INDEPENDENT AUDITOR'S REPORT

To the Officers and Board of Directors
Faith House, Inc.
Lafayette, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Faith House, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Faith House, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Faith House, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Faith House, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Faith House, Inc.'s internal control. Accordingly, no such opinion is expressed
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Faith House, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that were identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2023, on our consideration of Faith House, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Faith House, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Faith House, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Faith House, Inc. (Organization) is a non-profit corporation organized under the laws of the State of Louisiana. The Organization provides a temporary shelter and services for battered women and their children in crisis situations. Other services provided by the Organization include crisis counseling, after care to victims of domestic violence, and community education about domestic violence. The Organization's services are available to residents of Lafayette, Vermilion, Acadia, Evangeline, Rapides, Avoyelles, and St. Landry parishes.

B. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows.

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that will be met, either (1) expire by incurring expenses satisfying the restricted purpose (purpose restricted), and/or the passage of time or other events (time restricted), or (2) will never expire (perpetual in nature). When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions

C. Cash and Cash Equivalents

The organization considers all highly liquid investments with an original maturity of three months or less at the date of acquisition to be cash equivalents.

D. Certificates of Deposit

Certificates of deposit are presented in the financial statements at cost which approximates fair market value.

E. Investments and Related Income, Gains, and Losses

In accordance with FASB ASC subtopic 958-320, "*Not-for-Profit Entities-Investments-Debt and Equity Securities*", the Organization carries investments securities at their fair values based on quoted prices in active markets in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

FAITH HOUSE, INC
Lafayette, Louisiana

Notes to Financial Statements (Continued)

F. Grants Receivable/Deferred Revenues

Grants receivable and deferred revenues from grants and other support are recognized only to the extent that related condition has been met. Unearned revenues consist of conditional contributions and grants in the amount of \$338,788 and \$455,818, respectively.

G. Property and Equipment

The Organization's capitalization policy is \$1,000 for property and equipment recorded at cost, if purchased, or at estimated fair market value if donated. Depreciation is computed using the straight-line method over the following estimated useful lives:

<u>Asset Class</u>	<u>Estimated Useful Lives</u>
Buildings and improvements	7 - 39 years
Furniture, fixtures, and equipment	5 - 15 years
Vehicles	5 years

H. Revenue and Expense Recognition

Contributions are recognized when the donor makes a commitment to give to the Organization. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts designated for future periods or restricted by the donor for specific purposes are reported as increases to net assets with donor restrictions. Revenues from cost-reimbursable contracts are accounted for under ASC Topic 606, Revenue from Contracts with Customers (ASC 606), recognizing revenue when performance obligations under the terms of the contract are satisfied. Expenses are recognized in the period incurred in accordance with the accrual basis of accounting.

I. Functional Allocation of Expenses

Expenses are summarized and categorized based on their functional classification. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and occupancy, which are allocated on a square-footage basis, as well as salaries and related benefits, which are allocated on the basis of time and effort.

J. Income Taxes

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service (IRS) as other than a private foundation.

FAITH HOUSE, INC
Lafayette, Louisiana

Notes to Financial Statements (Continued)

Accounting principles generally accepted in the United States of American require the Organization's management to evaluate tax positions taken and recognize a tax liability (or asset) if the Organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Organization, and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclose in the financial statements. The Organization is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

K. Compensated Absences

Vacation and sick leave are recorded as expenses in the period earned. Sick leave is available for employees when needed; however, it does not vest and is not payable at termination of employment. Annual vacation is earned by employees based on the number of years of employment. Current unused vacation and up to 40 hours of prior year unused vacation is payable upon retirement. At June 30, 2023 and 2022, the accrued vacation leave amounted to \$30,624 and \$27,031, respectively.

