INDEPENDENT AUDITOR'S REPORT

Janet Tullos, Superintendent &
Members of the LaSalle Parish School Board
LaSalle Parish
Jena, Louisiana

We have audited the combined Statement of Assets, Liabilities, and Fund Equity of the LaSalle Parish School Activity Accounts for the year ended June 30, 2017, and the combined Statement of Cash Receipts and Cash Disbursements for the year then ended and the related notes to the financial statements as listed in the table of contents.

The financial statements referred to above present only the financial activities of the LaSalle Parish School Activity Accounts maintained by the individual schools. The financial activities of the LaSalle Parish School Board are not included.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The Statement of Assets, Liabilities and Fund Equity referred to above presents only the cash, accounts payable and resulting fund equity. The Statement of Cash Receipts and Cash Disbursements presents revenue and expenditure items using the cash basis of accounting. These financial statements do not and are not intended to present the financial position and the results of its operations in conformity with accounting principles generally accepted in the United States of America.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the cash, accounts payable and the resulting fund equity of the LaSalle Parish School Activity Accounts for the year ended June 30, 2017, and the cash receipts and cash disbursements of the LaSalle Parish School Activity Accounts for the year then ended using the basis of accounting described in the preceding paragraph and in Note 1.

Other Information

The combining statements, comparisons, and graphs using the basis of accounting described in Note 1 are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements and graphs using the basis of accounting described in Note 1 are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 17, 2017, on our consideration of the LaSalle Parish School Activity Accounts' internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Janet Tullos, Superintendent
& Members of the LaSalle Parish School Board
Jena, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the LaSalle Parish School Activity Accounts, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the LaSalle Parish School Activity Accounts' basic financial statements and have issued our report thereon dated October 17, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the LaSalle Parish School Activity Accounts' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the LaSalle Parish School Activity Accounts' internal control. Accordingly, we do not express an opinion on the effectiveness of the LaSalle Parish School Activity Accounts' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the LaSalle Parish School Activity Accounts' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this report is a public document and its distribution is not limited.

NOTES TO THE BASIC FINANCIAL STATEMENTS

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The LaSalle Parish School Activity Accounts are those accounts maintained by the individual schools of LaSalle Parish, Louisiana. The School Activity Accounts are considered a component unit of the LaSalle Parish School Board in Jena, Louisiana. The financial statements of the LaSalle Parish School Activity Accounts do not present information on the financial activities of the LaSalle Parish School Board.

Fund Accounting

The accounts of the various schools are organized on the basis of a fund (expendable trust fund), which is considered a separate accounting entity. The operations of the fund are accounted for with a set of self-balancing accounts that comprise its assets, liabilities, fund balance, receipts and disbursements for each school. The various school accounts are grouped into a consolidated financial statement in this report.

Fixed assets purchased through school accounts are not accounted for in the financial statements. The individual school accounts have no long-term debt as of June 30, 2017.

Basis of Accounting

The Statement of Assets, Liabilities and Fund Equity has been prepared using the modified accrual basis of accounting, where revenues are recognized when they become measurable and available as net current assets and expenditures are recognized when the liability is incurred. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The Statement of Cash Receipts and Disbursements has been prepared using the cash basis of accounting where revenues are recognized when received and expenditures are recognized when paid, purchases of various operating supplies are regarded as expenditures at the time of purchase.

When both assigned and unassigned resources are available for use, it is the school account's policy to use assigned resources first, then unassigned resources as they are needed.

In the Fund Financial Statements, governmental fund equity is classified as a fund balance. The District has implemented GASB Statement 54 "Fund Balance Reporting and Governmental Fund Type Definitions." This Statement provides more clearly defined fund balance categories to make the nature and extent of the constraints placed on the purposes for which resources can be used:

- a. Nonspendable fund balance – amounts that are not in a spendable form (such as prepaid expenses) or are required to be maintained intact;
- b. Restricted fund balance – amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation;

**LASALLE PARISH SCHOOL ACTIVITY ACCOUNTS
JENA, LOUISIANA**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
CONTINUED**

- c. Committed fund balance – amounts constrained to specific purposes by a government itself using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest level action to remove or change the constraint;
- d. Assigned fund balance – amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority;
- e. Unassigned fund balance – amounts that are available for any purpose; positive amounts are reported only in the general fund.

