INDEPENDENT AUDITORS' REPORT

November 2, 2020

The Board of Directors Louisiana Disabled Persons Finance Corporation Lake Charles, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Louisiana Disabled Persons Finance Corporation (a nonprofit organization), HUD Project No. 064-EH139/LA48-T841-013, which comprise the statement of financial position as of June 30, 2020 and 2019, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

The Board of Directors November 2, 2020 Page 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Disabled Persons Finance Corporation as of June 30, 2020 and 2019 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits and other payments to chief executive officer and accompanying supplementary information shown on pages 18 through 23 is presented for the purposes of additional analysis as required by the *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 2, 2020 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Louisiana Disabled Persons Finance Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Louisiana Disabled Persons Finance Corporation's internal control over financial reporting and compliance.

Notes to Basic Financial Statements

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Louisiana Disabled Persons Finance Corporation (the Corporation) is presented to assist in understanding the Corporation's financial statements. The financial statements and notes are representations of the Corporation's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Organization

Louisiana Disabled Persons Finance Corporation was organized as a nonprofit organization formed to acquire and operate a Section 8 apartment project with twenty units, located in Lake Charles, Louisiana, under the provisions of Section 221(d)(4) of the National Housing Act. The Corporation acquired the apartment project on July 1, 1989 and rents apartments to mentally and physically handicapped individuals in Southwest Louisiana. A portion of the tenants' rents are subsidized by the U.S. Department of Housing and Urban Development (HUD).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Classification of Net Assets

Net assets of the Corporation are classified based on the presence or absence of donor-imposed restrictions. Net assets are comprised of two groups as follows:

<u>Net Assets Without Donor Restrictions</u> – Amounts that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

Net Assets with Donor Restrictions – Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Corporation. Certain restrictions may need to be maintained in perpetuity.

Earnings related to restricted net assets will be included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Classification of Net Assets - Continued

The Corporation does not interpret the guidance in the standard to include amounts restricted by HUD as donor-restricted. The Corporation believes that these amounts do not meet the spirit of the standard for such a classification or is there any industry standard indicating that others will treat these assets as donor-restricted.

All net assets of the Corporation at June 30, 2020 and 2019 were considered to be net assets without donor restrictions.

Property and Equipment

Property and equipment is stated at cost. Depreciation is provided for in amounts sufficient to relate the cost of assets to operations over the following estimated useful lives on the straight-line method.

	<u>Years</u>
Building	5-30
Fixed equipment	15
Portable equipment	5

The property and equipment of the Organization may not be disposed of without the prior approval of HUD.

Impairment of Long-Lived Assets

The Corporation reviews long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the assets are less than the carrying amount of that asset. To date, there have been no such losses.

Income Taxes

The Corporation is a nonprofit organization generally not subject to income taxes according to the provisions of Federal Internal Revenue Code Section 501(c)3 and Louisiana State income tax laws and regulations and, in accordance with an Internal Revenue Service determination letter dated December 13 ,1999, is not a private foundation as defined in Federal Internal Revenue Code Section 509(a)(i).

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include time deposits and all highly liquid debt instruments with original maturities of three months or less. The statement reflects ending cash and cash equivalents of \$25,637 and \$21,386 which represents unrestricted amounts of \$3,997 and \$2,300 and restricted amounts of \$21,640 and \$19,006 at June 30, 2020 and 2019, respectively.

Accounts Receivable

Uncollectible amounts due for receivables are recognized as bad debts at the time information becomes available which would indicate that the particular receivable is not collectible. The allowance for bad debts at June 30, 2020 and 2019 is \$0 and \$0, respectively.

Reserve for Replacements

The Corporation is required by HUD to establish a separate reserve fund in a federally insured depository. The Corporation must make monthly deposits of \$195.00 into the reserve fund. The funds may only be used after approval is obtained from HUD.

Residual Reserve

The Corporation is required by HUD to establish a separate reserve fund in a federally insured depository. The Corporation must deposit the annual residual receipts (surplus cash) into the residual reserve fund. The funds may only be used after approval is obtained from HUD.

Tenant Security Deposits

The tenant security deposits are maintained in an interest-bearing savings account separate from the operating account of the Corporation. Withdrawals are restricted to reimbursements of tenants' security deposits.

Subsequent Events

Management has evaluated subsequent events through November 2, 2020, the date the financial statements were available to be issued.

June 30, 2025	22,387

In February of 2006, Louisiana Disabled Persons Finance Corporation paid the entire loan balance to U.S. Department of Housing and Urban Development. The funding to pay the loan balance was derived from CARC. Interest rate on CARC's thirty-year mortgage is to be fixed for five years at 6.25% and terms are to be reviewed every five years. The Corporation has signed a use agreement with HUD to abide by HUD regulations, as they apply to this project, and the continued Section 8 contract.

NOTE D - COMMITMENTS AND CONTINGENCIES

Louisiana Disabled Persons Finance Corporation receives a substantial amount of its support from the U.S. Department of Housing and Urban Development. A significant reduction in the level of this support, if this were to occur, may have a material effect on the Corporation's programs and activities.