L. Donated Facilities, Materials, and Services

The Organization receives a significant amount of donated services from unpaid volunteers who assist in program services during the year. These donated services are not reflected in the statement of activities because the criteria for recognition under professional standards have not been satisfied; however, these services are valuable to the Organization's programs. The fair value of donated services not reflected in the financial statements for the years ended June 30, 2023 and 2022 are estimated at \$5,678 and \$8,266, respectively.

The Organization utilized all contributed nonfinancial assets and unless otherwise noted, contributed nonfinancial assets did not have donor restrictions. The Organization does not have a policy whether to monetize or utilize contributed nonfinancial assets. Donations meeting the recognition criteria are recorded at estimated fair value as follows:

	<u>2023</u>	<u>2022</u>

(6) Long-Term Debt

On November 1, 2016, the Organization entered into a non-interest-bearing conditional note agreement in the amount of \$150,000 with Lafayette Public Trust Financing Authority. The note will require no payment until October 31, 2023 for property purchased to support Project Hope. On June 8, 2021, the Lafayette Public Trust Financing Authority's board of trustees extended the terms on this agreement for a period of two (2) years. The note will be forgiven after a period of 36 months if the Organization meets the fundraising benchmarks specified within the note agreement. At June 30, 2023 and 2022, the amount outstanding on the note payable was \$150,000.

On December 9, 2020, the Organization amended their original unsecured promissory note agreement with a financial institution in the amount of \$323,800 bearing interest at 1.0%. Under the terms of the Paycheck Protection Program, the principal and accrued interest of \$270,110 and \$1,778, respectively, were forgiven. The amended promissory note for the remaining amount of \$53,690, bearing interest at 1.0%, payable in monthly installments of \$1,322 for 42 months maturing on April 16, 2025. (9) Leases

The determination of whether the arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. A right-of-use (ROU) asset represents the Company's right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Company uses the implicit rate when it is readily determinable, or an incremental borrowing rate based on the information available at lease commencement. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization leases a building for use in their operations. The lease has a remaining term of approximately 32 months.

The following summarizes the line items in the balance sheet which include amounts for operating leases at June 30, 2023:

Operating leases:

Operating lease right-of-use asset		<u>\$ 116,983</u>
Operating lease liabilities - current		40,794
Operating lease liabilities - noncurrent		<u>76,189</u>
Total operating lease liabilities		<u>\$ 116,983</u>

Reconciliation of Operating Lease Liabilities - Payments to Operating Lease Liabilities:

Total operating lease liabilities - payments		\$ 122,400
Operating lease liabilities - current	\$ 40,794	
Operating lease liabilities - noncurrent	<u>76,189</u>	
Total operating lease liabilities		<u>116,983</u>
Present value adjustment		<u>\$ 5,417</u>

FAITH HOUSE, INC

Notes to Financial Statements (Continued)

The following is a maturity analysis of annual undiscounted cash flows (payments) of the operating lease liability as of June 30, 2023:

<u>Year Ending June 30,</u>	
2024	\$ 44,000
2025	46,400
2026	<u>32,000</u>
	<u>\$ 122,400</u>

Lease cost of \$41,600 is included in the statement of functional expenses. The weighted average of the remaining lease term was 2.67 years and the weighted average discount rate used was 3.25%.

(10) Retirement Plan

The Organization adopted a 403(b) Thrift Plan that is maintained for its qualifying employees. The plan covers all full-time employees. To be eligible for employer matching contributions, employees must be at least 21 years of age and have a minimum of one year of service. The plan allows elective employee contributions of up to 100% of the respective employee's compensation. The Organization is required to make contributions to the plan based on a fixed percentage. The Organization made contributions of \$23,835 and \$24,550 for the years ended June 30, 2023 and 2022, respectively.

(11) Fair Value Measurements

Professional standards require the disclosure for fair value measurements of financial assets and liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. The standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of inputs used to measure fair value are as follows:

- a. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b. Level 2 inputs are observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- c. Level 3 inputs are unobservable inputs for the asset or liability.