(2) CASH & INVESTMENTS (CERTIFICATE OF DEPOSIT IN EXCESS OF 90 DAYS)

Deposits

It is the school’s policy for deposits to be 100% secured by collateral at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance. The schools deposits are categorized to give an indication of the level of risk assumed by the School at fiscal year-end. The categories are described as follows:

Category 1 – Insured or collateralized with securities held by the school or by its agent in the school’s name.

Category 2 – Collateralized with securities held by the pledging financial institution’s trust department or agent in the school’s name.

Category 3 – Uncollateralized.

	Southern Heritage	Bank of Jena	Total
Cash and Certificate of Deposits (Bank Balance)	\$ 217,139	\$ 165,848	\$ 382,987
Secured as Follows:			
FDIC (Category 1)	217,139	165,848	382,987
Securities (Category 2)	-0-	-0-	-0-
Total Securities	\$ 217,139	\$ 165,848	\$ 382,987

All deposits were fully secured as of June 30, 2017.

**LASALLE PARISH SCHOOL ACTIVITY ACCOUNTS
JENA, LOUISIANA**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
CONTINUED**

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the government will not be able to recover its deposits. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Entity that the fiscal agent bank has failed to pay deposit funds upon demand. Further, Louisiana Revised Statute 39:1224 states that securities held by a third party shall be deemed to be held in the Entity's name.

(3) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(4) ASSIGNED FUND BALANCE

Fund Balance is assigned by the principals of the various schools for the following activities:

Athletic	\$ 47,639
Canteen	7,287
Clubs	33,822
Annuals	23,076
Total Assigned	\$ <u>111,824</u>

MANAGEMENT LETTER COMMENTS

During the course of our audit, we observed conditions and circumstances that may be improved. Below are findings noted for improvement, our recommendation for improvement and the Entity's plan for corrective action.

CURRENT YEAR MANAGEMENT LETTER COMMENTS

2017-M-1 Cash Handled by Multiple Employees, Students, and Volunteers

Condition: Considering the situation that many employees of the schools, students, and volunteers collect cash at games, concession, and other events of the schools, many important elements of good internal controls cannot always be achieved to ensure adequate protection of the schools' cash without necessary management oversight.

Recommendation: We recommend that management continue to provide the necessary oversight in its current internal control procedures, specifically in the areas of cash receipts, collection receipt activities, recordation of those receipts, and depositing of funds collected.

Client Response: Management will continue to provide the necessary oversight in its internal control procedures, specifically in the areas of cash receipts, collection activities, recordation of those receipts, and depositing of funds collected.

**MANAGEMENT'S SUMMARY
OF PRIOR YEAR FINDINGS**

Legislative Auditor
State of Louisiana
Baton Rouge, Louisiana 70804-9397

The management of the LaSalle Parish School Activity Accounts, Jena, Louisiana has provided the following action summaries relating to audit findings brought to their attention as a result of their financial audit for the year ended June 30, 2016.

PRIOR YEAR FINDINGS:

2016-M-1 Cash Handled by Multiple Employees, Students, and Volunteers (Unresolved)

Condition: Considering the situation that many employees of the schools, students, and volunteers collect cash at games, concession, and other events of the schools, many important elements of good internal controls cannot always be achieved to ensure adequate protection of the schools' cash without necessary management oversight.

