Accountant's Compilation Report

To the Board of Commissioners
Lake Barrington Subdivision Improvement District
New Orleans LA

Management is responsible for the accompanying financial statements of Lake Barrington Subdivision (a non-profit corporation), which comprise the statement of assets and net assets—cash basis as of December 31, 2018, and the related statement of revenues, expenses, and changes in net assets – cash basis for the year ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially, all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Corporation's assets, net assets, revenues and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

As provided for under the requirements of Louisiana Revised Statue 24:513, the corporation has not adopted the provisions of Governmental Accounting Standards Board Statement No. 34 for the year ended December 31, 2018. The effects of this departure from accounting principles generally accepted in the United States of America have not been determined.

The supplementary information contained on page 5 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to my compilation engagement, however, I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

I am not independent with respect to Lake Barrington Subdivision Improvement District.