FAITH HOUSE, INC
Lafayette, Louisiana

Notes to Financial Statements (Continued)

The following methods and assumptions were used by the Organization in estimating fair values of financial instruments:

- a. The carrying amount reported in the statement of financial position for the following approximates fair value due to the short maturities of these instruments: cash, certificates of deposits, receivables, and payables
- b. The fair value for investment securities are based on quoted market prices at the reporting date multiplied by the quantity held. The carrying value equals fair value.

The following table presents assets that are measured at fair value on a recurring basis at June 30, 2023 and 2022:

<u>Description</u>	June 30, 2023			
	<u>Total</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
Mutual funds	\$ 16,924	\$ 16,924	\$ -	\$ -
Money market	3,647	3,647	-	-
	<u>\$ 20,571</u>	<u>\$ 20,571</u>	<u>\$ -</u>	<u>\$ -</u>

<u>Description</u>	June 30, 2022			
	<u>Total</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
Common stocks	\$ 9,355	\$ 9,355	\$ -	\$ -
Mutual funds	10,074	10,074	-	-
Money market	3,080	3,080	-	-
	<u>\$ 22,509</u>	<u>\$ 22,509</u>	<u>\$ -</u>	<u>\$ -</u>

(12) Concentration of Credit Risk

The Organization maintains cash balances at financial institutions, which at times may exceed federally insured limits. Accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2023, the Organization's cash balances exceeded FDIC coverage by \$199,022. At June 30, 2022, the Organization's cash balances exceeded FDIC coverage by \$61,949.

(13) Commitments and Contingencies

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Faith House, Inc. expects such amounts, if any, to be immaterial. Also, a liability for findings and questioned costs is not established until final disposition of such matters by the funding agency.

Lafayette, Louisiana

Notes to Financial Statements (Continued)

(14) Risk Management

The Faith House, Inc. is exposed to risks of loss in the areas of health care, general liability, property hazards and workers' compensation. All of these risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year. Insurance settlements have not exceeded insurance coverage the past three years.

(15) Compensation, Benefits, and Other Payments to Agency Head

The schedule of compensation, benefits and other payments to Billi Lacombe, Executive Director, for the year ended June 30, 2023 follows:

<u>Purpose</u>	<u>Amount</u>
Salary	\$ 86,506
Benefits - insurance	7,970
Benefits - retirement	2,595
Travel	3,212

(16) Change in Accounting Principle

The FASB issued ASU No. 2016-02, Leases (Topic 842) intended to improve financial reporting regarding leasing transactions. Under the new standard, a lessee is required to recognize leases on its balance sheet. At initial recognition of a lease, the lessee measures the liability for its lease obligation and the related right-of-use asset at the present value of lease payments not yet paid. The guidance also requires qualitative and quantitative disclosures providing additional information about the amounts recorded in the financial statements. The Company elected to apply Topic 842 to all leases effective July 1, 2022, the beginning of the earliest comparative period presented.

The net effect of the implementation of the new accounting principle is summarized below:

Statement of Net Position:

Assets -	
Operating lease right-to-use asset	<u>\$ 154,115</u>
Liabilities -	
Operating lease liabilities - current	37,132
Operating lease liabilities - noncurrent	<u>116,983</u>
Total liabilities	<u>\$ 154,115</u>

(17) Subsequent Event Review

The Organization's management has evaluated subsequent events through October 30, 2023, the date which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Faith House, Inc.
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Faith House, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Faith House, Inc.'s (Organization) internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Faith House, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suited for any other purpose. Although the intended use of this report may be limited, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Faith House, Inc.
Lafayette, Louisiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Faith House, Inc.'s (Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal program for the year ended June 30, 2023. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulation Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Faith House, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Faith House, Inc's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Faith House, Inc's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances. Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited.

Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquired of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:
 - a) Employees that are responsible for cash collections do not share cash drawers/registers.
 - b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.

Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
 - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.

Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Using the monthly statements or combined statements selected under #12 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing).