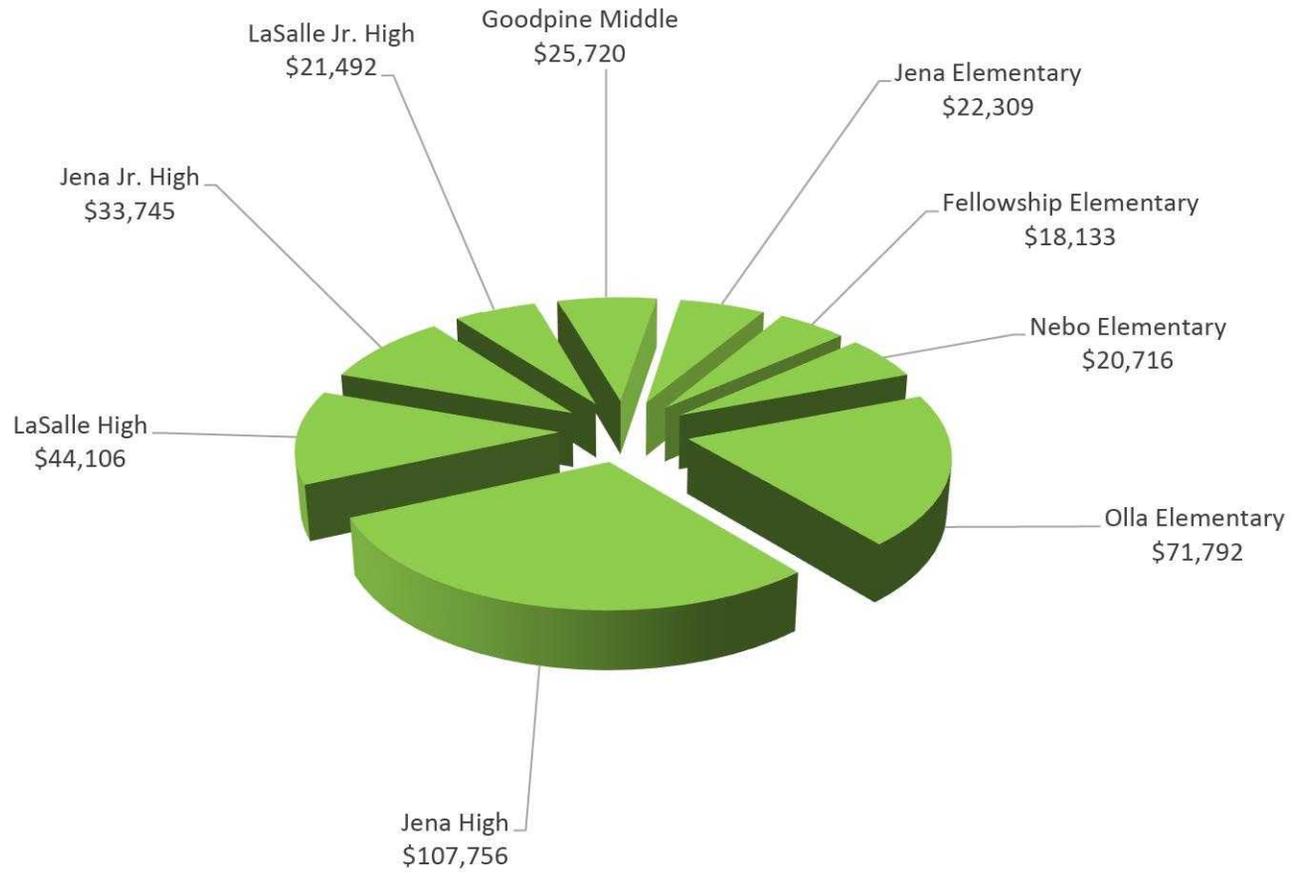

Recommendation: We recommend that management continue to provide the necessary oversight in its current internal control procedures, specifically in the areas of cash receipts, collection receipt activities, recordation of those receipts, and depositing of funds collected.

Client Response: Management will continue to provide the necessary oversight in its internal control procedures, specifically in the areas of cash receipts, collection activities, recordation of those receipts, and depositing of funds collected.
