ACCOUNTANTS' COMPILATION REPORT

Board of Commissioners
Allen Parish Recreation District No. 5 of Oberlin
Oberlin, LA 70655

June 2, 2020

Management is responsible for the accompanying financial statements of the governmental activities and the only major fund of the Allen Parish Recreation District No. 5 of Oberlin (the District), a component unit of the Allen Parish Police Jury, as of and for the year ended December 31, 2019, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

Management has elected not to implement the financial reporting requirements of GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. The effects of this departure from accounting principles generally accepted in the United States of America have not been determined.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Supplementary Information

Accounting principles generally accepted in the United States of America require that the general fund budgetary comparison schedule on page 7 be presented to supplement the basic financial statements. Such information is presented for purposes of additional analysis and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Such information is the responsibility of management. The required supplementary information was subject to our compilation engagement. We have not audited or reviewed the required supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such information.

The other supplementary information on page 9 is presented for purposes of additional analysis and is not a required part of the basic financial statements but is required by Louisiana Revised Statute 24:513(A)(3). The other supplementary information is the responsibility of management. The other supplementary information was subjected to our compilation, but we have not audited or reviewed the other supplementary information and, accordingly, do not express an opinion or provide any assurance on such other information. We are not independent with respect to the District.
