INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors

Lake Bullard Neighborhood Improvement District

New Orleans, LA

Management is responsible for the accompanying financial statements of **Lake Bullard Neighborhood Improvement District (Lake Bullard)** (a nonprofit organization), which comprise the balance sheet as of December 31, 2022, and the related statement of revenues, expenditures and changes in fund balance-budget to actuals, for the year then ended, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

As permitted by the Louisiana Legislative Auditor (for compilation engagements), the financial statements have been prepared in accordance with the modified accrual basis of accounting (as applied to governmental funds excluding recognition of deferred inflows and outflows), which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusion about **Lake Bullard's** financial position and results of operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The accompanying supplementary schedule of compensation, benefits and other payments made to agency head on page 6 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.