NOTE E- RELATED PARTY TRANSACTIONS

The Corporation shares a common Board of Directors with CARC. Any change in the relationship of these organizations could result in changes in financial position significantly different from that reported in these financial statements.

Included in the financial statements for June 30, 2020 and 2019 is a liability to CARC of \$14,417 and \$8,860, respectively, representing amounts advanced by CARC for operations in previous years and expenses which have been paid by CARC but were not yet reimbursed as of the date of the balance sheets. These amounts are due on demand by CARC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE E- RELATED PARTY TRANSACTIONS - CONTINUED

CARC charges for services provided to Louisiana Disabled Persons Finance Corporation. These services include lawn and other maintenance, janitorial services and vehicle usage. Included in operating and maintenance expense for June 30, 2020 and 2019 were \$6,594 and \$6,974, respectively for these services.

See Note C for long term debt payable to CARC.

CARC acts as the Corporation's management agent and, as such, provides a substantial amount of support to the Corporation for a management fee based on the lesser of \$600.00 per month or 7.74% of the Corporation's residential income from the apartment complex. For the years ended June 30, 2020 and 2019, CARC's management fees were \$7,200 and \$7,200, respectively.

NOTE F - CONCENTRATIONS

The Corporation's operations are concentrated in the real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

NOTE G - RENT INCREASES

Under the regulatory agreement, the Corporation may not increase rents charged to tenants without HUD approval.

NOTE H - ADOPTION OF ACCOUNTING PRONOUNCEMENT

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities.* ASU 2016-14 requires significant changes to the financial reporting model of organizations who follow the not-for-profit reporting model. The changes including reducing the classes of net assets for three classes to two – net assets with donor restrictions and net assets without donor restrictions. The ASU will also require changes in the way certain information is aggregated and reported by the Corporation, including required disclosures about liquidity and availability of resources and increased disclosures on functional expenses. The new standard is effective for the Corporation's year ending June 30, 2019 and thereafter and must be applied on a retrospective basis. The Corporation adopted the ASU effective July 1, 2018. Adoption of the ASU did not result in any reclassifications or restatements to net assets or changes in net assets.

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENTAL PROJECT NUMBER 064-EH139/LA48-T841-013

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

NOTE I - LIQUIDITY

At June 30, 2020, the Corporation has \$3,997 cash and cash equivalents available to meet needs for general expenditures consisting of cash of \$3,997 and \$0 of tenant accounts receivable. None of the financial assets are subject to donor or other contractual restrictions. Accordingly, all such funds are available to meet the cash needs of the project in the next twelve months. In addition, the Corporation may maintain funds in a reserve for replacement or residual receipts account. These funds are used for the benefit of the tenants and/or Corporation and are required by HUD. The funds may be withdrawn only with the approval of HUD. Such funds are not considered by the Corporation to have donor-restrictions.

The Corporation manages it's liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. Cash needs of the Corporation are expected to be met on a monthly basis from the rents of project units. In general, the Corporation maintains sufficient financial assets on hand to meet thirty days worth of normal operating expenses.

NOTE J - FUNCTIONAL EXPENSES

The Corporation provides low-income housing to its tenants. The cost of providing program services and supporting activities has been summarized on a functional basis in the table below. Expenses directly attributable to a specific functional activity are reported as expenses of those functional activities. There are no functional expenses that require allocation between activities.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

November 2, 2020

The Board of Directors Louisiana Disabled Persons Finance Corporation Lake Charles, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Louisiana Disabled Persons Finance Corporation, HUD Project No. 064-EH139/LA48-T841-013, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report dated November 2, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Louisiana Disabled Persons Finance Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Disabled Persons Finance Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a pubic document.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR MAJOR HUD PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE CONSOLIDATED AUDIT GUIDE FOR AUDITS OF HUD PROGRAMS

November 2, 2020

The Board of Directors Louisiana Disabled Persons Finance Corporation Lake Charles, Louisiana

Report on Compliance for Major HUD Program

We have audited the Louisiana Disabled Persons Finance Corporation HUD Project No. 064-EH139/LA48-T841-013's compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the Guide) that could have a direct and material effect on the major U.S. Department of Housing and Urban Development (HUD) program for the year ended June 30, 2020. Louisiana Disabled Persons Finance Corporation's major HUD program is Section 8 Multifamily Housing Projects.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its HUD program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Corporation's HUD program based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major HUD program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major HUD program. However, our audit does not provide a legal determination of the Corporation's compliance.

Louisiana Disabled Persons Finance Corporation November 2, 2020 Page 2

Opinion on Major HUD Program

In our opinion, Louisiana Disabled Persons Finance Corporation complied in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the HUD program for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of Louisiana Disabled Persons Finance Corporation is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Corporation's internal control over compliance with the requirements that could have a direct and material effect on the major HUD program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major HUD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
