The Boys and Girls Clubs of the Timber Ridge, Inc.
Notes to the Financial Statements
For the Year Ended December 31, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of Activities

The accompanying financial statements include only the operations of The Boys and Girls Clubs of the Timber Ridge, Inc., in Homer, LA. The Organization was formed to provide assistance to boys and girls of Claiborne Parish. The main sources of revenues are gifts from the public, allocations from grants, local dues and fund-raisers.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

C. Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments, which are readily convertible into cash within ninety days of purchase.

D. Presentation of Statements

ASC section 958-605 *Not-for-Profit Entities, Revenue Recognition* requires that unconditional promises to give (pledges) be recorded as receivables and revenue and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions.

Net assets, revenues, expenses, and changes in net assets are classified based on the existence or absence of donor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and are not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource has been fulfilled, or both. As of the year ended December 31, 2024, the Organization does not have any donor-imposed restrictions that are perpetual in nature.

E. Revenue and Revenue Recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively.

The Boys and Girls Clubs of the Timber Ridge, Inc.
Notes to the Financial Statements
For the Year Ended December 31, 2024

The Boys and Girls Clubs of the Timber Ridge, Inc. receives its support primarily from the Boys and Girls Club of America, and from the State of Louisiana, Department of Education. In the event revenues are restricted at the time of receipt by time or use, they are initially reported as restricted revenues and are then shown as reclassifications in the unrestricted category when the restrictions are satisfied either by passage of time or by expenditure for the specified purpose.

F. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

G. Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair market value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method. The Organization has no capitalization policy. Fixed assets are included on the balance sheet net of accumulated depreciation. Depreciation of all exhaustible fixed assets are charged as an expense against operations. Depreciation is computed using the straight-line method over the estimated useful lives with respect to major classes of depreciable assets as follows:

Equipment	5-10 Years
Improvements	27 ½ Years

H. Functional Allocations of Expenses

The costs of program services, administrative services and fund-raising expenses are allocated. At the current time, most costs are allocated based on an estimated time spent by employees as 80% programs services, 15% administrative services and 5% fund-raising.

I. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Boys and Girls Clubs of the Timber Ridge, Inc.
Notes to the Financial Statements
For the Year Ended December 31, 2024

J. Income Taxes

As an affiliate of the National Organization, the Organization is a not-for-profit organization that is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code.

The provisions of ASC 740-10 (Formerly FASB Interpretation No. 48 (FIN 48)) were adopted by the organization on January 1, 2009. The adoption of FIN 48 did not result in any changes to net assets or deferred income tax liabilities.

Accrued interest and penalties associated with uncertain tax positions are included as a component of the provision for income taxes. There were no unrecognized tax benefits at January 1, 2009. For the year ended December 31, 2024, there were no unrecognized tax benefits, or accrued interest and penalties. The company files Form 990, an informational tax return in the U.S. federal tax jurisdiction. Federal tax returns prior to 2021 are closed.

2. CASH AND CASH EQUIVALENTS

At December 31, 2024, the club has cash and cash equivalents (book balances) totaling \$53,869 as follows:

Demand deposits	\$ 53,869
Totals	\$ 53,869

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 2024, the Organization has \$57,652 in deposits (collected bank balances). These deposits are secured from risk by \$57,652 of federal deposit insurance and \$0 of pledged securities held by the custodial bank in the name of the fiscal agent bank (GASB Category 3).

7. DONATED MATERIALS

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated values at date of receipt. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of materials and equipment are recorded as unrestricted support.

8. COMMITMENT AND CONTINGENCIES

The Organization receives revenues from various Federal and State grant programs, which are subject to final review and approval as to allowable expenditures by the respective grantor agencies. Any settlements or expenses arising out of a final review are recognized in the period in which agreed upon by the organization and the Federal or State Agency. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the organization's financial position.

The Boys and Girls Clubs of the Timber Ridge, Inc.
Notes to the Financial Statements
For the Year Ended December 31, 2024

9. ECONOMIC DEPENDENCY

The Organization receives the majority of its revenue from funds provided through grants administered through various Federal and State programs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the organization receives could be reduced significantly and have an adverse impact on its operations. In addition, the Organization relies on local contributions from individuals, businesses, and other organizations. These contributions vary from year-to-year, and can be effected by the local economy and other circumstances.
