be presented in a separate line item in the statement of activities, separate from contributions of cash and other financial assets. Additionally, non-profits are required to separate the contributed nonfinancial assets recognized in the statement of activities by category that describes the type of contributed nonfinancial assets.

Statement of Cash Flow – For purposes of the statement of cash flows, cash equivalents are defined as short-term, highly liquid investments that are both readily convertible to known amounts of cash and having original maturities of three months or less, and which are not held for investing purposes.

Summary of Significant Accounting Policies (Continued)

New Accounting Pronouncement – FASB issued Accounting Standards Update (ASU) 2016-02, Leases (Topic 842). Under the new standard, lessees will be required to recognize lease assets and liabilities for all leases, with certain exceptions, on their Statement of Financial Position.

Under the new standard, both financing leases and operating leases would create an asset (right-of-use, or ROU asset) and a liability, initially measured at the present value of the lease payments, to be reflected on the statement of financial position. For leases whose term is 12 months or less, however, lessees may make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. This standard applies to fiscal years beginning on or after December 15, 2021. The organization has reviewed and considered the impact of this new pronouncement on its financial statements and the appropriate ROU asset and lease liability is recorded.

Public Support and Revenue – Contributions to the Organization are recognized when cash, securities of other assets, an unconditional promise to give, or notification of beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

All contributions are considered to be available for unrestricted use unless specifically restricted by donors.

For programs, consulting fees, and exchange-type grants and contracts, revenue is recognized when earned in accordance with ASC 606, *Revenue from Contracts with Customers*. Program fees and payments under exchange-type grants and contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively.

Subsequent Events - The agency has evaluated its December 31, 2023 financial statements through the date that the financial statements were issued January 28, 2025 and determined that no events occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of Face To Face Enrichment Center:

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Face To Face Enrichment Center (a nonprofit organization) ("Face To Face") which comprise the statement of financial position as of December 31, 2023, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated January 28, 2025.

Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered Face To Face Enrichment Center's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Face To Face Enrichment Center's internal control. Accordingly, I do not express an opinion on the effectiveness of Face To Face Enrichment Center's internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weakness. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Face To Face Enrichment Center's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed one instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, as presented in the schedule of findings and questioned costs as item 2023-1.

Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on Face To Face's response to the finding identified in my audit and described in the accompanying schedule of findings and questioned costs. Face To Face's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, I do not express an opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Face To Face Enrichment Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Face To Face Enrichment Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
